INNOVATION CLUB

National Innovation Day Celebration and Inauguration of Innovation Club SUMMARY REPORT

The Innovation Club of NPR College of Engineering & Technology organized a 'National Innovation Day Celebration and Inauguration of Innovation Club' programme on 1st November 2023 for our students. In this program, overall 535 students attended from all departments and 89 students participated in the poster designing competition.

The Inauguration function was started with the prayer song and followed by lamp lighting ceremony. Ms. S. Nafeela Nasrin, IV year CSE delivered the welcome address. Innovation club logo was designed by our IV year CSE student Mr. T. Jeron Robinson, it was revealed at the initial stage of the programme.

Dr. B. Maruthu Kannan, Principal in his presidential address, motivated the students to do real time projects and enlisted the various schemes available to get funds for our projects. He explained about the types of club activities and membership details of Innovation club.

Dr. A. Gopi Saminathan, Academic Director In-Charge felicitated the gathering and shared his knowledge about the various MSME schemes and ideas to our students.

The prelude of Innovation club was delivered by Mrs. C. Kalpana, HoD i/c - Information Technology. During her address, she explained the purpose of Innovation club and projects proposals submitted by our college faculty members and students through MSME & SIH schemes in the previous years.

Finally, prizes were given to those who secured I, II & III prizes in the poster designing competition. Participation certificates were distributed to all the participants.

Mr. M. Gokul of III Year Mechanical Engineering delivered the vote of thanks and the function came to end with National Anthem.

Report Summary on Industrial Automation Training

Date & Time : 03.11.2023 & 04.11.2023 & 10.00 a.m.

Resource Person : Mr.S.Jayaseelan

No. of Participants : Faculty: 02 Students: 36

The session started with the prayer song. Ms. K.Monika of IV-year EEE hosted the programme Mr.N.Tharun of IV-year EEE delivered the welcome address. Dr. B.Maruthu kannan, Principal delivered the felicitation address. He briefly explained the importance of training and felicitated the participants. Ms.R.Brintha of IV-year EEE gave a brief introduction about the Guest. Mr.S.Jayaseelan elaborated about the Industrial Automation and the skills that need to be develop prototype. He also highlighted the points for job opportunities in the field of automation. Ms. S.Laara Dolly of III-year EEE, delivered the vote of thanks. The function came to an end with National Anthem. 36 students attended this programme and they gathered informations on how to automate and operate various devices using PLC.

Finally, Ms.S.Laara Dolly of III-year EEE, proposed the vote of thanks and the session ended with National Anthem.

OUTCOME:

- Students gathered ideas on how to handle PLC and HMI hardwares.
- Students gained knowledge to write PLC program by their own
- Students gained knowledge to apply the PLC concept in electrical engineering.

Through Proper channel,

Respected Sir,

Sub - Requesting Permission to conduct 36 hours NPR Hackathon
2023- Reg.

We proposed to conduct 36 hours NPR Hackathon
2023 on 22.12.2023 and 23.12.2023. Due to the
unavailability of the guest, we have changed the Resource
Person Mr. S. Panerselvam, Managing Trustee of Madurai
Agricultural Market Committee for the Inaugural function
and Dr. A. Samuel Raja, Visiting Professor, Madras Institute
of Technology, Chennai.

Kindly give Remuneration 8000 for two (23000 + 5000 for each)
Resource person. Also give mobile, laptop permission for access (porting students).
I request you to consider the above said

matters and to grant permission for conducting
the program;

Date: 20/12/2023

Place: Natham.

Requisements Needed:

- i) Pastor
- ii) 30 Tables for 30 Teams & 120 chairs
- iii) Electricity and Extension Box - 30 teams
- iv) Net Facility
- v) Participant Certificates - 120 (approximately)
- vi) Winner - 1 shield
Runner - 2 shields
- vii) Note pad & Pen - 120

Outcomes

The students should be able to explore Creative ideas and Solutions to the Hackathon Themes, potentially Contributing to technological advancements and addressing real world problems.

Vision

To foster a Community of Creative thinkers and problem Solvers who are passionate about making a positive impact on the world.

