Dear all
Greetings from NPR college of Engineering and Technology

We are jointly conducting **The National Level Technical Symposium YUVASHAKTI 2K20** on **07th March 2020** for the students.

This symposium encourages the young potential Engineering brains all over the country to gather and come out with innovative ideas towards technical excellence. This would serve as a platform for several discussions and meaningful debates pertaining to the emerging technologies.

In this regard, we invite papers from the students of your esteemed institution. We request you to motivate your students to participate in the symposium and to win prizes in the events.

Please display the enclosed poster to bring it to the notice of your students.
