NATIONAL SOCIAL SERVICE (NSS)

Report of the

32nd National Road Safety Month (18.01.2021 to 17.01.2021)

Road Safety – Life Safety Awareness Programme by Anna University

Date: 25.01.2021

Time: 10.00 a.m to 12.00 noon

Chief Guest Address by : Mr. B.R. Yuvaraj, Regional Transport Officer, Chennai

Mr.V.Arunachalam, Motor Vehicle Inspector, Chennai

Welcome Address by: Dr. R.Ramesh, NSS Co-ordinator, Anna University, Chennai

Program Co-ordinator: Dr.M.Yuvaraju, Regional Program Co-ordinator, Coimbatore

Report:

The meeting started at 10.10a.m on 25.01.2021 through Google Meet. Our Anna University NSS Co-ordinator Dr.R.Ramesh delivered the welcome address.

Then **Mr. B.R. Yuvaraj, Regional Transport Officer, Chennai** during his chief guest address, explained the students about the road safety rules and regulations. For this year, the theme of National Safety Day is -- “Nurture young minds - develop a safety culture”. The theme, last year, was “sadak suraksha” [road safety]. The National Safety Council was formed on March 4, 1966, to generate, develop and sustain a voluntary movement on safety, health and environment.

It is necessary for everyone to be aware of traffic signs and road rules. Traffic signs can give you important information that can ensure your safety and the safety of those around you and awareness of road rules can lower chances of accidents.

You may follow the below-mentioned ten rules and regulations while driving to reduce the risk of accidents and ensure safe driving.

- Always wear a seatbelt.
- Avoid distractions.

- Do not cross the speed limits.
- Service your car regularly.
- Follow traffic signals.
- Maintain lane discipline.
- Be careful during bad weather

With millions of lives endangered worldwide, road traffic accidents (RTA) rank alarmingly high in the recent trends of pressing social issues. Approximately 328 lives are lost daily, much of which could have been prevented with timely rescue and intervention. Despite the innumerable road safety campaigns and awareness drives, India still ranks first in the number of road accident deaths across 199 countries and accounts for almost 11% of all accident-related deaths in the world. Despite global stagnancy and uncertainty owing to the Covid 19 pandemic and consequent lockdown, road accidents have managed to claim 29,415 lives just between March and June, with an additional 51970 casualties. Clearly, road safety continues to be a major developmental and public health concern, acting as a leading cause of death and injuries worldwide.

Recognizing road accidents as a leading cause of death in the country, the Ministry of Road Transport and Highways, Government of India has called for a joint effort of the state and central government to facilitate the improvement of road and safety infrastructure and to reduce casualties and mortality.

While the situation might appear rather grim, people need to come together as change makers, now more than ever before. We must all strive to do our part to ensure that we receive what we deserve - safer roads and safer communities, once and for all.

To improve safety and reduce road crash casualties, the Ministry of Road Transport & Highways (MoRT &H) has entrusted the Indian Road Safety Campaign (a non-profit organization) to lead road safety activities aimed at upping grass root level citizen involvement in road safety measures across the nation.

Mr.V.Arunachalam, Motor Vehicle Inspector, Chennai during his address

- Maintain safety on the roads with these safe driving tips
- Carry Your Documents In The Car At All Times. ...
- Wear Safety Gear While Driving. ...
- Stick To Speed Limits. ...
- Keep A Safe Distance With The Car In Front Of You. ...
- Do Not Drink And Drive. ...
- Maintain The Car In Good Condition. ...
- Practise Defensive Driving. ...
- Avoid Distractions

At the end, **Dr.M.Yuvaraju, Regional Program Co-ordinator, Coimbatore** delivered the vote of thanks and the function was successfully completed.

'CELEBRATION OF 73rd INDIAN ARMY DAY – MEETING THROUGH GOOGLE MEET'

Date: 15.01.2021

Time: 12.00 Noon to 1.00 p.m.

Presided by: Mr. G. Sundararajan, AP – Mech. Engg. & Programme Officer

Report:

As proposed by the Programme Officer, the Principal of NPR College of Engineering & Technology, Dr. G. Sundararajan, gave approval for the meeting and initiated the formalities. Due to pre-occupation he was not able to attend the meeting.