Mission

- + To educate Students about principles of Innovation and Design Thinking.
- + To emphasize Curiosity and Creativity in Driving Innovation
- + To build a Community of Innovators.
- + To Celebrate innovation and Recognize achievements
- + To contribute broader innovation ecosystem.
- + To cultivate a Culture of Entrepreneurship.

CIRCULAR

This is to inform you that, on behalf of the Innovation Club, our college is excited to announce its upcoming **36-hour NPR Hackathon 2023**, an event designed to bring together creative minds, passionate developers, and innovative thinkers to contest real-world challenges and develop groundbreaking solutions. Interested students from all years are informed to participate in this event to be conducted on **22.12.2023 and 23.12.2023**.

The Themes and Guidelines of the Hackathon are listed below.

Themes:

- Smart Automation
- Generative AI
- Robotics and Drones
- E – Vehicle

Guidelines of Hackathon:

1. Teams may have a maximum of 4 members.
2. Teams are also encouraged to think out of the box and provide creative solutions to themes
3. Project Output demonstration is Mandatory either in software/hardware.
4. Adding new features to existing projects is allowed.
5. Judges will only consider new functionality introduced or new features added during the hackathon in determining the winners.
8. The last date to register is 20.12.2023.

Responsibilities Held:

- ✓ Design Courses for B.E Mechanical / Automobile Engineering
- ✓ Prepare and Deliver lectures and conduct laboratory classes
- ✓ Provide project research guidance
- ✓ Conduct and evaluate seminars and assignments
- ✓ Organize Faculty Development Programmes
- ✓ Coordinate short term certificate courses for students
- ✓ To guide students in professional club activities
- ✓ Submit proposals for funded projects

Credentials Summary

- Earned 25 years of professional experience in teaching at college and university level and have acquired international exposure with other cultures and work environments.
- Designed many undergraduate courses such as Computer Aided Engineering Graphics, Thermodynamics & Thermal Engineering, Vehicle Design Engineering, Vehicle Dynamics, Motorcycle Dynamics and I.C. Engine Design.
- Publications: 6 International journal papers, 4 conference papers, 1 book and 2 patents.
- Proposed and fetched a grant of 10 lakhs under AICTE MODROBS scheme for setting up “Two Wheeler Testing Laboratory” with two wheeler, chassis dynamometer to test the two-wheeler, engine dynamometer to test two wheeler engine and exhaust gas analyzer.
- Guided students in design and fabrication of All Terrain Vehicle (SAE BAJA), Go- Kart, Bi-cycle (SAE BDC) and Effi-cycle. Achievements include overall national level championships in Go-Kart Design challenge (2020), SAE Bi-cycle Design Challenge (SAE BDC 2021) and overall second position in Mega ATV championship in 2018.
- Assisted in setting-up Product Engineering Lab (with required hardware and software) at T S Srinivasan Centre for Automotive Research (TSS CAR) in Thiagarajar College of Engineering, Madurai.

Summary

The Innovation Club of NPR College of Engineering & Technology organized a **"36 Hours NPR Hackathon 2023"** for engineering students on **December 22 and 23, 2023**. **Ms. S. Maha Varshini of I-year ECE** welcomed the gathering. The principal, **Dr. B. Maruthu Kannan**, gave the felicitation address. Chief Guest Address given by **Mr. G. Paneer Selvam, Managing Trustee, Madurai Agriculture Market Committee**, in his speech, he emphasized the possibilities for students to become entrepreneurs, and he motivated the students to think innovatively and transform ideas into products. The innovation club in charge, **Mrs. C. Kalpana, HoD i/c Information Technology**, declared the election results for the president, vice president, secretary, and treasurer, as well as the club's officers and various event and committee chairs for the innovation club, after the tea break. **Session-I**, Business Incubation/EDC, was given by Dr. B. Velmurugan, HoD, MBA. Following that **session-II**, design thinking was carried out by Mr. T. Balasubramani, AP- Mechanical. And **Session III**, Ideation and the Six-Hat Method Creative thinking was given by Dr. B. Maruthu Kannan, principal.

