### Women Development Cell Guest Lecture on Health and Hygiene

Resource Person : Prof.S.Annalakshmi, Principal,  
NPR Nursing and Research Institute, Natham, Dindigul

Venue : NPRGI Auditorium

No. of Participants : 109

The women development cell of NPR College of Engineering & Technology conducted the guest lecture on Health and Hygiene for girls' students at NPRGI Auditorium on 12.10.2023.

Ms. K.Dharshanapriya of IV Year CSE delivered the welcome address.

Ms.P.Keerthika of III Year EEE delivered the chief Guest introduction.

The program was graced by Principal Dr. B. Maruthu Kannan, who, in his speech, emphasized the value of this initiative and inspired the students to actively prepare for their placement opportunities.

The institution organized a Guest Lecture on Health and Hygiene, delivered by Prof. S. Annalakshmi, Principal of NPR Nursing and Research Institute, Natham, Dindigul. The session aimed to educate participants on the significance of maintaining good health and hygiene practices in daily life. Prof. Annalakshmi shared valuable insights and practical advice, fostering awareness among the audience about adopting healthier habits for overall well-being. The program was highly informative and well-received by attendees.

She interacted with the students and clarified their doubts. Finally the students gave a valuable feedback of this programme.

Ms.C.Nachammai, of III Year ECE delivered the vote of thanks and the programme was completed with the National Anthem.

#### Webinar on “My Story– Motivational Session by Successful Startup Founder”

#### Summary Report

Intellectual Property Rights Cell (IPR) of NPR College of Engineering & Technology organised Webinar on “My Story - Motivational Session by Successful Startup Founder” on 29.10.2023 through Virtual mode. Ms.Saranya Suthandra Pandian, Founder and Director of Next – Gen Sprouted health mix, Dindigul was the resource person. Webinar was started at 10.00 A.M. Ms.Geethanjali of IV year CSE delivered the welcome address.

Principal Dr. B.Maruthu Kannan, gave the felicitation address. After that, resource person Ms.Saranya Sundara Pandian during her keynote address, shared her ideas on how to break the barriers in getting patent. She added her points on problem faced by working women. She gave the clarity in the aspects of how to start the new business and to overcome the challenges of new start up. Also, she explained about the ways for getting financial support from government and methods to protect our ideas.

78 students and 53 faculty members from various departments attended this program. Few participants shared their ideas on start up, raised questions; the resource person answered all the questions and clarified the doubts. Mr.N.Tharun of IV year EEE proposed the vote of thanks. E-Certificates were sent through E-mail.

#### Outcome of the Program:

1. **The ways** and means to file the patent to protect the inventions and innovative ideas were clarified.
2. **The do's and dont's** while starting the business were detailed.
3. **Awareness** on getting financial assistance was created.

#### Summary Report

Women Development Cell of NPR College of Engineering & Technology organized a "Cyber Crime Awareness programme" on 20.02.2024. The students of NPR College of Engineering & Technology, from all the departments participated in the programme.

Ms. S. Harini, IV Year-ECE, delivered the welcome address.

Ms. S. Yazhini student of IV Year-Civil, introduced the chief guest.

The chief guest was honoured by Mrs V. Sujitha, AP-CSE with the shawl and memento.

During the chief guest address, Mrs. B. Guna Sundari, Inspector of Police at the Cyber Crime Wing in Dindigul, urged the students to cultivate self-confidence as a means to achieve their aspirations. She emphasized the importance of robust, unique passwords and regular updates to safeguard online accounts. She provided practical advice on protecting personal information on digital platforms, securing devices such as smartphones and computers, and adhering to safe online practices. She also advocated for the use of two-factor authentication and educated participants on reporting cybercrimes to relevant authorities, ensuring a proactive approach to cybersecurity education and awareness.

Ms. S. Durga - student of III Year-ECE delivered the vote of thanks.

#### **Outcome:**

The Session was useful to the students so that they learnt about protecting themselves and their communities from cyber threats.

**Relevance to POs:** PO6, PO12

The function started with a prayer song. Our principal Dr.B.Maruthu Kannan, facilitated the function with his inspiring words and appreciated all the participants who have actively engaged in the program. He concludes this program; let us carry forward the knowledge and awareness gained here to create a culture of respect and equality.

The Chief Guest educated the employees/students about their rights and responsibilities under the POSH Act. The program aimed to create a safer and more respectful workplace/learning environment. The program included sessions on understanding sexual harassment, the legal framework of the POSH Act, complaint filing procedures, and preventive measures. Real-life case studies were also discussed to illustrate different scenarios.

The program included interactive sessions where participants asked questions and seek clarifications. Feedback from participants was positive, indicating a better understanding of sexual harassment issues and the importance of a safe work/learning environment. Totally 306 students participated in this programme. Finally the session came to an end with National Anthem.

### Webinar on 'AI for Healthcare Applications'

#### Summary

Guest Speaker Details	Mr. K. Balaganesh, Lead-Software Quality Testing, Humana, The USA.
Number of Students Participants	98

The Department of Electronics & Communication Engineering Association "ECHELON" and IETE Students' Forum jointly organized a Webinar on 'AI for Healthcare Applications' on 29.03.2024 through Google Meet.

Mr. A.Janagan of II-year ECE delivered the welcome address.

Ms.M.J.Dhaarini, IV-year ECE introduced the Guest Speaker.

During the felicitation address, Dr.B.Maruthu Kannan, Principal explained the importance of this webinar and also encouraged the students to gain more knowledge in their core subjects.

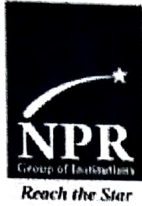

Guest Speaker explained about the way of employing hospital facilities in India and USA and discussed about the importance of Artificial Intelligence (AI) in medical field. He also elucidated that AI has the potential to revolutionize healthcare by improving patient outcomes, enhancing efficiency, reducing costs, and enabling more personalized and proactive approaches to medicine. However, it also poses challenges related to data privacy, regulatory compliance, and ethical considerations, which need to be carefully addressed to realize its full potential in healthcare applications.

During the questionnaire session the students asked about the ways to develop their knowledge in AI to get placement in the core companies. Also, they gave valuable feedback about this programme. All the students submitted their feedback using the link.

Ms. R.Maheshwari, IV-year ECE proposed the vote of thanks.

#### Outcome:

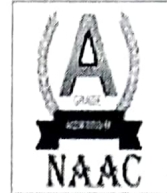

The session was useful for the students to enrich their technical knowledge in recent trends in Artificial Intelligence for Healthcare Applications.
