INSTITUTION S INNOVATION COUNCIL

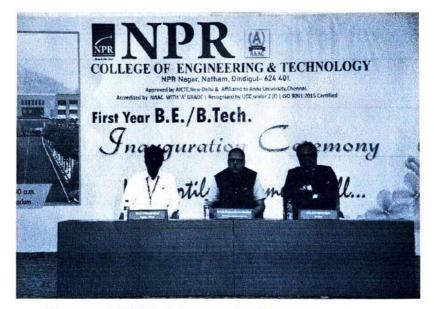

#### **REPORT ON STUDENTS' INDUCTION PROGRAMME**

#### (14.11.2022-25.11.2022)

NPR College of Engineering & Technology, Natham conducted Students' Induction Programme from 14.11.2022 to 25.11.2022. The purpose of the Student Induction Program is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them to build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.

#### DAY 1 (14.11.2022)

First year B.E / B.Tech Inauguration Ceremony was conducted on 14.11.2022 at NPR College of Engineering & Technology, Natham. Mr.A.Jayaprakash Gandhi, Career Consultant and Analyst was the Chief Guest of the Inauguration Ceremony. The Chief Guest in his address to the students stressed the importance of updating the latest technology as it will immensely help them to be placed with lucrative package while attending the interview. He motivated the students by explaining the role of engineers in the modern society.

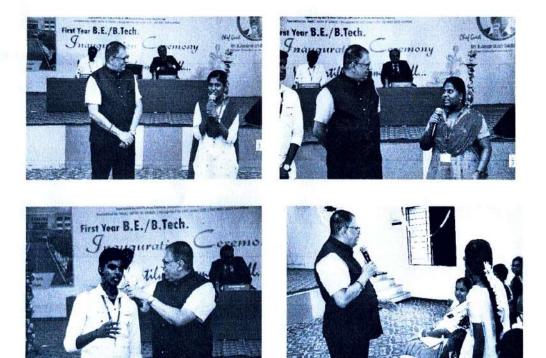

First year B.E / B.Tech Inauguration Ceremony

Address by the Chief Guest Mr. A.Jayaprakash Gandhi

Students' Interaction session with the Chief Guest

#### DAY 2 (15.11.2022)

#### 9:00 a.m -10:30 a.m

The respective class in charges briefed the roles and responsibilities of the students of NPR College of Engineering & Technology.

#### 11:00 a.m -12:30 p.m

Dr. A.Pandikumar, Scientist (Functional Materials Division), CSIR – Central Electro- Chemical Research Institute, Karaikudi acted as the Chief Guest and he lectured the students on **Role of Chemistry in Engineering.** The Chief Guest in his address to the students said that the main role of chemical engineers is to design and troubleshoot processes for the production of chemicals, fuels, medicines and food items. He explained the design and function of bio and petrol / diesel cars and electric bikes. He further stated that they are most often employed by large-scale manufacturing plants to maximize productivity and product quality while minimizing costs.

Address by the Chief Guest

#### 1:30 p.m -3:00 p.m

Dr. J.Sundararajan, Principal, explained about our college to the students. He congratulated the students for choosing Engineering as their career. He briefed the number of programmes being offered both at UG and PG levels in the college. He highlighted the infrastructure of the institution and explained the scope of studying in Autonomous college as the institution is expecting UGC expert committee team for autonomous inspection. He further informed the rules and regulations of the institution. He advised the students to refer the college website and motivated them to submit the assignment about our college.

At the end of his speech, he blessed the students to come out with flying colours in all their endeavours.

Address by Dr.J.Sundararajan, Principal, NPRCET

#### 3:00 p.m -4:00 p.m

Dr. S.Srinivasan, Principal, NPR Arts & Science College elaborated the students on the title of *Update yourself.* In his address to the students, he motivated that learning new skills is one of the best ways to become more successful in students' career as upgrading their skills can increase the chances of reaching their career goals. He focused the importance of giving priority to professional development should be a priority as it is a great way for them to stand out from the crowd in today's competitive business world.

Address by Dr.S.Srinivasan, Principal, NPR Arts & Science College

DAY 3 (16.11.2022)

#### 9:00 a.m -9:30 a.m

The respective class incharges took attendance and explained the importance of conducting Students' Induction Programme

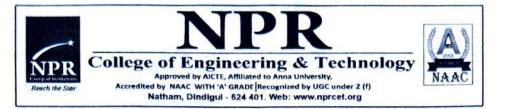

#### 9:45 a.m -10:30 a.m

Dr. T. Saravana Kannan, Professor and Head of the Department of Mechanical Engineering introduced the department and the faculty members and explained the role of Mechanical Engineers. He said that Mechanical engineering is one of the oldest and broadest of the engineering disciplines that apply engineering physics, engineering mathematics and material science principles to design, analyze, manufacture and maintain mechanical systems. He further said that the department has a separate department library for the reference of faculty and students and he added that the department has qualified and dedicated faculty members to guide the students to develop their technical skills.

Address by Dr. T. Saravana Kannan, HoD / MECH

Dr. K.Ramanan, Professor and Head of the Department of Computer Science and Engineering introduced the department and the faculty members and explained the role of Engineers in the field of Computer Science. He said that a Computer Engineer, or Software Engineer, is responsible for designing computer systems, software and hardware applications. He highlighted the achievements of the students of Computer Science and Engineering and he stressed that the duties of engineers include creating various types of

hardware and software like routers, circuit boards or computer programs; testing their designs to correct defects and overseeing computer networks.

Address by Dr. K. Ramanan HoD / CSE

#### 11:00 a.m -12:30 p.m

Dr. R.Srinivasan, Assistant Professor, Department of Ancient Science, Tamil University, Thanjavur acted as the Chief Guest and he elaborated about the need of *Mathematics for Engineers.* 

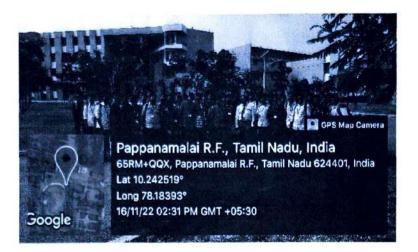

Address by the Chief Guest Dr. R.Srinivasan

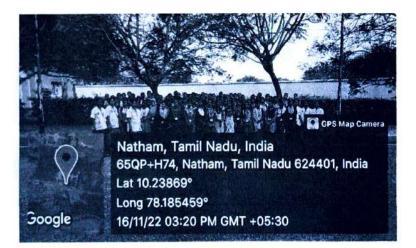

The Chief Guest in his address to the students said that Engineers have to be competent at mathematics as Engineering focuses largely on designing and developing solutions to problems, and engineers often need to perform equations and calculations as part of the process of developing, building and testing the solutions they design. He also advised them to be competent enough in their employability skills.

#### 1:30 p.m -4:00 p.m

After the lunch break, campus tour was organized as a part of Students' Induction Programme and the students were assisted by the staff members to visit the campus.

**Campus Tour** 

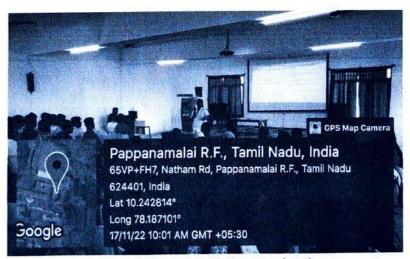

#### DAY 4 (17.11.2022)

#### 9:00 a.m -9:30 a.m

The respective class incharges took attendance and motivated the students to have good interaction with the Chief Guest.

