Webinar on "My Story- Motivational Session by Successful Startup Founder"

PERMISSION LETTER

Dear Sir,
V. Tamil Selvi,
Assistant Professor / MBA,
Faculty Coordinator (MBA), IPR Cell,
NPR College of Engineering and Technology,
Natham.

NPR CET	
Received Letter :	V. Tamil Selvi
No :	433 AP/MBA
Date :	19/10/23
Sign :	Bhij.

The Principal,
NPR College of Engineering and Technology,
Natham.

Respected Sir,

Sub : Requesting to conduct webinar (orientation program - IPR)

Through IPR cell it is proposed to conduct webinar on 22.10.23. Due to the non availability of the resource person, because of frequent holidays we are unable to make it on that day.

So we would like to conduct this webinar on 29.10.23. I kindly request you to grant us permission for the same.

Thanking You.

Date : 18.10.23

Place : Natham

Yours Sincerely,

Bhij.

(V. Tamil Selvi)

(Bhij.)

INTELLECTUAL PROPERTY RIGHTS (IPR) CELL

Webinar on "My Story- Motivational Session by Successful Startup Founder"

Summary Report

Intellectual Property Rights Cell (IPR) of NPR College of Engineering & Technology organised Webinar on "My Story - Motivational Session by Successful Startup Founder" on 29.10.2023 through Virtual mode. Ms.Saranya Suthandra Pandian, Founder and Director of Next - Gen Sprouted health mix, Dindigul was the resource person. Webinar was started at 10.00 A.M. Ms.Geethanjali of IV year CSE delivered the welcome address.

Principal Dr. B.Maruthu Kannan, gave the felicitation address. After that, resource person Ms.Saranya Sundara Pandian during her keynote address, shared her ideas on how to break the barriers in getting patent. She added her points on problem faced by working women. She gave the clarity in the aspects of how to start the new business and to overcome the challenges of new start up. Also, she explained about the ways for getting financial support from government and methods to protect our ideas.

78 students and 53 faculty members from various departments attended this program. Few participants shared their ideas on start up, raised questions; the resource person answered all the questions and clarified the doubts. Mr.N.Tharun of IV year EEE proposed the vote of thanks. E-Certificates were sent through E-mail.

Outcome of the Program:

1. The ways and means to file the patent to protect the inventions and innovative ideas were clarified.
2. The do's and dont's while starting the business were detailed.
3. Awareness on getting financial assistance was created.

Intellectual Property Rights (IPR) Cell Online Orientation Program on 'Intellectual Property Rights'

Summary

Resource Person Details	Mr.A.Lakshmi Narayanan, Examiner of Patents & Designs, Group 'A' Gazette, Intellectual Property Office , Govt. of India, Chennai.
Number of Participants	148

The Online Orientation programme on “Intellectual Property Rights” was organized by the Intellectual Property Rights [IPR] Cell at 02.15p.m. on 16.04.2024 in the presence of Dr. B.Maruthu Kannan, Principal and the IPR Cell Coordinator Dr.M.AmeenaBanu, Professor and Head of Electronics and Communication Engineering Department. Mr.A.Lakshmi Narayanan, Examiner of Patents & Designs, Group 'A' Gazette, Intellectual Property Office Govt. of India, Chennai was the resource person. Ms.S.Brintha Dass of First year IT delivered the welcome address. Dr. B. Maruthu Kannan, Principal, in his felicitation address, explained why awareness of the Intellectual Property Rights need to be developed and about the technical skills to achieve and excel in their career. Ms.R.Roobasri, I Year –AI & DS introduced the resource person. The resource person, Mr.A.Lakshmi Narayanan, explained about intellectual property rights such as patents, trademarks, copyrights, and trade secrets. He spoke to the students about the following:

- the importance of protecting intellectual assets
- the process of obtaining and enforcing different types of IPRs.

The interaction session helped the students to get opportunity to seek further clarification on IPR. Ms.B.Kiruthika of first-year AI&DS proposed the vote of thanks.

No. of Participants: 148

OUTCOME:

- Students learned about the importance the IPR Cell.
- Students were exposed to the necessary skill sets of innovation concepts.

Intellectual Property Rights (IPR) Cell

Online Orientation Program on 'Intellectual Property Rights'

Press Report

Intellectual Property Rights (IPR) Cell of NPR College of Engineering & Technology, Natham organized an online orientation program on Intellectual Property Rights for first year students on 16th April 2024. The program was started at 2.15 p.m. Ms. S. Brintha Dass of First year IT delivered the welcome address.

