The Seminar on “Indigenous Intellectual Property” organized by Intellectual Property Rights (IPR) Cell was inaugurated at 10.00 a.m. on 19.11.2020 initiated with Prayer Song in the presence of Dr.J.Sundararajan, Principal and Chief Guest Mr.P.Rajamanickam, Retd.Professor, Saraswathi Narayanan Arts College, Madurai.

Mr.K.Selvam, Assistant Professor, Department of Civil Engineering delivered the welcome address. Dr.J.Sundararajan, Principal, during the felicitation address, explained about the Indigenous Intellectual Property which includes cultural knowledge of indigenous people and many aspects of their cultural heritage and knowledge, including that held in oral history. Mr.M.Mathan Raj, Assistant Professor of Mechanical Engineering & IPR Cell Coordinator introduced the Chief Guest for the gathering.

Chief Guest Mr.P.Rajamanickam, insisted the importance of Innovation and its value on Indian Intellectual Property. Also he explained about the legal framework for the protection of indigenous knowledge, however, remains elusive since most provisions for intellectual property law evolved out of a Western view of knowledge as a commodity owned by an individual, not a community and motivated the participants to depict their ideas into innovation. 47 faculty members attended the seminar and enhanced their knowledge.

Mrs.V.Sujitha, Assistant Professor, Department of Computer Science and Engineering proposed the vote of thanks and the function came to an end with National Anthem.

Workshop on “Best Business Plan implemented in Rural Entrepreneurship”

SUMMARY REPORT

The Workshop on “Best Business Plan implemented in Rural Entrepreneurship” was inaugurated on 20.01.2021 at 2.00pm. The venue was GOOGLE MEET. The programme was organized by **Entrepreneurship Development Cell (EDC)**. Around 62 students and 5 Faculties from MBA Department of NPRCET had attended the programme.

Dr.B.Velmurugan, EDC Coordinator delivered the welcome address. He believed it was the ideal programme for developing entrepreneurial abilities. Students may have abilities, but they must be polished and incubated. For them, this curriculum was ideal. This curriculum consists of structured instruction to help an individual become a successful entrepreneur.

Dr.J.Sundararajan Principal of NPRCET during his felicitation address encouraged to conduct more programme on EDC and the importance of Entrepreneurship; hence he advised them to start- up for creating more employment opportunities.

Spoke on the theme “Best Business Plan implemented in Rural Entrepreneurship” During his Session, the guest speaker for the seminar, **Dr.G.Rajini** explained Innovation is the essential tool of entrepreneurs. She spoke on how to people can take advantage of situation in their communities and make good business out of them. She educated participants on the need to start their business in rural area and **Mr. Prof.Chethan Chittalkar**, Director, MGNCRE said developing the entrepreneurship culture in a nation is not an easy task. It requires a collective effort with dedication and devotion of all stakeholders including the education system.

In this session he gave more information about the new beginners for the business. Our student has gained more knowledge about new business. “The workshop was very interactive as participants made meaningful contributions to the discussion. Our students learnt many things and they are able to creative and innovate according to the future demand”.

The vote of thanks was given by **S.Jenitha Karthiga**, II MBA. The seminar was completed with National Anthem at the end.