#### 9:45 a.m -10:30 a.m

Dr. A.Hemalatha, Professor and Head of the Department of Civil Engineering introduced the department and the faculty members and explained the role of civil Engineers. In her address to the students, she said that Civil Engineering involves planning, designing, and executing structural works. The profession deals with a wide variety of engineering tasks including designing, supervision, and construction activities of public works like roads, bridges, tunnels, buildings, airports, dams, waterworks, sewage systems, ports, etc., and offers a multitude of challenging career opportunities. She stated that the Department has well experienced, dedicated faculty members with different field of specialization and added that the Department is well equipped with the latest equipment in Survey Lab, Strength of Materials Lab, Hydraulics Lab, Concrete & Highway Engg Lab, CADD lab, Soil Mechanics Lab Environmental Engineering lab, and Advanced Structural Engg Lab.

Address by Dr. A.Hemalatha, HoD / Civil

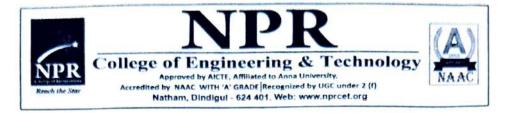

Dr. P.Kanirajan, Professor and Head of the Department of Electrical and Electronics Engineering introduced the department and the faculty members and explained the role of Engineers in the field of electrical and electronic engineering. He said that the course has been designed to provide students a strong foundation in theory as well as practical to equip them with skills that are necessary to grasp and develop new technologies. He further said that the Department imparts training with the best of teaching expertise in fields of Electrical Machines, Power Electronics & Drives, Process Control & Instrumentation and Applied Electronics supported by excellent laboratory infrastructure and exposure to recent trends in the industry, to ensure that the students are molded into competent electrical engineers and worthy citizens of the country.

Address by Dr. P.Kanirajan HoD / EEE

#### 11:00 a.m -12:30 p.m

Dr. Manickam Mahendran, Professor and Head, Department of Physics, Thiyagarajar College of Engineering, Madurai acted as the Chief Guest and he lectured on *Role of Physics in Engineering*. The Chief Guest in his address to the students said that Engineering is largely based on physics and he further informed the students that Physics and Engineering Physics majors are great preparation for almost any career as they teach students how to analyze complex problems and they give students a strong quantitative background that can be applied in any technical field.

Address by the Chief Guest Dr. Manickam Mahendran

#### 1:30 p.m -3:00 p.m

Mr. R.Ananth, Principal, NPR Polytechnic College addressed the students on *Contribution of Engineers for upcoming society.* He said that Engineering provides solutions to a wide range of industries like medicine, space, entertainment, transport, environment etc. Every invention and its functioning depend on engineering in one way or the other. He further said that engineers are the one who apply science and their knowledge into real life that help to improve technology and makes a great contribution to the society to improve our life standard. He stressed the importance of Engineers to develop a city, a state and even a country and he motivated them to contribute their service to the society.

Address by Mr.R.Ananth, Principal, NPR Polytechnic College

#### 3:00 p.m - 4:00p.m

During the session on *Alumni Interaction*, Ms.Saranya, Assistant Professor of EEE, NPR Polytechnic College and Ms.Shanmuga Priya, Assistant Professor of EEE, NPR Polytechnic College shared their experience during their college days at NPRCET. They said how the college moulded them by providing lots of opportunities to exhibit their skills and talents. They advised the students to make use of the opportunities to become a renowned engineer in their future and they wished them to reach the ladder of success.

#### Alumni Interaction

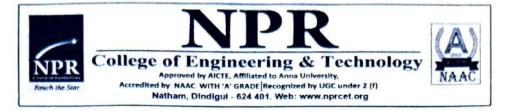

#### DAY 5 (18.11.2022)

#### 9:00 a.m - 9:30 a.m

The respective class incharges took attendance and briefed their roles and responsibilities expected by the institution to make them better engineers.

#### 9:45 a.m - 10:30 a.m

Dr. P.Shanmuga Priya, Associate Professor of English, explained about *Job Interview Skills* to the audience. In her address to the students, she stressed the importance of developing employability skills such as Communication Skills, attitude, leadership traits, Problem solving and decision making, stress and time management as these skills are expected from the candidate while appearing for the job interview. She advised the students to hone their communication skills.

Session on Job Interview Skills

#### 11:00 p.m-12:30 p.m

Mr. U.Vijayanarayanan, Assistant Professor of Mathematics, NPRCET narrated about *Vedic Mathematics* to the students. During his session, he said that Vedic mathematics has many tricks to perform different mathematical operations such as addition, subtraction, multiplication, division, squares, square roots, etc. and he explained how it helps the students to compute the numerical problems in a very little time when compared to the normal mathematics procedures. He taught few short cut methods in solving the problems and the students were given exercises to be solved during the training.

#### 2:00 p.m - 4:00 p.m

Dr. C.Balamurugan, HoD of Chemistry, NPRCET addressed the students on *Chemistry in Everyday life.* In his address to the students, he said that people use lotions, fragrances, talcum powder, and a variety of other cosmetic goods in daily life and stated the fact that all of these items are developed in laboratories by using chemicals for our health and skin. All cosmetic items, from babies to adults, are made up of chemical components. He gave awareness to the students about the role of chemistry in leading one'sdaily life.

Lecture on Chemistry in Everyday life

DAY 6 (21.11.2022)

#### 9:00 a.m - 9:30 a.m

The respective class incharges took attendance and motivated them to make use of the opportunities for public speaking.

#### 9:45 a.m - 10:30 a.m

Dr. R.AnanthBabu, Professor and Head of the Department of English introduced the department and the faculty members and stressed the importance of improving one's communication skills in English. He briefed LSRW skills to the students. He said that English club activities of the college will help the students to incorporate reading, writing, listening, speaking and critical thinking and he stated that English language learning will allow everyone to communicate effectively with people from all over the world.

Address by Dr.R.AnanthBabu, HoD /English

Dr. T.Priya, Professor and Head of the Department of Mathematics introduced the department and the faculty members and stressed the importance of mathematical knowledge and skills as it plays a vital role to problem solving and engineering design tasks. In her address to the students, she said that in Engineering, the interpretation and solution of certain problems require the direct application of mathematical models and she further said that it is often necessary to use elements of statistics, linear algebra, or differential and integral calculus to understand and analyze these mathematical models.

Address by Dr.T.Priya, HoD /Mathematics

11:00 a.m - 12:30 a.m

Dr. R.Baskaran, Additional Controller of Examinations, Anna University, Chennai acted as the Chief Guest and he enriched the students on *Exam Stress Management*. The Chief Guest in his address to the students stressed the importance of mathematical knowledge and reading books as it plays a significant role in enhancing one's knowledge. He explained the examination pattern designed by Anna University, Chennai and shared some of the important strategies to be followed by the students which will help them to appear for the examinations confidently and he clarified the doubts raised by the students and wished everyone to succeed in their career.

Address by the Chief Guest Dr. R.Baskaran

#### 1:30 p.m - 4:00 p.m

Dr. B.Velmurugan, Head of the Department of Management Studies introduced the department activities and the faculty members and he conducted a session on *Activity Based Learning* and a team of MBA students assisted him to conduct various activities for the students which included some games on Communication, Find out the commander and so on. The process of learning took place via playway method.

Activity Based Learning

#### DAY 7 (22.11.2022)

#### 9:30 a.m - 10:00 a.m

Dr. C.Balamurugan, Professor and Head of the Department of Chemistry, NPRCET introduced the department and the faculty members and explained the importance of equipping one's knowledge in Chemistry as it is essential for meeting our basic needs of food, clothing, shelter, health, energy, and clean air, water, and soil.