Dr. B.MaruthuKannan, Principal felicitated the gathering. Dr.M.Ameena Banu, IPR Cell Coordinator explained the significance and relevance of IPRs in today's digital age. Ms.R.Roobasri of First year AI&DS introduced the resource person Mr.A.Lakshmi Narayanan Examiner of Patents & Designs. Group 'A' Gazette. Intellectual Property Office Govt. of India, Chennai to the gathering.

Mr.A.Lakshmi Narayanan, explained about intellectual property rights such as patents, trademarks, copyrights, and trade secrets. Also, he explained the importance of protecting intellectual assets, the process of obtaining and enforcing different types of IPRs and the role of innovation in driving economic growth and competitiveness. Ms.B.Kiruthika of first-year AI&DS proposed the vote of thanks. The arrangements for the function were carried out by the management in a grand manner.

NPR GROUP OF INSTITUTIONS	
College Name	NPR CET
Date	11/4/24
Letter No	2362
Signature	[Signature]

Respected Sir,

Sub: Requesting permission to conduct competitions regarding IPR Day.

With due respect I am writing this letter to inform you that as per the academic calendar on behalf of IPR cell we are planning to celebrate IPR Day on 29.04.24. Regarding this we would like to conduct various competitions for the students before the week of IPR Day we have enclosed the details of the competition along with this letter. For appreciating the winners, we wish to give shields and certificates. For that totally we need 18 shields and certificates. kindly request you to allow us to conduct the competitions and provide us required shields and certificates.

Thanking You

Yours Sincerely

Date: 28.03.2024

Place: Natham

Intellectual Property Rights (IPR) Cell World Intellectual Property Day 2024 Celebration Summary Report

The World Intellectual Property Day 2024 Celebration, was organized by the Intellectual Property Rights (IPR) Cell in NPR College of Engineering & Technology (Autonomous) on 24.04.2024 at 3.30 p.m. in the campus. The purpose of the program is to develop social skills and empathy and provide a platform for students to showcase one's unique talents in the holistic development of students. 5 Events namely Elocution Tamil, Elocution English, Slogan writing, Business Quiz and Ad act are conducted to the students earlier with the theme of IPR on par with the celebration.

Mr.M.Siddharth, II year AI&DS welcomed the gathering for the World Intellectual Property Day 2024 Celebration, Principal Dr.B.Maruthu Kannan gave the Presidential address and he explained the importance of patent filing with example.

Ms.V.Roobala, III year CSE narrated about IPR Cell events, after that guest performance on Ad act was done by the MBA Students.

Finally Principal distributed the certificates to the winners and runners of the events. Ms.A.Sivasangeetha, II year EEE proposed the vote of thanks. The program ended with the National Anthem.

Program Outcome:

World Intellectual Property Day 2024 Celebration enables the students to provide knowledge on patent and trademark.

Intellectual Property Rights (IPR) Cell World Intellectual Property Day 2024 Celebration Press Report

NPR பொறியியல் மற்றும் தொழில்நுட்பக் கல்லூரி

உலக அறிவுசார் சொத்து தினம் 2024 - ஐபிஆர் செல்

NPR பொறியியல் மற்றும் தொழில்நுட்பக் கல்லூரியில், அறிவுசார் சொத்து உரிமை (IPR Cell) பிரிவின் சார்பில் "உலக அறிவுசார் சொத்து தினம் 2024 (World Intellectual Property Day)", 24.04.2024 அன்று மதியம் 03.00 மணியளவில் கொண்டாடப்பட்டது. இதில் சுமார் 140 மாணவ, மாணவிகள் கலந்து கொண்டனர்.

இவ்விழாவினையொட்டி, மாணவர்களுக்கு தமிழ் பேச்சுப்போட்டி, ஆங்கில பேச்சுப்போட்டி, வினாடி வினா, விளம்பர போட்டி (Ad act) மற்றும் பொருட்களுக்கு விளம்பர வரிகள் எழுதும் போட்டி போன்றவை "அறிவுசார் சொத்து உரிமை" எனும் தலைப்பில் நடத்தப்பட்டன. இதன் நிறைவுப்பகுதி, இரண்டாமாண்டு AI&DS பிரிவைச் சேர்ந்த மாணவன் செல்வன். M.சித்தார்த் வரவேற்புரை வழங்க ஆரம்பமானது. இவ்விழாவிற்கு, கல்லூரியின் முதல்வர் முனைவர்.B.மருது கண்ணன் தலைமை வகித்தார். அவர் தனது தலைமையுரையில், அறிவுசார் சொத்து உரிமைகளின் அவசியம், மாணவர்கள் அதனில் எவ்வாறு ஈடுபாடு காட்டுவது, அதற்கு ஐபிஆர் செல்லின் பங்களிப்பு ஆகியன பற்றி விரிவாக எடுத்துரைத்தார்.