On the second day, working on software or hardware (prototyping) was carried out by Hackathon participants in the project hall with the **guidance of Innovation Ambassadors**, and screening members scrutinized the participant teams along with Chief Guest **Dr. A. Samuel Raja, Visiting Professor, Madras Institute of Technology, Chennai**. The valedictory ceremony started at 2.30 p.m. In his Chief Guest Address, **Dr. A. Samuel Raja** said that innovation and creativity are fundamental to all academic disciplines and educational activities, and he gave mementos and certificates for prize winners. The program was concluded with a vote of thanks by **Ms. A. Jeeva Rexline**, second-year Electronics and Communication Engineering, and ended with the National Anthem.

Introduction:

Dr. P. Shanmugavadivu stands out as a distinguished individual who has played a pivotal role in shaping the realms of teaching, innovation, and research. Organized with a robust academic background, he is a forward-thinking professional dedicated to thrusting the evolution of innovative products through rigorous research. Her career path underscores a commitment to excellence, showcasing a profound passion for advancing technology and research. With over 32 years of extensive experience, Dr. P. Shanmugavadivu is highly skilled, exceptionally talented, and well-qualified, excelling in various facets such as teaching, research, administration, and the effective management of college activities. She has Recognized Research Supervisor of Anna University.

Professional Background:

Position: Professor.

Focus Area: Data Science

Research Work: Dr. P. Shanmugavadivu, has actively engaged in research work broadly covering the domains in Medical Image Analysis. Her research work deals object recognition, parallel computing, healthcare and data analytics, software engineering, content based image retrieval. And also, improve efficiency, reduce environmental impact, and meet evolving market demands.

Expertise:

- Medical Image Analysis
- Parallel Computing
- Object recognition
- Healthcare and data analytics
- Innovation activities

Summary Report

Innovation Club of NPR College of Engineering & Technology organized an insightful seminar, delving into the heart of engineering - innovation. The event, titled Innovation Bootcamp “Technical talk on Innovation and Recent Technologies” proved to be a resounding success as it brought together a diverse audience of budding engineers, seasoned professionals, and innovation enthusiasts.

Overview:

The seminar, held on 20.03.2024 at NPRGI Indoor Auditorium, unfolded as a dynamic exploration of the multifaceted role innovation plays in shaping the landscape of engineering. The webinar was started at 11.00 AM Mr.M.Gopalakrishnan of I-year ECE, delivered the welcome address. Principal Dr. B.Maruthu Kannan, gave the felicitation address. Dr.P.Shanmugavadivu, Was Discussed the following keynote,

Key Highlights:

- **Case Studies about Tesla**

Renowned speaker Dr. P. Shanmugavadivu, set the tone for the day with a captivating keynote address. His insights into the evolving nature of innovation in engineering resonated with the students, sparking curiosity and inspiration.

- **Rich Content and Relevance:**

The seminar covered a spectrum of topics, ranging from current innovation trends in engineering to the importance of cross-disciplinary collaboration. Participants praised the relevance and depth of the content, applauding the organizers for a well-curated program.

- **Engaging Technical Sessions:**

Technical sessions featured case studies highlighting successful engineering innovations, providing attendees with practical insights. The interactive nature of these sessions fostered an environment conducive to learning and knowledge sharing.

- **Interactive Q&A and Idea Sharing:**

The seminar incorporated interactive elements, including Q&A sessions and open-floor idea sharing. Attendees seized the opportunity to engage with speakers, further enriching their understanding of the subject matter.

168 students and Innovation Club members from various departments attended this webinar. Few participants shared their views on research ideas and raised questions; the resource person answered all the questions and clarified the doubts. Mr. C.Vishnu Balaji of II year IT proposed the vote of thanks.

In conclusion, the Innovation Bootcamp "Technical talk on Innovation and Recent Technologies" seminar stands as a testament to the power of collective exploration and learning within our vibrant innovation community. As we continue to push the boundaries of engineering through innovation, the Innovation Club remains dedicated to fostering a culture of creativity and ingenuity

Outcome of the Program:

1. Participants gained a profound understanding of how innovation serves as a fundamental driver in the field of engineering.
2. Technical sessions and case studies provided practical insights, enriching participants' knowledge base in the realm of engineering innovation.
3. The participants motivated, with a commitment to actively engage in discussions, share insights, and drive innovation within their respective spheres.
4. The success of the seminar has laid the foundation for future initiatives within the Innovation Club, encouraging exploration of new avenues for knowledge dissemination and collaborative projects.