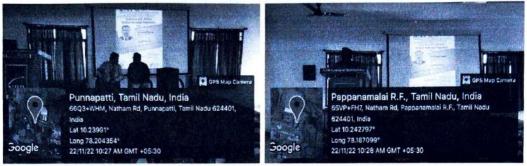

Address by Dr.C.Balamurugan, HoD / Chemistry

#### 10:30 a.m - 11:30 a.m

Dr. Kannan Raman, Zonal Co-ordinator (Zone XV), Anna University, UCE ,Dindigul acted as the Chief Guest and he explained about the importance of *Time Management*. The Chief Guest in his address to the students said that Time management skills help us to reduce stress and prioritise our time and he stressed the importance of time management and he shared his experience of his own effective way of managing time to reap many laurels in his career and he motivated the students. He focused the benefits of good time management that includes greater productivity, less stress and more opportunities to do things in a better way.

Address by the Chief Guest Dr. Kannan Raman

#### 11:30 a.m-12:30 p.m

Dr. R.AnanthBabu, Professor and Head of the Department of English, NPRCET delivered a lecture on *Communication Skills*. In his address to the students, he outlined the importance of LSRW skills. He said that it is necessary to be strong in English communication skills in order to write technical reports, explain complex ideas and new technologies to people from non-technical backgrounds. He explained the structure and usage of simple present tense and guided the students to frame 'Yes' or 'No' and 'Wh' questions and he conducted activities and encouraged the students to converse in English.

Session on Communication Skills

#### 1:30 p.m - 2:30 p.m

Prof. S.Annalakshmi, Principal of NPR College of Nursing & Research Institute and NPR College of Allied Health Science addressed the students on *Health and Hygiene for daily life*.

In her address to the students, she stressed the importance of leading a healthy life and said that cleanliness is one of the most important elements of good health and it is an important hygiene habit to keep ourself and our surroundings neat and clean. She said that practices that are generally considered proper hygiene include showering or bathing regularly, washing hands regularly and especially before handling food, washing scalp hair, keeping hair short or removing hair, wearing clean clothing, brushing teeth, trimming fingernails and toenails, besides other practices. She stated that personal hygiene plays a vital role in personality development and it is very significant for the person who wishes to be successful in his personal and social life.

Address by Prof. S.Annalakshmi, Principal, NPRNRI & NPRCAHS

#### 2:30 p.m - 3:15 p.m

Mr. K.N.Jothivengatesh, Placement Officer, NPR Group of Institutions addressed the students about the activities of Placement and Training Cell and in his address, he informed the students about the training pedagogy imparted in the institutions which includes

Communication Skills Enhancement at the first year level, Aptitude Crash Course at the second year level, Aptitude Training & Stream Specific Technical Training at the third year level and Mock Interview & Company specific training in the final year. He also briefed the expectations of HR and advised them to concentrate on employability skills from the first year of B.E programme. He furnished the details of the companies associated with NPR Group of Institutions in the process of recruiting the students via on campus drive and he motivated the students to make use of the training session in a usefulway.

Session about Placement & Training Cell

#### 3:15 p.m – 4:00 p.m

Dr. P.ShanmugaPriya, Co-ordinator of NPR IAS Academy addressed the students *About NPR IAS Academy*. In her address to the students, she briefed the details of establishing IAS Academy which includes the Inauguration ceremony, orientation programme, eligibility test and MOU process with National Institute Madurai. She stated that 116 students were selected out of 322 students based on merit for undergoing free training given by the Management. Then, she gave awareness to the students about syllabus and examination pattern of UPSC and TNPSC group 1 she guided the students how to prepare for Preliminary, Mains examination and the strategies to be followed in the personality test. She also shared the interview performance of Pratap, IAS who hailed from Virudhunagar and she advised the students to enhance their leadership and administrative skills and blessed all the

students to add feathers to the cap of the institution by becoming IAS and IPS officials in their future.

Session about NPR IAS Academy

#### DAY 8 (23.11.2022)

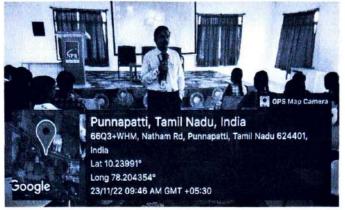

#### 9:00 a.m - 9:30 a.m

The respective class incharges took attendance and motivated the students to take down notes during the induction programme .

#### 9:45 a.m - 10:30 a.m

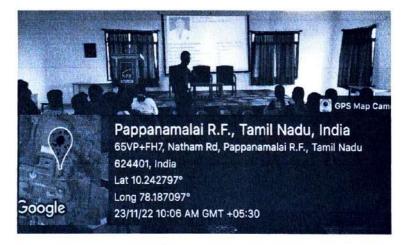

Dr. A.Gopisaminathan, Professor and Head of the Department of Electronics and Communication Engineering introduced the department and the faculty members and explained the role of Engineers in the field of Electronics and Communication Engineering. In his address to the students, he said that there is a great deal of growth in the field of electronics and communication engineering as there is so many new products that come out every year. He further informed the students that ECE branch is one of the highest emergent fields of engineering courses as it involves the broadcast of information across the channel.

Address by Dr. A. Gopi Saminathan, HoD / ECE

Dr. P.Satheesh Kumar, HoD of Physics, NPRCET introduced the department and the faculty members. In his address to the students, he said that Engineering Physics requires great preparation for almost any branch of B.E as the students learn how to analyze complex problems and as a result, students will have strong quantitative background that can be applied in any technical field.

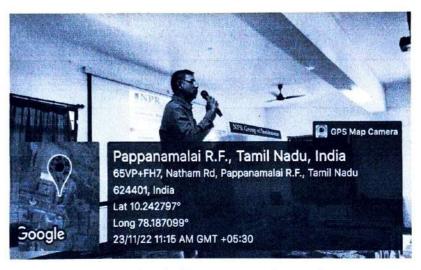

Address by Dr. P.Satheesh Kumar, HoD /Physics

#### 11:00 a.m - 12:30 p.m

Dr. S.Senbaganathan, Assistant Professor of Commerce, RajaDoraisingam Government Arts College, Sivagangai acted as the Chief Guest and he addressed the students on *Career* 

*Guidance*. In his address to the students, he said that engineering ranks as the number one profession in terms of happiness as Engineers' happiness is related to creativity in the modern society. He advised the students to respect their parents and teachers as they play a significant role in nurturing their career throughout their life. He advised the students to accept the seminar sessions assigned to them by the teachers as it will be of immense help to build their communication skills and leadership traits. He clarified the doubts raised by the students regarding their career growth.

Address by the Chief Guest Dr. S.Senbaganathan

#### 2:00 p.m - 3:00 p.m

Mr. M.SathyaMoorthy, Director of Physical Education for NPR Group of Institutions in his address to the students said that Physical Education (PE) develops students' competence and confidence to take part in a range of physical activities that become a central part of their lives, both in and out of school and he also added that a high-quality PE curriculum enables all students to enjoy and succeed in many kinds of physical activity. He outlined the importance and activities of sports and games and informed the infrastructure of the college especially for sports and games such as Turf Cricket ground and shared the details of leading international cricket players such as Yuvaraj Singh and Harbandar Singh who played in the college cricket ground during Ranji trophy match. He also added that the college host TNPL

Cricketmatch every year. He encouraged the students to take part in sports and games to bring laurels to the college by representing Anna University, Chennai.

Address by Mr. M.SathyaMoorthy, Director of Physical Education

### 3:00 p.m - 4:00 p.m

Dr. C.Balamurugan, NSS Programme Officer addressed the students about **NSS Activities**. In his address to the students, he said that National Service Scheme (NSS) was introduced in 1969 with the primary objective of developing the personality and character of the student youth through voluntary community service and he also added that 'Education through Service' is the purpose of NSS. He briefed the benefits of joining NSS as NSS certificate is necessary to apply for various government posts. He narrated the activities carried out by the NSS students of NPRCET and he further motivated the students to join NSS as the activities enable the students to become confident, develop leadership skills and learn about different people from different walks of life.