நிகழ்ச்சியில் R&D பிரிவின் தலைவர் முனைவர் K.ராஜேஷ், IPR செல்லின் தலைவர் முனைவர் M.ஆமீனா பானு, பேராசிரியர்கள் மற்றும் மாணவர்கள் கலந்து கொண்டனர். கம்ப்யூட்டர் சயின்ஸ் இஞ்சினியரிங் துறை மூன்றாம் ஆண்டு மாணவி செல்வி.V. ரூபலா, இக்கல்வியாண்டில் IPR செல் சார்பாக நடைபெற்ற நிகழ்ச்சிகள் மற்றும் அதன் பயன்பாடுகள் பற்றி விளக்கினார். இதனைத் தொடர்ந்து, எம்பிஏ துறை மாணவர்களின் கலை நிகழ்ச்சிகள் நடைபெற்றது. பின்பு, போட்டிகளில் வெற்றி பெற்ற மாணவர்களுக்கு சான்றிதழ்கள் வழங்கப்பட்டன. இரண்டாம் ஆண்டு EEE துறை மாணவி செல்வி A.சிவசங்கீதா நன்றியுரை வழங்க, விழா இனிதே நிறைவுற்றது. இந்நிகழ்ச்சிக்கான ஏற்பாடுகளைக் கல்லூரி நிர்வாகத்தினர் சிறப்புற செய்திருந்தனர்.

Entrepreneurship Development Cell (EDC) Expert talk on Entrepreneur Unleashed - A Journey from Idea to Impact Chief Guest Profile

M. Rajamaheswari M.Com., M.Phil.,
District Resource Person (DRP), District
Industrial Centre

Introduction:

M. Rajamaheswari is a highly qualified individual with a diverse skill set and a strong commitment to empowering women entrepreneurs. Holding a Master of Commerce (M.Com.) and a Master of Philosophy (M.Phil.), her educational background equips her with both practical business knowledge and critical thinking abilities. As the District Resource Person (DRP) at the District Industrial Centre in Thanjavur, M. Rajamaheswari plays a pivotal role in facilitating the growth and development of local industries. Her responsibilities include providing guidance and support to entrepreneurs, connecting them with relevant resources, and assisting them in navigating the intricacies of starting and running successful businesses.

In addition to her role at the District Industrial Centre, M. Rajamaheswari holds the prestigious position of State President at the Women Entrepreneurs Development Association (WEDA). This affiliation underscores her dedication to advancing the interests of women in entrepreneurship. Through WEDA, she spearheads initiatives aimed at fostering the entrepreneurial spirit among women, particularly in rural areas. M. Rajamaheswari focuses on various aspects of entrepreneurship, including marketing strategies, stall bookings, government schemes and loans, import-export procedures, and overall awareness building. Her efforts are geared towards providing women with the necessary knowledge, skills, and resources to succeed in the business world. With her leadership and expertise, M. Rajamaheswari is making significant strides in creating a supportive environment where women can thrive as entrepreneurs, contributing to the economic growth and empowerment of their communities.

Entrepreneurship Development Cell (EDC) Expert talk on Entrepreneur Unleashed - A Journey from Idea to Impact Chief Guest Profile

Name: S. Sudharsana, B.E, M.B.A

Position: Founder, Plant Trees Herbals

Introduction:

S. Sudharsana established Plant Trees Herbals in 2022, a registered MSME industry located in Dindigul. With ISO 9001:14001 certification, the company specializes in Ayurvedic beauty, cosmetic, and personal care products, including handmade soaps, shampoo, oil, hair wash products, and more.

Professional Experience:

As a female entrepreneur, Sudharsana began her journey in 2018, crafting handmade soaps using essential oils at a micro-level. After registering under MSME, Plant Trees Herbals was founded in 2022, expanding its product range.

Education and Qualifications:

- ❖ Diploma in Computer Science Engineering, 2008, NPR Polytechnic College, Natham, Dindigul.
- ❖ Bachelor's Degree in Computer Science Engineering, 2012, NPR College of Engineering, Natham, Dindigul.
- ❖ MBA (IT), 2014, Tamil Nadu Open University, Chennai.

