 Natham, Dindigul (Dt) - 624 401.

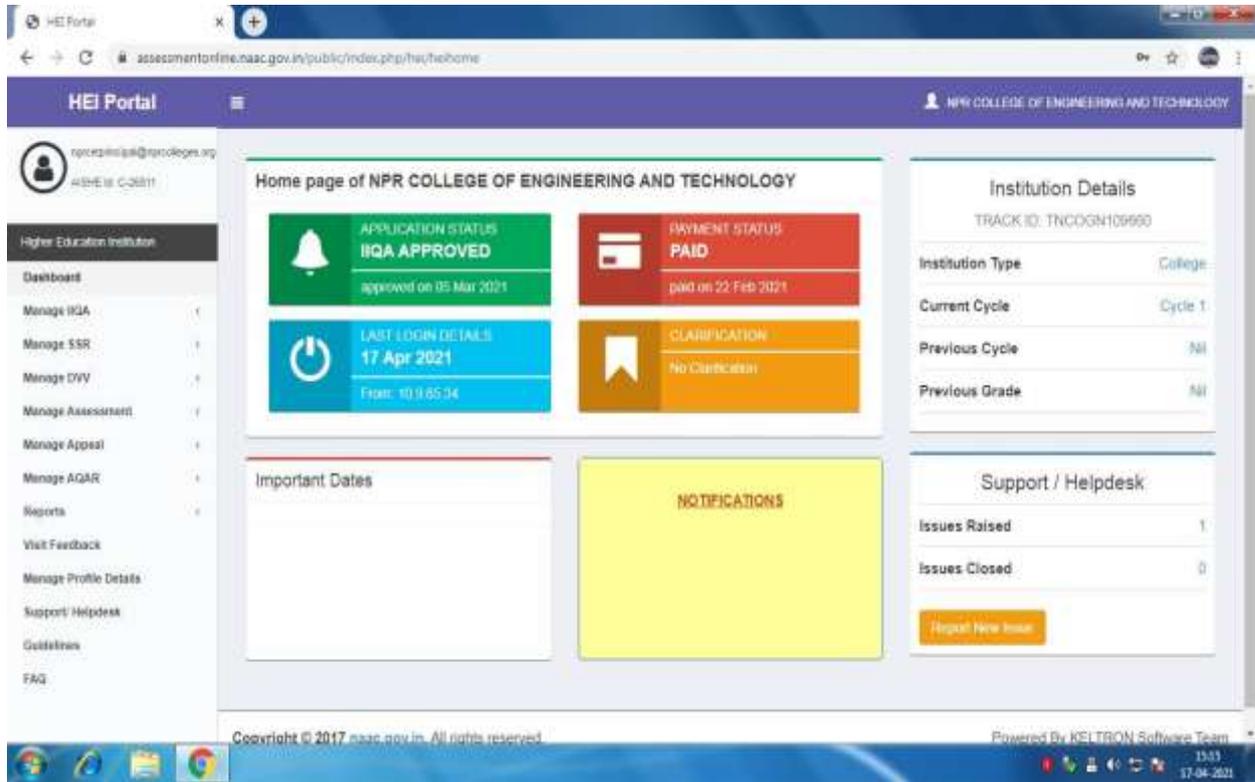

FISH BORNE DIAGRAM FOR STRATEGIC PLAN

CURRENT STATUS / ACTION PLAN FOR STRATEGIC / PERSPECTIVE PLAN

Sl. No	Strategic / Perspective Plan	Current Status / Action Plan	Page Number
1	To attain NAAC accreditation	IIQA Approved and supposed to submit the SSR	4
2	To get MOU with core companies & Foreign University	34 MoU Signed between Core company and to increase the MoU in forthcoming academic year	5
3	To get an ISO Certification	Got an ISO 9001 : 2015 for Qualified Management System for all the Courses ON 06.02.2019	7
4	To add new Undergraduate courses for developing the technical institution	Applied for New UG courses in AICTE & Anna University in the Academic Year 2021-2022	-
5	To improve our Institution as Green Environment campus with energy sources	Awarded as Green Campus by Institution of Green Engineers	8
6	To increase smart classrooms for the students Development	We have 10 Smart Class Room and to increase	11
7	To get funds from various funding agencies like DRDO, DST, CSIR, MHRD and AICTE to organize Conferences / Seminars / Workshops / FDP / Rural Development Activities	Received fund form UBA under MHRD for the development of Rural areas, and we submitted Research Project / Conference / Seminar grant proposal to funding agencies.	12
8	To become an Autonomous Institution by 2022	After Getting NAAC Higher Grade supposed to apply Autonomous	-
9	To achieve NIRF Ranking	In Progress	-
10	To achieve ATAL Ranking	In Progress	-
11	Improving 40% of the faculty with Ph.D	8 Faculty completed their PhD, 2 members are pursuing PhD under QIP-AICTE, and for the forthcoming year Our aim is to Improving 40% of the faculty with Ph.D	13
12	To strengthen Institution innovation Cells (IIC)	We are registered IIC and completed Quarter-I Program as per Academic calendar of IIC, and our Aim to get 5 Star rating	14
13	To Set up incubation center	Established centers of Excellence and Labs in Collaboration with industries and Institutions.	-
14	To encourage the faculty members to publish papers in reputed International / National Journals with impact factor	As per the HR Policy of NPRCET we provide Financial Support to the faculty to concentrate on Publication of Journal	15
15	To get NBA Accreditation for the all departments by 2024	All department initiated NBA Accreditation work	-
16	To provide R&D Activities and Research center recognition	In Progress	-

Contribution of UN SDG Goals: 13

Launch the Green Patch 161 Initiative

Abstract: A mature tree absorbs carbon dioxide at a rate of 48 pounds per year. In view, Launch the Green Patch 161 Initiative saplings were planted in our campus on 02/08/2019 in the presence of the famous Indian Cricketer Mr.RavichandranAshwin in memories of the highest best batting partnership of 161 runs of Dindigul Dragons cricket team in TNPL history in our NPRCET turf cricket ground. Our students staying in the hostel took the responsibility of watering those saplings thereafter, with interest and in turn march towards the awareness of planting trees for protecting the environment.