# DAY 9 (24.11.2022)

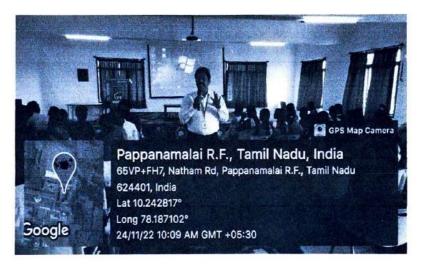

#### 9:00 a.m - 9:30 a.m

The respective class incharges took attendance and motivated the students to take down notes during the induction programme.

#### 9:45 a.m- 10:30 a.m

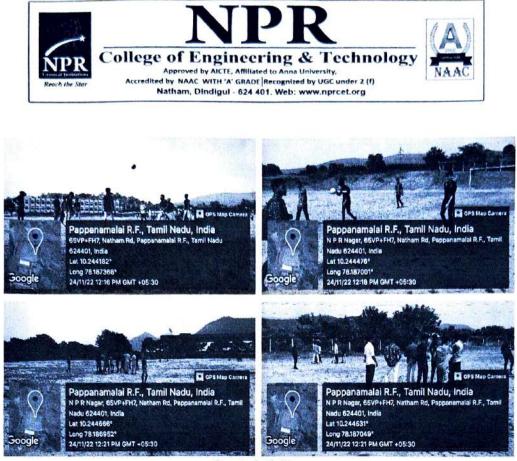

Mr. P.Chinnakalai, Registrar (Admin), NPR Group of Institutions addressed the students on *Personality Development*. In his address to the students, he narrated the function of Anna University, Chennai and he also gave awareness about Ministry of Human Resource Development. He stressed the importance of Communication skills, attitude, Time management and positive thinking and he motivated the students to work very hard during their college days to lead a comfortable life in future.

Address by Mr. P.Chinnakalai, Registrar(Admin)

#### 11:00 a.m - 4:00 p.m

All the first year students were taken to the playground and they were given the opportunity to play for the entire day along with their friends as it helps to build team work, leadership skills and to lead a hale and healthy life. Besides the directors of Physical Education, the students were assisted by the staff members to safeguard them while playing.

**Sports Activities** 

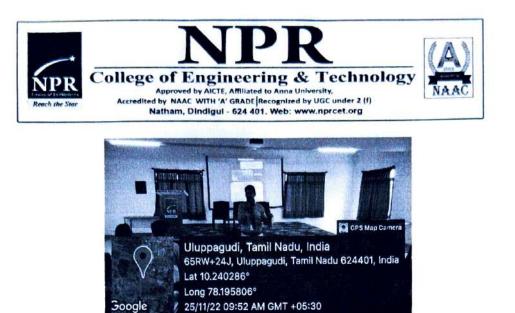

#### DAY 10 (25.11.2022)

#### 9:00 a.m - 9:30 a.m

The respective class incharges took attendance and briefed the importance of listening to the lectures of the resource persons and advised the students to take down notes during the induction programme.

#### 9:45 a.m - 10:30 a.m

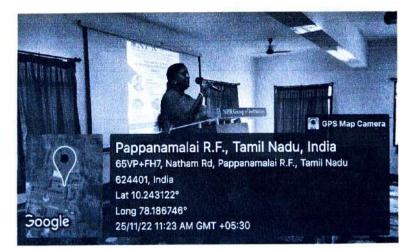

Mr. V.Virumapandi, Librarian,NPRCET addressed the students *about the Library and Information centre* of NPR College of Engineering & technology and stated that its vision is "to satisfy the user community and Digital knowledge management". He informed the rules and regulations of the college library and he projected facilities and services of the library such as digital library, IEEE journal access, delnet e journal ,OPAC(On Line Public Access Catalogue), reference and reprographic services. He advised the students to make use of the library hour in a better way to equip their knowledge.

Address by Mr. V.Virumandi, Librarian, NPRCET

#### 11:00 a.m -12:30 a.m

Dr. V.Malathi, Deputy Director, Anna University, Madurai Region, Madurai acted as the Chief Guest and she explained about *Scope of Engineering* to the students. She congratulated all the students for choosing Engineering as their choice. In her address to the students, she said that Engineering offers many job opportunities and prospects in high demand now and in the future. She further said that engineers tend to do better no matter which sector they choose and they also tend to make good managers. She advised the students to focus on their career to lead a comfortable in future and she made everyone understand the importance of attending the classes regularly. She encouraged them by telling that their success in their career will bring respect from the society.

Address by the Chief Guest Dr. V.Malathi

1:30 p.m -2:30 p.m

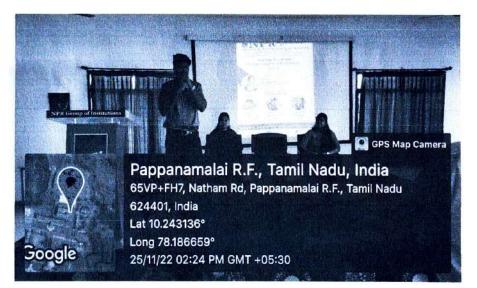

#### **Cultural Activities**

To bring out the latent abilities of the students, cultural programme was organized as a part of Students' Induction Programme. Students actively took part and exhibited their talents such as Singing, dancing, speaking etc.,

2:30 p.m - 4:00 p.m

#### **Alumni Interaction**

The following alumni were invited the resource persons to interact with the first year students.

Alumni Interaction

#### Mr. V.K.ManiBharathi (Batch : 2014 - 2018) B.E (MECH)

Senior Backend Developer TCS – National Stock Exchange Mumbai

> Mr. V.K.ManiBharathi in his address to the students motivated all by sharing his experience both in the college and in the workplace environment. He conducted

brain storming activities to cheer up the energy level of the students. He further informed some of the strategies that he followed to reach to the present position.

#### Ms. R.EvangelinSarojini (Batch :2015 -2019) B.E (ECE)

Data Scientist eNoah I Solutions Chennai

Ms. R.EvangelinSarojiniin her address to the students motivated all by sharing her experience both in the college and in the workplace environment as a Data Scientist. She briefed the scope of doing ECE programme. She shared some of the best moments that she enjoyed during her college days. She stressed the importance of attending conference and symposium as it helps the students to have better exposure in their field.

#### Ms. M.Varsha (Batch : 2017 - 2021) B.E (CSE)

Junior RPA Associate Augusta Hi-tech Soft Solutions Coimbatore

> Ms. M.Varsha in her address to the students motivated all by sharing her experience both in the college and in the workplace environment. She briefed the scope of doing CSE, IT and AIDS at the UG level. She advised the students to pay more attention to the laboratory classes as it plays a significant role in their career. She motivated all by narrating a short story. She explored the scope of learning *Robotic Process Automation* and she advised the students to update the latest technology to survive in the companies.

> All the alumni had good interaction with the first year students and clarified their doubts.

முதலாம் ஆண்டு மின் னணுவியல் மாணவி தாரணி வரவேற்றார். சென்னை அண்ணா பல் கலை கூடுதல் தேர்வு கண் காணிப்பாளர் பாஸ்கரன் பேசினார்.

மாணவர்களின் சந்தே கங்களுக்கும் விளக்கம் அளித்தார்.

பொறியியல் தொழில் நுட்பக் கல்லுாரி முதல் வர் சுந்தர்ராஜன், மாணவர்கள் கலந்து கொண்டனர். மாணவன் கிருத்திக் நன்றி கூறினார்.