Skills and Competencies:

Sudharsana holds three diplomas in cosmetic formulation with extensive training. She conducted soap making classes at S.M. B. Matriculation School, Dindigul, in November 2023, and on government of India authorized online platforms (Skill India).

Achievements and Awards:

- ❖ Recipient of the Best Woman Entrepreneur Award in 2023 at Madurai.

Entrepreneurship Development Cell (EDC) **Expert talk on** **Entrepreneur Unleashed - A Journey from Idea to Impact** **Summary Report**

NPR College of Engineering and Technology on behalf of Entrepreneurship Development Cell Conducted a seminar program on expert talk on Entrepreneur Unleashed A Journey from Idea to Impact on 28.03.2024(Thursday) at NPRGIAC Auditorium. In this program the Chief guests are Mrs. M.Rajamaheswari, Chairman, Women Entrepreneurs Development Association and Mrs. S. Sudarshana (Alumni-Department of Computer Science and Engineering (2008-2012), Chief Executive Officer PLANTTREES joined as the special guests. Principal Dr.B.Maruthu Kannan NPR College of Engineering and Technology presided over the function. Dr.K.Rajesh, Dean, R & D felicitates the function. Dr.B.Velmurugan HoD-MBA Coordinator of the Entrepreneurship Development Cell (EDC) organized the function in a grand manner.

The function started with the prayer song. First year student Ms.V.Nilobar Nisha gave the welcome address. Third-year student Mr.R.Keerthikaran introduced the resource person and guests. Third year students of Ms.M.Subanu and Ms.S.Laura Dolly were honoured the special guests.

The talk Mrs.S.Sudharshana delved into the exciting and challenging journey of entrepreneurship, from the inception of an idea to making a significant impact in the market. The speaker highlighted the importance of having a clear and innovative idea that addresses a genuine problem in the market. They discussed the various challenges faced by entrepreneurs, including securing funding, navigating market competition, and achieving scalability. Mrs.M.Rajamaheshwari emphasized the necessity of a robust business plan, thorough market research, and a deep understanding of the target audience. Practical advice and insights were shared, drawn from the speaker's personal experiences and observations in the entrepreneurial landscape. Strategies for building a sustainable business were discussed, such as effective marketing, agile product development, and engaging with customers. The students were encouraged to think creatively, take calculated risks, and persevere through obstacles to realize their entrepreneurial dreams. The talk concluded with a question-and-

answer session, allowing students to seek further advice and clarity from the speaker. The talk provided valuable insights and inspiration for students interested in entrepreneurship, highlighting the importance of passion, innovation, and resilience in achieving entrepreneurial success. These motivational talk may have inspired attendees to pursue their entrepreneurial dreams with renewed vigor and determination. Attendees may have gained valuable knowledge and insights into the entrepreneurial journey, including the importance of a clear idea, market research, and effective strategies for success.

Finally, a vote of thanks was delivered by Ms. Bodhini, a third year student. The function ended with a national anthem.

Outcome

The outcome of the program is to promote and support entrepreneurship among students, leading to the creation of new ventures, job opportunities, and economic growth. To create a platform to network with successful entrepreneurs, industry experts, and investors, creating potential collaboration and partnership opportunities and raise awareness about entrepreneurship as a career option among students and aspiring entrepreneurs.

DEPARTMENT OF CIVIL ENGINEERING

HR CONNECT & MoU SIGNING CEREMONY

SUMMARY REPORT

Civil Engineering department of NPR College of Engineering & Technology (NPRCET), Natham organized a 'HR connect and MoU signing on 10.10.2023 in the Rear block 2nd floor seminar Hall. 30 students of II, III and IV year Civil Engineering attended the programme.

The inauguration of the HR connect programme was started at followed by the prayer song. The Chief guest and resource person Er. N. K. Gopinathan, Managing Director, G Cube Construction along with the Principal Incharge Dr. A. Gopi saminathan and Head of the Department of Civil Engineering Dr. A. Hemalatha.

Ms. A. Logarani of III-year Civil Engineering student welcomed the gathering. Dr. A. Gopi saminathan Principal i/c felicitated the programme. During his address, he suggested the students to improve their technical as well as interpersonal skills for getting employed in leading engineering industries and further for their survival during their career.