The meeting started at 12.00 Noon on 15.01.2021 through Google Meet. Student Mr. M. S. Balamurugan of III Year Mechanical Engineering delivered the welcome address. Then Mr. S. Joshua, Assistant Professor – Mechanical Engineering, during his felicitation address, explained the students about the achievements of Indian Army during the recent days. He gave more details about Rafale and its induction in Indian Army. He discussed the following matters during his address:

The Rafale was one of the six aircraft competing in the Indian MRCA competition for 126 multirole fighters. In 2018, it was reported that the Rafale is competing against several other aircraft in a new procurement tender for 114 multi-role combat aircraft, which is referred as MMRCA 2.0 in the Indian media. The "Omni role" Rafale combines the advantages of versatility, interoperability, Flexibility and Survivability. Delivery of 36 Rafales started on 27 July, 2020 with first 5 Rafales delivered to Indian Air Force from France. A second batch of 3 Rafale jets arrived at Jamnagar airbase in Gujarat on 4 November 2020 after flying non-stop from France. The Indian Air Force is to receive 16 fighters by April.

After that Mr. K. Aruna Senthil Kumar, AP – Mechanical Engineering during his felicitation address emphasised the role of every citizen in saving our country. He suggested conducting more programmes as such to instil patriotism among students through NSS.

Programme Officer Mr. G. Sundararajan during his presidential address delivered the following matters:

The Army Day is celebrated each year in recognition of Field Marshall Kodandera M. Cariappa's (Lieutenant General) taking over as the first Commander-in-Chief of the Indian Army from the last British Commander-in-Chief of India. Army Day marks a day to salute the valiant soldiers who sacrificed their lives to protect the country and its citizens. Param Vir Chakra and Ashok Chakra awardees participate in the Army Day parade every year. In addition he added that more employment opportunities are available in Army services and he insisted the students to develop themselves compete and join if possible.

At the end, Final Year EEE Student Mr. Hariharan delivered the vote of thanks and the function was successfully completed.

'CELEBRATION OF NATIONAL YOUTH DAY – MEETING THROUGH GOOGLE MEET'

Date: 12.01.2021

Time: 5.00 p.m. to 6.00 p.m.

Presided by: Mr. G. Sundararajan, AP – Mech. Engg. & Programme Officer

Report:

As proposed by the Programme Officer, the Principal of NPR College of Engineering & Technology, Dr. J. Sundararajan, gave approval for the meeting and initiated the formalities. Due to pre-occupation he was not able to attend the meeting.

The meeting started at 12.00 Noon on 15.01.2021 through Google Meet. Student Mr. R.A Mukilan of IV Year Mechanical Engineering delivered the welcome address.

Then Mr. M.Mathanraj, Assistant Professor – Mechanical Engineering, during his felicitation address, explained the students about the national youth day . He gave more details about national youth day, He discussed the following matters during his address:

National Youth Day is celebrated in India every year on 12 January to commemorate the birth anniversary of Swami Vivekananda. The day was declared by the Government of India in 1984 while the event was first celebrated in 1985. The main aim behind this is to make sure that the students across the country can be encouraged to learn about the life, the ideas and philosophy of Swami Vivekananda and apply them in their lives.

After that Mr. K. Aruna Senthil Kumar, AP – Mechanical Engineering during his felicitation address emphasised the role of every citizen in saving our country.

In 2021, we are observing 158th birth anniversary of Swami Vivekananda (12 January 1863). The theme for National Youth Day 2021 is 'Channelizing Youth Power for Nation Building'.

Programme Officer Mr. G. Sundararajan during his presidential address delivered the following matters:

The day marks the birth anniversary of the social reformer, great thinker and philosopher, Swami Vivekananda. National Youth Day is observed to honour the ideals and thoughts of Swamiji Vivekananda who had tremendous faith in youth.

"YUVAAH - Utsah Naye Bharat Ka" was the theme of National Youth Day, 2021. The anniversary of the birth of Swami Vivekananda is celebrated in India every year on 12 January. It is a day to educate people to behave properly in the world.

At the end, Final Year Civil Student Mr. Naveen kumar delivered the vote of thanks and the function was successfully completed.

NSS unit of NPR College of Engineering & Technology conducted a road safety awareness Programme & Rally in Mulaiyur on 21.12.2020. The Chief Guest Mr.A.Mangabagan, Ex. Vice President, Mulaiyur Village addressed about the importance of wearing helmets while driving two wheelers. He was advised to wear an authentic ISI mark helmet. Road Safety in today's context is the most significant issue which relates to the safety of public on road. Millions of lives are lost annually throughout the world due to road accidents, resulting in huge loss of finance and resources for individuals as well as for the nation. Every year governments throughout the world spend billions on the treatment and welfare of accident victims and their rescue, if they are lucky enough to make it alive.