# NPR **College of Engineering & Technology** Approved by AICTE, Affiliated to Anna University,

# **DEPARTMENT OF MANAGEMENT STUDIES**

# **Five Days Orientation** Program 2022

Date: 19.09.2022 to 23.09.2022

### About our Institution:

NPR College of Engineering & Technology Accredited by NAAC 'A' Grade with 3.25 CGPA, a premier institution offering Engineering and Management Programs Affiliation to Anna University Chennai. Under Management programs stream we are offering MBA (Two Year Full Time) Program since 2009. The institution was established in 2008 by Titan Educational Trust with an exalted aim of uplifting rural students to excel in the field of Engineering and Technology. It is approved by AICTE and affiliated with Anna University, Chennai. The institution encompasses a lush green environment with lawns and gardens in pristine surroundings conducive to learning. The institution offers 7 Under Graduate courses in Engineering, 2 Postgraduate courses in Engineering as well as Management Studies. Our college is an institutional life member of various professional bodies like ICI, ISTE, IETE, and CSI. Our institution has a Centre of Excellence in CISCO, IIC, Red Hat Academy, Rural Entrepreneurship Development Cell, and the local chapter of NPTEL. The college has a vibrant Placement Cell, Women Development Cell, Industry - Institute Interaction Cell, Internal Quality Assurance Cell, and signed MoUs with leading National and International engineering industries. Being the green campus, our college is honoured with IGEN Award and JAL SAKTHI award for Clean and Smart campus by AICTE in 2019.

The institution has an appealing infrastructure with 7 seminar halls, 1 fully airconditioned seminar hall, 4 drawing halls, a smart classroom in each department, a digital library, a computer center, and 100 Mbps Wi-Fi connectivity available throughout the campus. The institution has well-furnished and sophisticated hostel facilities with an indoor gym separately for boys and girls and a mess providing hygienic food varieties as per the choice of students. The institution has a hygienic mega cafeteria, ATM center, Ambulance facility, medical center, and well-connected transport facility covering nearby districts.

Beyond academics, the institution instils self-discipline among students and motivates them to participate in various club activities, sports, and games, especially cricket. The institution has a turf cricket ground with international standards approved by BCCI where Ranji Trophy, Tamil Nadu Premiere League (TNPL), and many first-class matches are conducted.

### About our Department:

The Department of Management Studies (DOMS) is one of the India's oldest and the most prestigious course, established as early as 2009. The objectives with which this Institute was conceived have not been abandoned; but new ones have been added up over time. Training practicing managers, innovating and professionalizing management in priority sectors and the thought towards globalization have been added. These have profoundly changed the character of DOMS from a multi-dimensional Institute of Management to alter the quality of life itself through excellent management. The purpose of DOMS has been to influence the way organizations are managed in the country. The Institute consequently has developed strong linkages with the practicing world and overtime its faculty members have acquired deep understanding of the issues of major concern for organizations.

The Department of Management Studies offers MBA programs on a 2 year full time basis. The students are provided with an opportunity to specialize in any one of the areas namely Marketing, Human Resource, Finance and System.

# **About Induction Programme**

NPR College of Engineering & Technology, The Department of Management Studies has organized "**5 Days Orientation Programme - 2022**" for the first year students during **19<sup>th</sup> September 2022** to **23<sup>th</sup> September 2022**. The objective of the programme is to formally welcome the newly arrived students NPR family and assist them in starting their academic journey.

The induction programme was brought in with a view to uplift the level of the entrants to an elevated stage, promote all-round development and exposing learners' stigmas to minimize and to maximize their learning. Learners come with diverse thoughts, backgrounds & perceptions. Hence it becomes important to help them adjust to the new environment & inculcate the ethos of the institution with a sense of larger purpose. That is where the lacuna lies which demands a program dynamic enough to address the issue. NPR has organized a One week Orientation programme with an objective to provide ample of time and a platform for the transition of students from under graduate to the Post Graduate. An Orientation programme is a harbinger of various in-campus & off-campus activities specially designed for entrants to fill the gap.

## DAY 1 (19.09.2022) - Session I

NPR College of Engineering & Technology, The Department of Management Studies has organized **"5 Days Orientation Programme - 2022**" for the first year students during **19<sup>th</sup> September 2022** to **23<sup>th</sup> September 2022**. The objective of the programme is to formally welcome the newly arrived students NPR family and assist them in starting their academic journey.

In the First session, starts by 9.30 AM - Association Inauguration & Guest Lecture on "Importance of setting Goals in Life" Dr.S.Senbaganathan, Assistant Professor, Raja Doraisingam Government Arts College, Sivagangai, has briefed the students about the Setting goals in Life. He has encouraged the students that every individual goals help us believe in ourselves & Goals encourage us.

The session was informative which highlighted "Importance of setting Goals in Life" that a student must follow in their life. He expressed his sincere gratitude to NPR College for their support.

He elaborated his experience as a student of NPR which gave him confidence to face the real world outside the campus. He enumerated various tips for facing interviews in corporate world such as Communication Skills, Knowledge beyond the Textbooks, Ability to Lead, Setting goals in life, Positive Approach and Updated with Latest in Technology.

He also emphasized that the importance of personal management, time management, punctuality, dress code as professionals, which all would add up on their reputation and performance evaluation sheets, that most reputable corporate in India are keen upon.

#### DAY 1 (19.09.2022) - Session II

In the 2nd session (Day 1), topic covered Placement Opportunities for MBA by **Mr.K.N.Jothivenkatesh**, **Placement Officer**, **NPR Group of Institutions**, **Natham**. He has highlighted the last year Placement for the Batch 2020-2022. They were 27 Students have placed in Various company like (Reliance Retails Limited, Nouveau Medicament (P) Ltd , Muthoot Finance, HDFC Sales, Aspire Tourism India Pvt Ltd, ILM Institute of Language Management, Bangalore)

Students were interacted and introduced how to set the goal and work towards achieving it.

#### DAY 2 (20.09.2022) - Session I

In the 1st session (Day 2), 'Alumni interaction' by Mr.K.Ashok, Officer Sales, Axis Bank, Villapuram Branch, Madurai (2017 - 2019 Alumni) & Ms.R.Dhanalakshmi, Senior Analyst, Society General Newyork Bank, Chennai (2017 – 2019 Alumni)

The program's aim was to share the proficiency with programming languages which will aid students to improvise their career. She shared her experience and motivated the students towards their goal. She gave many links to search for desired jobs to the student's community and at the end of the session, there was an interactive session with the alumni answering to various queries raised by the students.

## DAY 2 (20.09.2022) - Session II

In the 1<sup>st</sup> session (Day 2), **HR Connect & MoU Ceremony** on "Leadership Walk" by **Mr.B.Santhosh Kumar**, HR Director – Operations , Manisha Soft Solution Pvt Ltd, Chennai

He discussed the topic of listening through fun filled activities to develop the students' confidence level. The students were made to know the importance of communication skills for all types of professions.

NPRCET MBA Orientation Program

It was an enlightening experience and aimed at developing the listening and speaking skills of the students instead of merely providing the theoretical knowledge. Moreover, the lecture was interactive and informative.

#### DAY 2 (20.09.2022) - Session III

**"Talent exhibit by Fresher's"** Session - The new batch showcased their diverse talents and creativity through their introduction and dance performance. Students of batch 2021-2023 conducted the Management games like (logo quiz, Identify the Entrepreneur) for the fresher's.

Entire Session hosted by our II Year MBA Students. Students fully enjoyed this session without hesitation they were participated. The main reason behind organizing these competitions is to nurture the intrinsic qualities of students & remove the fear of stage among students, which helps in personality development too.

The competition included following categories: Group Dance, Group Song, Mad Ads and Storytelling performances.

#### DAY 3 (21.09.2022) - Session I

In the 1<sup>st</sup> session (Day 3), One day Workshop on **'Professional Excellence Strategies'** by Dr.Karuppasamy Ramanathan, Director, School of Management, Sree Saraswathi Thyagarajar college, Pollachi.