Mrs. M. Subanu of III year Civil engineering introduced the chief guest. Later, Chief guest Er. N. K. Gopinathan was honored by Mr. J. S. Pranaveshvar IV Year civil engineering. After that Memorandum of Understanding was signed between G Cube construction and our college. The chief guest was welcomed for his special address. He explained about the challenges in construction and importance of technical knowledge to work in the industries. He insisted the students to have clear idea of at least the basic technical knowledge in all the core subjects unless otherwise it would not be possible to continue the job further in the work place. He told what students' study during the technical education has a close connection with the field and after getting into the job, they have to update their knowledge and skills according to the prevailing technology in the specific industrial environment. He insisted that lifelong learning for a better future in the engineering field. Moreover, he emphasized the students to improve their communication skills and elaborated about the present skill requirements expected from students in various industries. After that, he interacted with the students about their design projects and clarified their doubts. At the end of the session, the students gave positive feedback about the programme and admired the presentation of the chief guest.

Finally, Mr. N. Shivaneshwaran of second year civil engineering delivered the vote of thanks. The programme came to an end with National Anthem.

Sub: Requesting permission to Conduct HR Connect and

MoU Signing Ceremony - Regd.

Respected Sir,

We are proposed to Conduct the HR Connect
and MoU Signing Ceremony for all Civil Engineering
Students on 03.05.2024, with TPR Infra Projects,
Tirupur. on the same day Placement drive will also
be conducted for the final year Civil Engineering
Students. I request you to provide 2 numbers of
100 Rs. Stamp papers for MoU and kindly
do the needful.

Thanking you,

Yours truly

Dr. A. Hemalatha.

30/04/2024
Nattam.

DEPARTMENT OF CIVIL ENGINEERING

HR Connect & MoU Signing Ceremony

Summary Report

Civil Engineering department of NPR College of Engineering & Technology (NPRCET), Natham organized a "HR connect and MoU signing" programme on 03.05.2024 in the Rear block ground floor seminar Hall. 37 students of II, III and IV year Civil Engineering attended the programme.

The inauguration of the HR connect programme was started, followed by the prayer song, at 10.30 a.m. by the resource person Mr.V.Premkumar, HR Manager, TPK Infra Projects along with the Principal Incharge of NPRCET Dr. A. Gopisaminathan and Head of the Department of Civil Engineering Dr. A. Hemalatha.

Mr.N.Sivaneshwaran of II year civil engineering student welcomed the gathering.

Dr. A. Gopisaminathan, Principal (i/c) felicitated the programme. During his address, he suggested the students to improve their technical as well as interpersonal skills for getting employed in leading engineering industries and further for their survival during their career. After Principal's address, Ms.S.Yazhini of IV year Civil Engineering introduced the chief guest. Later, Chief guest Mr.V.Premkumar was honored by Mr.R.Videswaran, IV Year Civil Engineering.

After that MoU signed between TPK Infra Projects and NPRCET. During the special address, the resource person explained the challenges in construction of Residential and Industrial buildings after pandemic and also he explained the actual industrial processes and ongoing projects of TPK Infra projects. He insisted the students to have clear idea of at least the basic technical knowledge in all the core subjects and design softwares to continue the job further in the work place. After that, he interacted with the final year students about their projects in this semester and clarified their doubts.

Finally, Mr.M.Arul Murugan of second year Civil Engineering delivered the vote of thanks.

The programme came to an end with National Anthem.

OUTCOME:The students were able to understand the current industrial requirements to sustain in the field of Civil and Structural Engineering.

DEPARTMENT OF CIVIL ENGINEERING

HR Connect & MoU Signing Ceremony

Press Report

Department of Civil Engineering, NPR College of Engineering & Technology, Natham organized the HR Connect & MoU Signing Ceremony for Civil Engineering students on 3rd May 2024. The Program was started at 10.30 A.M. Mr.N.Sivaneshwaran of second-year Civil delivered the welcome address.

Dr. A.Gopi Saminathan, Principal incharge, felicitated the gathering. Dr. A. Hemalatha, Head of the Department explained the platform for Civil Engineering students to interact with industry professionals and explore collaborative opportunities. Ms.S. Yazhini of final-year Civil introduced the chief guest Mr. V. Prem Kumar, HR Manager, TPK Infra Projects, Tiruppur to the gathering. Mr. R. Videshwaran of the final-year Civil honouring the chief guest.

Mr. V. Prem Kumar, explained about the Memoranda of Understanding (MoU) between the NPR College of Engineering and Technology and the TPK Infra Project. One of the highlights of the event was the signing of Memoranda of Understanding (MoU) between the NPR College of Engineering and Technology and the TPK Infra Project. During the chief guest address, he also explained the collaboration in areas such as research, training, internships, and placement opportunities.