Bamboo potentially acts as a valuable sink for carbon storage and on an average, one hectare of bamboo absorbs about 17 tons of carbon per year. In connection with that, Bamboo trees were planted in our campus near our Mega Cafeteria. Every year on 5th June, World Environment Day is celebrated in our college. Environmental protection, Air pollution, Tree plantation are the regular topics discussed for creating awareness among students.

The students of third and final year doing projects are regularly encouraged to select topics in environmental domain to find solutions for the issues related to pollution, energy conservation and alternate materials for wood to avoid cutting trees for that purpose.

Project Picture

Outcome of the Work

Created Energy Saving Awareness' with 325 members

130 houses successfully implemented 9mantras @ Home

2280 Unit saved/Annum towards 70 houses

4380 Unit Saved/Annum towards 60 houses

9676.8kg of CO2 Saved towards energy Saving

IGEN GREEN DIARY 2021

Contribution of UN SDG Goals: 6

Implementation of Clean water and Sanitation

Abstract: Adequate sanitation is maintained in our college campus by the regular practice of cleaning the toilets twice a day, proper drainage system, ever operating sewage treatment plant and water recycling plant. Awareness is given to all the students about sanitation and the ill-effects are clearly explained through the NSS and YRC of our college. Implementation of effective waste management system supports and facilitates sanitation. The waste water from the kitchen, dining halls of boys and girls hostel mess and canteen are recycled and used for watering the plants in the garden. Drip irrigation system is in implementation so as to conserve water and effective utilization in the garden area throughout the campus. Rain water harvesting is done effectively by collecting rain water from all buildings and storage is done in a small pond available very near to the college with the purpose of recharging the water bodies. Well and bore well recharging is also done in some specific locations inside the campus. Even though, our college is located in a dry area, due to these practices we did not suffer from scarcity of water till date.

Mineral water plants are installed in the college and all the blocks are supplied with the hygienic water for drinking purpose. The ground water available in this locality itself is in par with the potable water and further recharging by rain water improves the quality somewhat even better.

Project Picture

Outcome of the Work

Mineral water plants installed in the campus supply clean water for drinking

Recycling of waste water enables resource for watering plants in the garden

Water bodies are recharged by Rain Water Harvesting

Proper maintenance of toilets, drainage system and sewage treatment provides sufficient sanitation

Waste Management Systems implemented facilitates pollution free environment

Dear RCI Coordinator,

This to inform you that 8th List of PIs has been approved by MHRD and out of 141, Eleven new Participating Institutions are added under your region. I would request you to coordinate and communicate with the PIs for better functioning and reporting to NCI.

Also,

All the PI coordinators are requested to contact their RCI : **Gandhigram Rural Institute Dindigul** and join the whatsapp group. All the PIs should submit their quarterly report to respective RCI for compilation.

Date:07.12.2020

Sub: Admission to Ph.D. Programme under QIP – Reg.
 Ref: The meeting of the 36th Research Board held on 03.11.2020.

Ms.Esther T (Appl. No.61766) is directed to report to this University on 17.12.2020 for admission to Ph.D. Programme in the **Faculty of Information and Communication Engineering** under QIP scheme with the following documents,

1. You are directed to enter the required details in the following link <https://cfr.annauniv.edu/jan21/re-edit.php> (QIP application number is the user name and E-mail id is the password). Submit the Hardcopy of the application along with the necessary enclosures shall be produced.
2. All original certificates with self attested photocopy shall be produced for verification (Original Transfer Certificate will be retained with this University).
3. Approved evidence of record obtained from the Supervisor and HoD for the completion of Pre-Registration period.
4. Relieving Certificate from the employer in the prescribed format.
5. Certificate of AICTE recognition for the Institutions, where the candidate is working, in the prescribed format.

The programme fee of Rs.30,000/- (Rupees Thirty Thousand only) is to be paid **through online mode** using Credit card/Debit card/Net Banking on successful completion of certificate verification.

If you are not reporting for admission on the above mentioned date, your admission to Ph.D. programme under QIP will be treated as cancelled and the same shall be informed to the Principal QIP Coordinator.

5.3. BENEFITS TO FACULTY AND NON-TEACHING STAFF MEMBERS

- Employee's Provident Fund
- Employee's Group Insurance from TATA AIG General Insurance Company Ltd.
- Management Provide Free Bus facilities to all the Staff members.
- Preference given to employees' children in admission, Scholarship and concession in Tuition fees
- Management offer Free Accommodation and Mess facilities to the staff members who stay in our Hostel
- Incentive for faculties Completed Ph.D in Engineering by Rs.5000/-, Science & Humanities by 2,500/-
- Free Medical Check-up for Faculty
- Interest Free Loan in case of Marriage / Emergency Situations
- Gifts are given to the Faculty Members for Diwali Celebrations

5.4. INCENTIVES FOR PUBLICATION:

- **Consultancy Projects:** Suitable incentive will be granted to the person who takes the consultancy project from an industry/research organization if the income from the project exceeds Rs. 2.5 Lakhs per annum.
- Sports activities and awards are also initiated and encouraged suitably.
- As institutional development is a product of developed faculty and student groups, the institution extends its effort in this direction and offers incentives of faculty, some of which are listed below