In this session students understand the Managing Mind space, Being Adaptable, Listing Your Priority and Task every day, Exploring out of Your Comfort Zone, Behavioral Attributes. It was an enlightening experience and aimed at developing the listening and speaking skills of the students instead of merely providing the theoretical knowledge. Moreover, the lecture was interactive and informative.

The students actively participated in the guest lecture. The session was concluded with an interactive session. The speaker also encouraged an interactive session by sharing his personal experiences and some of his personal challenges.

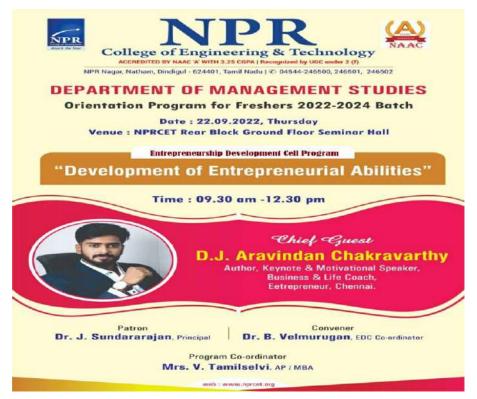

The students were deeply inspired by his words of encouragement and hoped to apply his valuable insights in future.

#### DAY 4 (22.09.2022) - Session I

In the 1<sup>st</sup> session (Day 4), Guest Lecture on **'Development of Entrepreneurial Abilities'** by **Mr.D.J.Aravindan Chakravarthy**, Author, Keynote & Motivational Speaker, Business 7 Life Coach, Entrepreneur, Chennai.

In this session the lecture was interactive and informative. This programme was enjoyed and relished with knowledge sharing and ideas given by the guest speaker. He had made his deliberations to motivate new student to Dream Big and pursue the dream, work hard for it and wait till success. His mantra as stated was to channelize and dedicate oneself to Dream makes success. He shared his personal experiences from student life - a very shy boy hesitant to respond to

NPRCET MBA Orientation Program

teacher and how one day his teacher gave him life lesson – "If you are not doing something wrong, do not hide yourself".

Major focus was given on ways to help the students know about entrepreneurship opportunities in the market and help them to start up their business.

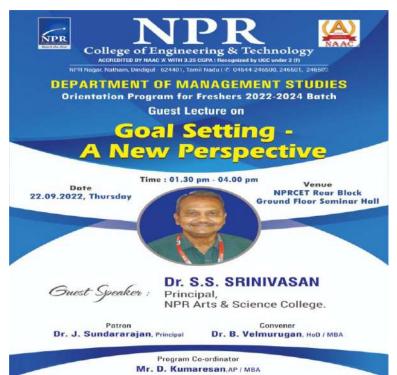

In his interaction, **Mr.D.J.Aravindan Chakravarthy** spoke about the Skills required by a successful Entrepreneur and the desire to improve their world, ability to raise money, relieve stress, to be reproductive, to make entrepreneur friends, ability to spot new trends and to deal with failure. He also mentioned about the various things a person can do to become an Entrepreneur. He further encouraged the students to follow their passion according to their skills.

The students were really inspired and took part in the activities organized by the guest in which they had to come up with their own start up ideas and present it in front of everyone.

#### DAY 4 (22.09.2022) - Session II

In the 2<sup>nd</sup> session (Day 4), Guest Lecture on 'Goal Setting a New Perspective' by **Dr.S.S.Srinivasan, Principal**, NPR Arts & Science college, Natham. This lecture was focused and created with the goal of orienting the final year students with tools for refining their personal and professional excellence in corporate world.

The students actively participated in the guest lecture. The speaker also encouraged an interactive session by sharing his personal experiences and some of his personal challenges. The students were deeply inspired by his words of encouragement and hoped to apply his valuable insights in future.

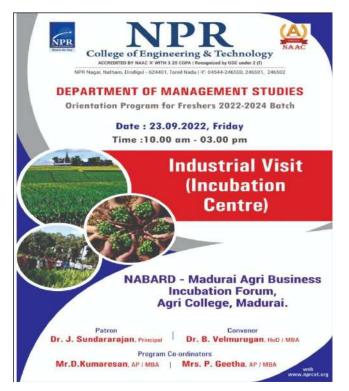

## DAY 5 (23.09.2022) - One day Industrial Visit

Place: NABARD - Madurai Agri Business, Incubation Forum, Agri College, Madurai

With an aim of enhancing team performance through experiential learning, NPR College of Engineering & Technology MBA Department organized an One day Industrial Visit on September 23, 2022 for the MBA Students.

During this visits, the students get an opportunity to experience how professionals live, learn about various management concepts like Just In Time or Lean manufacturing and how they are put into action.

#### CHIEF GUEST PROFILE

**Dr. S. Saravanan**, Founder and Chairman, Gateway to Japan, Japanese Language School & Placement Company, Salem,

Dr. S. Saravanan received Doctorate in Science and Humanities from Anna University, Chennai. He worked in Japan for about 13 years in Japanese University and company. He established contacts with many top ranked Japanese Universities and companies. He was quite instrumental in signing more than 12 MoU's with Japanese companies and Universities. He also has six years of experience in training the students in Japanese language. Arranged Japanese companies from Japan for campus interviews and placed more than 115 students in Japanese companies for a salary of Rs. 21 Lakhs per annum. He is the Founder and Chairman of Gateway to Japan, a Japanese Language School. He encourages the students to learn Japanese language and supporting to get placed in Japan companies with 5-7 times high salary. Currently Gateway to Japan, Japanese Language school is teaching Japanese in 13 top ranked institutes /colleges for around 1130 students.

A detailed report about the programme,

At 10.30 a.m., the Orientation Programme started with Tamil Thazi Valthu. Students from first year IT department performed Master of Ceremony. They took care of on the stage and off the stage anchoring of the programme. Dr. T. Priya, HoD/First Year honored the Chief Guest with a shawl. Dr. S. Saravanan gave a vivid description about the importance of learning Japanese language and the employment opportunities it offered. The participants were very much impressed by his presentation and there were many questions raised by them during interactive session. Students were very curious in knowing about the life style, work culture, eating habits, cost of living and so many other things about Japan and Japanese language. When a question was posed to them as how many are interested in learning Japanese language, almost all the participants raised their hands. Consequently, 342 students out of 356 participants enrolled their names for learning Japanese language.

**ORIENTATION PROGRAMME** (Career Prospects in Learning German Language)

Date & Time Resource Person : 11.01.2023 & 10.30 am.

No. of Participants

**Mrs. C. Vishalatchi** Freelancer Madurai Faculty: 16

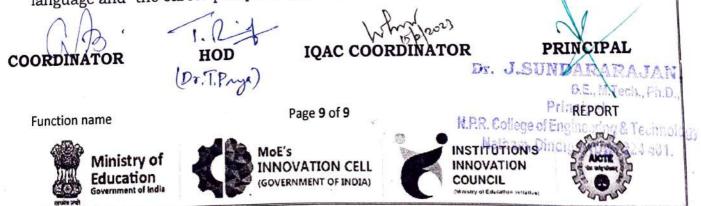

Students: 333

A detailed report about the programme,

:

At 10.30 am., the Orientation Programme commenced with Tamil Thazi Valthu. Mr.C.Vishnu Balaji from first year IT department delivered the welcome address. He was followed by C.Shruthi from AI&DS and she introduced the chief Guest tot the participants. Later on, Mrs. C. Vishalatchi took over the session and oriented the participants regarding career opportunities awaiting students who learn German language. Finally, A.Sudali Muthu of I year B.Tech. IT department proposed vote of thanks.

