NATIONAL SCIENCE DAY

SUMMARY REPORT

Our institution Organized National Science Day on 24.02.2021. The inauguration function was started at 10 a.m. in the NPRCET Auditorium. The principal Dr.Sundararajan and the Chief Guest Mr. M. Sivakumar graced the inaugural session.

Ms.P.Sujitha, II-CSE, welcomed the gathering. Mr.S. Prabakaran, IV-EEE introduced the Chief Guest.

Dr.Sundararajan, Principal felicitated the function with his inspiring words. Mr. M. Sivakumar during his address shared a lot of information regarding National Science Day.

During the valedictory session, mementoes were distributed to the Chief Guest by the principal. Then Mr.M. Dhinesh, II-ECE, delivered the vote of thanks.

72nd Republic Day

SUMMARY REPORT

Like every year, this year, also all the students and faculty members of our College had organized a grand program on the occasion of this Republic Day. Everyone was feeling very happy that day because it was a matter of great pride for all of us because on 26 January 2021 the constitution of India came into force and our country, India became a republic.

The program started with prayer at 10 a.m. After that, parade and flag hoisting took place on the college grounds as usual. Dr.J.Sundarajan, Principal of our college felicitated the function with his inspiring words. The Chief Administrative Officer of our Institution hoisted the national flag and gave a motivational speech on the topic "Youth Power". This was followed by some speeches on patriotism and singing the national anthem and distribution of sweets. All the faculty members and 70 students are participated in the function.

Report:

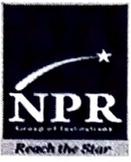

The webinar on "The Challenge in Career Planning – The Future of Jobs" started at 10.30 am on 15th September 2020 that was attended by nearly 300 students. Engineer's Day in India is celebrated every year on September 15 by the Engineer Community. The Engineer's Day in India is celebrated to appreciate the contributions and to pay tribute to Bharat Ratna winner Mokshagundam Visvesvaraya who was one of the greatest Indian Engineers (popularly known as Sir MV). He is held in high regard as a prominent engineer in India. The chief guest gave a brief overview about the power of perseverance in developing a career. The guest also helped the students to find their job, maintain their career, negotiate an appropriate salary, understand ethical considerations in the workplace and learn about other career building strategies through this webinar.

Report:

The webinar on the theme “Ecosystem Restoration” was attended by over 120 participants. The chief guest gave a brief overview about the webinar and shared a few words. He elaborated why Ecosystem Restoration has been used as the theme of World Environment Day 2021. He highlighted how ecosystem loss will result in an irreversible change that even government bodies won't be able to restore. Therefore, we should take individual actions to stop such a calamity to happen. Our campus was designed in an environmentally friendly way with zero discharge, rainwater harvesting, sewage treatment, and groundwater recharge in mind. Such effort should inspire the students to develop more environmentally friendly ways to explore more of such methods.
