Failed in GE8151 as she could not remember the coding steps in Unit test II

Not able to attend the Unit test II for CY8151 & GE8152 due to illness

Write the coding steps as mind map near each example in the subject note.

Advised to take good care of health and avoid taking leave as it will affect her internal mark.

08.10.19

No issues raised by the student.

She was encouraged to maintain the attendance % as in sept. month and also the unit test marks.

Now she has better remember of coding in python sub after using mind maps.

She was motivated to get good grade above B+, by maintaining a hints, important formula and the procedure in a separate note and revise whenever possible.