Dr. T. Priya, HoD/First Year honored the Chief Guest with a shawl. During her presentation, Mrs. C. Visalatchi gave a vivid description about the importance of learning German language and the employment opportunities it offered. Students were very curious in knowing about the life style, work culture, eating habits, cost of living and so many other things about Germany and German language. On the whole, the participants were very well oriented in German language and the career prospects it brought to the learners of it.

#### SUMMARY REPORT

NPR College of Engineering & Technology, Women Development Cell organized a "Breast Cancer Awareness Programme" on 02.09.2022. The students and staff members of NPR College of Engineering & Technology participated in the programme. The programme was started with the prayer song.

Ms.S.Keerthi, student of, III Year, CSE delivered the welcome address.

Ms.M.Subhana, student of II Year, ECE introduced the chief guest. The chief guest was honored by Dr.J.Sundararajan, Principal with the shawl and memento.

Dr.T.Jeyarajasekar, Healthcare Management Consultant, Principal for Hospital Administration College, presided over the function. During the keynote address, he discussed the critical role of comprehensive healthcare systems in breast cancer and he highlighted the following points: access to quality care, from screening to diagnosis, treatment, and survivorship support, and its essential; It's not just about detecting cancer, it's about ensuring that every individual facing this diagnosis receives the care and support they need, regardless of their background or circumstances.

Ms.P.Sujitha student of II Year ,CSE delivered the vote of thanks and the programme was concluded with the national anthem.

#### **Outcomes:**

Students got awareness about breast cancer, its prevalence, risk factors, signs, and symptoms.

The students also learnt about the breast cancer prevention, early detection methods such as self-examinations and mammograms, and available treatment options.

#### **Report for Women's Day Celebration** Summary Report

Women Development Cell of NPR College of Engineering & Technology, celebrated the "International Women's Day" on 08.03.2023. The girl students and female faculty members participated in the programme. The programme was started with the prayer song followed by the light lamping ceremony.

Ms.M.Monika, student of III-Year ,EEE delivered the welcome address.

Ms.P.Sujitha, student of III-Year ,CSE, introduced the chief guest.

The chief guest was honored by Mrs.V.Sujitha, AP/CSE with the shawl and memento.

Dr.M. Ezhilarasi, Public Speaker/orator, Thiruvannanmalai and Mrs.Shyamal Gandhimani,

Founder, The One Percent Extra & Chief Executive Officer, Brains presided over the function.

The chief guest Dr.M. Ezhilarasi during her address emphasized the students to cultivate self-confidence for goal attainment. She stressed the significance of maintaining a positive outlook when facing challenges, empowering young women to embrace resilience and determination in pursuit of their aspirations.

Mrs.Shyamal Gandhimani gave the special address. During the address she shared her journey of overcoming career obstacles, balancing work and family, and breaking stereotypes as a woman. By emphasizing support for other women, personal growth, and empowerment, she inspired others to embrace their strengths and celebrate their achievements on Women's Day.

Ms.M.Subhanu ,student of III-Year ECE, delivered the vote of thanks. The programme was ended with national anthem.

#### Seminar on Advances in Water and Waste Water Engineering

#### Summary Report

Department of Civil Engineering of NPR College of Engineering & Technology organized a seminar on 'Advances in Water and Waste Water Engineering' with Dr.P.Arulmathi on Thursday, 23<sup>rd</sup> September, 2022 in Rear Block first floor seminar hall for all the Civil Engineering students. Mr. S. Subash, final year Civil Engineering delivered the welcome address. Dr.J.Sundararajan, Principal NPR College of Engineering & Technology felicitated the gathering. Ms. S. Sri Lakshmi of III year Civil Engineering introduced the chief guest. Dr. A. Hemalatha, Head, Department of Civil Engineering, NPR College of Engineering & Technology, Natham encouraged the students with her felicitation address.

The Chief Guest Dr. P. Arulmathi, during her session shared her knowledge about the waste water utilities. She encouraged the students to study and utilize the resources well and also gave a brief idea about the jobs in private sector. She explained the students about the projects and gave a detailed explanation about waste water treatments and its types. Totally, 51 students participated in this seminar. Mr. M. Kirthik Ananth, second year Civil Engineering, delivered the vote of thanks. At last, the programme concluded with the National Anthem.

#### OUTCOME:

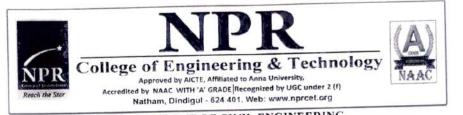

On attending the seminar the students gain knowledge about how the waste water gets treated and also the proper utilization of treated waste water for commercial purpose.

## Seminar on Advances in Water and Waste Water Engineering

#### PRESS REPORT

"Seminar on Advances in Water and Waste Water Engineering' was conducted at NPR College of Engineering and Technology, Natham, Dindigul on 23.09.2022. Mr.S.Subash of IV year Civil Engineering welcomed the Chief guest and resource person Dr.P.Arulmathi, Assistant Professor, Department of Civil Engineering, University College of Engineering, Dindigul along with the Principal of NPRCET Dr. J. Sundararajan and Head of the Department of Civil Engineering Dr. A. Hemalatha. During the chief guest address Dr.P.Arulmathi explained about the Advances in Water and Waste Water Engineering. She also explained the actual industrial processes and the importance of technical knowledge to work in the industries. She insisted the students to have a clear idea of at least the basic technical knowledge in all the core subjects unless otherwise it would not be possible to continue the job further in the work place. Mr. M. Kirthik Ananth of Second year civil engineering delivered the vote of thanks. The programme came to an end with National Anthem.

### MOU SIGNING CEREMONY AND ONE DAY WORKSHOP ON CLOUD COMPUTING REPORT CHIEF GUEST'S PROFILE

Mr. R. Saravana Kumar is the Managing Director & CEO of the Company, graduated with a Master of Engineering (CSE) degree from PSN College of Engineering, Tirunelveli where he specialized in Cloud Computing, Cyber Security, and Blockchain technology. He assisted in managing the company since the takeover. He heads the design, development, implementation, testing, maintenance, and delivery departments of the Company. He has been a Director of the Company since its incorporation and was appointed as Managing Director with effect from June 6, 2016. He completed 2500 + software projects and 500 + Research and Development Projects and 50 + projects in hand. He also trains the latest technologies like Android, Python, JavaScript, REACT, Angular, R language, Blockchain, etc. to college students. He successfully handled 200 + workshops, In-plant Training, and Internship Training in many colleges in south Tamilnadu. He has also actively participated in Social Welfare activities providing Economic and Financial help to poor students for basic as well as higher education and also helps old age and helpless people.

Name	:	R. Saravana kumar
Educational Qualification	:	ME (CSE)
Working Experience	:	11 Years (2 years System Admin & 9 years Software
		Development)
Working Areas in IT	:	Python, Dotnet, MAC, Blackberrry
		React, and AWS
Project Details	:	Cloud Product applications, Web
		Applications, and MVC
Current Status	:	Create and make an Organization
Organization Name	:	Iconix Software Solution, 2. Kailasapuram Middle
		Street, Tirunelveli Jn, Mobile: 9566917879,8667733206
Total Completion Client side Projects	:	2000 Projects

MOU SIGNING CEREMONY AND ONE DAY WORKSHOP ON CLOUD COMPUTING REPORT

#### SUMMARY REPORT

Department of Computer Science and Engineering organized a "MoU Signing Ceremony and one day Workshop on Cloud Computing" on 06.09.2022(Tuesday). The Inaugural function started with prayer song at 9.30 a.m. in NPRCET Seminar Hall. Our Principal Dr.J.Sundararajan, Head of the Department Dr.K.Ramanan and Chief Guest Mr.R.Saravana Kumar graced the inaugural session.

G.Srivaths Karthic, IV Year CSE welcomed the gathering.Ms.K. Мг Dharshanapriya, III Year CSE, introduced the chief guest.

Dr.J.Sundararajan, Principal felicitated the function with his inspiring words by describing the current demand and need in the field of Computer Science and Engineering and advised the students to be expert in any one of the interested domain.

The chief guest clearly explained the concept of Cloud and Virtualization from the scratch to Cloud applications. It was a hands- on- training for our students which induced them to work on cloud platform interestingly. Totally 43 students were benefited by this programme.

During the valedictory session, the students gave their nice feedback about the programme and our Principal honoured the chief guest. Then Mr.N. Siva Subramanian II year CSE delivered the vote of thanks. The session came to an end with National Anthem.

#### Outcome:

AP-(SE

Students were known the advanced concepts of CloudSim, GoogleAppEngine and Hadoop.

#### REPORT

Date & Time	:	28.08.2022 & 3.00 p.m
Resource Person	:	Dr.Lordwin Cecil Prabahar, Associate Professor/ECE, Vel Tech Rangaraj Dr. Sagunthala R&D IST, Chennai.
No. of Participants	:	Faculty: 8 Students: 62

Webinar on Intelligent Engineering Optimization using PYMOO was conducted on 28.09.22 at 3.00 p.m. through Google platform Ms.S.Priyadharsini, Assistant Professor/ ECE has given the Master of Ceremony. Mr.G.Lokesh Kanna III -ECE delivered the welcome address.Dr. J. Sundararajan, Principal of NPR College of Engineering & Technology delivered the felicitation address. He explained the importance of the webinar on Intelligent Engineering Optimization using PYMOO and felicitated the participants. Ms.N.Nalina Shree IV- ECE introduced the chief guest .Our guest speaker Dr.Lordwin Cecil Prabahar explained about the importance and usage of Intelligent Engineering Optimization using PYMOO. It is useful for our students to generate and learn a code in python and also he had given lot of real time examples about optimization and motivated our students to do their project in python which is used in many sectors including the healthcare sector, finance sector, aerospace sector, and banking it help them to become web developer, game developer in their future. Ms.B.Balasubhanu, II ECE proposed the vote of thanks.

#### REPORT

Date & Time	:	19.02.2023 & 11.30 a.m.
Resource Person	:	Mr.R.Ram Prakaash Engineering Manager, Benchmark Broadcast Systems, Cyberjaya, Selangor, Malaysia
No. of Participants	:	Faculty: 20 Students: 102

Webinar on "Importance of Networking in Broadcasting Systems" was conducted on 19.02.23 at 11.30 a.m. through Google platform. Ms.S.Priyadharsini, Assistant Professor, Department of ECE has given the Master of Ceremony. Ms.C.Nachammai, II Year ECE delivered the welcome address.

**Dr.J.Sundararajan**, Principal of NPR College of Engineering & Technology delivered the felicitation address. He explained about the significance of Networking in Communication. **Ms.P.Swathi**, II Year ECE introduced the guest speaker to the participants.

Our guest speaker Mr.R.Ram Prakaash explained in detail about the Networking used in Broadcasting Systems. He briefed about Evolution of Television & Broadcasting, networking, NEWS Production, Television studios, DTT-DTH: Headend and he explained about evolution of transmission standards like signal degradation, limited bandwidth, susceptibility to interference, difficulty in signal processing, and limited resolution. Finally, he concluded his lecture with the career opportunities in Broadcasting industry like Video processing, RF/Transmission Engineer, Network Engineer and Creative area for students from ECE background. The session was ended with the vote of thanks proposed by Mr.M.Sakthi Prasanna, II Year ECE.

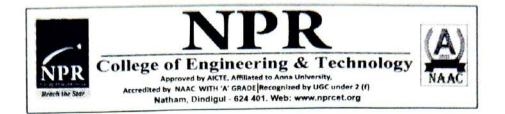

# "IMPORTANCE OF NETWORKING IN BROADCASTING SYSTEMS"

**OUTCOME:** 

This webinar was useful to enrich the knowledge in network techniques, applications of Netwo in Broadcasting Systems and they learnt the scope of careers in broadcasting systems.

## Hands-on training on Entrepreneurship Skills -

## Mobile Debugging and Troubleshooting

## Programme Schedule

### Day 1: (14-02-2023)

#### SESSION: 1 (10.30 a.m. to 12.45 p.m.)

- Basics of Mobile Electronics
- Smart Phone Troubleshooting Block Diagram
- Mobile Accessories
- Innovative applications of Mobile App.

### SESSION: 2 (1.30 p.m. to 4.00 p.m.)

- Finding mobile model
- Use of various Tools & Instruments used in mobile phone repairing
- Assembling & Disassembling
- Testing of various parts with Multimeter
- \* Testing of Mic, Speaker, Ringer, Vibrator, LCD, Antenna using Multimeter
- \* Finding faults and replacing the faulty parts
- Soldering & De-soldering, Jumpering
- \* Touch / Display Replacement
- Two types of mobile testing Continuity Test & Voltage Test
- \* Mic, Speaker, Ringer Troubleshooting Solutions
- Insert SIM / No signal solution
- \* Charging Solution
- IC Replacement
- \* Keypad Problem
- Touch Screen Problem
- Network Problem
- \* Dead Mobile troubleshooting
- All Hardware Problem

(CC pin, BCP pin, SIM tray, Memory tray, Head set pin, All Mobile IC's etc.....).

### Hands-on training on Entrepreneurship Skills -

## Mobile Debugging and Troubleshooting

### Day :2 (15.02.2023)

#### SESSION: 3 (9.00 a.m. to 12.45 p.m.)

- What Is Flashing?
- Flashing Tools
- Flashing Method
- Pattern Lock
- Password Lock
- Hanging
- Logo Hanging
- Auto ON/OFF

#### SESSION: 4 (1.30 p.m. to 3.00 p.m.)

- How to Solder and De-solder a component using Blower?
- Restart
- SIM lock
- Unfortunately Google Chrome / Settings / WhatsApp has Stopped
- Formatting of Virus affected handsets
- Flashing of various brands of handsets
- Unlocking of handset through codes and software.
- Use of Secret Codes.
- SIM tray/Memory tray Replacement
- Charging Connecter pin Replacement
- Battery Connecter and Head Set pin Replacement

Hands-on Training on Entrepreneurship Skills - Mobile Debugging and Troubleshooting was conducted on 14-02-2023 & 15-02-2023 at Department of Electronics and Communication Engineering, NPR College of Engineering & Technology, Natham. The program was inaugurated on 14.02.2023 and the trainers teams gave the detailed presentation about soldering, hardware and software of the mobile phone. On 15.02.2023, after the prayer song, Ms.C.Nachammai, II – ECE delivered the welcome address. Dr. J. Sundararajan, Principal delivered the felicitation address. He addressed the students about the importance of this program which will be helpful to motivate their entrepreneurship skills. Ms.V. Tharani, III – ECE introduced the Chief Guest to the audience.Mr. M.Sakthi Prasanna, II – ECE honored the chief guest. Our Chief Guest Mr.B.Krishnakumar, Founder, New Technology Mobile Service & Training Institute, Coimbatore gave Chief Guest Address. Our students interacted with our guest and got cleared their doubts about debugging and troubleshooting of mobile phone. Dr.S.M.Vijayarajan, ASP/ECE, Mrs.C.Kannika Parameshwari, AP/ECE and Mr.S.Ayyappan, AP/ECE co-ordinated the function and finally Mr. K.Nithish Kumar, II – ECE proposed the vote of thanks. The programme came to an end with the National Anthem.

**OUTCOME:** The session motivated our students and they came to know the debugging and troubleshooting of mobile hardware and software and about the prevailing opportunities in mobile phone technology. Students gained knowledge to resolve the problems in mobile phones. With the help of this programme students may become entrepreneurs in future.