Mr. M. Arul Murugan of final-year Civil proposed the vote of thanks. The arrangements for the function were carried out by the management in a grand manner.

WEBINAR ON “ROLE OF AI IN DECISION MAKING AND PROBLEM SOLVING”

SUMMARY REPORT

The workshop on “Role of AI In Decision Making And Problem Solving” was organized by Department of Computer Science and Engineering at 11.30 a.m. on 17.09.2023 in the presence of Dr. J. Sundararajan, Principal and Chief Guest Dr.Karthiya Banu, Founder & CEO of Inspire Softech Solutions, Chennai. Ms. N. Fahmitha Sirin, IV Year- CSE delivered the welcome address. Dr. J. Sundararajan, Principal, during the felicitation address, explained about the role and scope of AI in Computer Science and Engineering. Mr. K. Naveen, IV Year – CSE introduced the Chief Guest. Chief Guest Dr.Karthiya Banu delivered her presentation on Role of AI In Decision Making And Problem Solving. The topics covered was

- Data driven decision making
- Impact of AI in human resource decision-making process
- Steps involved in Problem Solving.
- Concept of Deep learning
- Application of AI in various fields
- Modern tools in AI
 - Chat ZPT
 - Goggle bard
 - Synthesia
 - Replika

The webinar was concluded with an engaging Q&A session, where participants had the opportunity to seek further clarification on specific aspects of decision making and problem solving skills and best practices.

Ms. S. Nafeela Nasrin , IV- Year-CSE proposed the vote of thanks and the function came to an end with National Anthem.

NPR Nagar, Natham - 624 401, Dindigul Dist, Tamil Nadu. Ph: 04544 - 244500, 501, 502

OUTCOME

The webinar served as a comprehensive guide for both faculty and students, equipping them with the knowledge and tools related to Artificial Intelligence. Implement AI frameworks and platforms to improve business, organizational, and technology outcomes. Create organizational intelligence using a holistic approach to enterprise systems based on business, organizational, and technology requirements.

PERMISSION LETTER

TO
The Administrative Officer,
NPR Group of Institutions,
Natham.

THROUGH POSTAL CHANNEL

RESPECTED SIR,

THIS REQUEST IS CONSIDERED AND GRANT WORKSHOP ON
Cloud Practitioner in AWS - viz.

By Academic Calendar Programme dated on
21.09.2023 & 28.09.2023

IN OUR DEPARTMENT WE ARE PLANNED TO
conduct one day workshop on "Cloud Practitioner
in AWS" on 21.09.2023 & 28.09.2023. We have invited
the chief guest Mr. R. Srinivasan, Managing
Director, AICTE, to give key note address. Accordingly,
I request you to kindly give permission to
conduct the programme and provide proper
kindly provide as follows facilities and program
in CP laboratory (computer and internet) and transportation
facility to reach seminar hall (transportation and food)
and remuneration for the chief guest of Rs. 10,000/-
as per college norms, and I request the facilities
order and to sign from the make kindly
as the request.

THANKING YOU

Yours faithfully,
Principal

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

One day Workshop on Cloud Practitioner in AWS Summary Report

Department of Computer Science and Engineering of NPR College of Engineering & Technology, Organized one-day Workshop on Cloud Practitioner in AWS on 22.09.2022(Friday). The Inaugural function started with the prayer song at 9.30 a.m. in NPRCET Seminar Hall. Our Principal Dr.J.Sundararajan, Head of the Department Dr.K.Ramanan and Chief Guest Mr.R.Saravana Kumar graced the inaugural session.

Ms.N. Fahmitha Sirin, III Year CSE student welcomed the gathering.

Dr.J.Sundararajan, felicitated the function with his inspiring words. He mentioned the importance of cloud to students. He also suggested the students to do the projects in cloud AWS. He instructed the students to do more value added courses in cloud and motivate them to get more certifications.

MsN.Susmitha of III Year CSE, introduced the Chief Guest.

Our chief guest Mr.R.Saravana Kumar, Project Manager, Iconix Software Solution, Tirunelveli explained the Scratch concept of cloud and Virtualization to application of Cloud. It is a hands-on training to students worked practically on cloud platform. Students learnt the more advanced concepts of CloudSim, Google App Engine, Hadoop

Totally 87 students participated in this programme. During the valedictory session, the students gave feedback about the programme and memento was distributed to the Chief Guest by our principal. Mr. N. Siva Subramanian, Student of III year-CSE delivered the vote of thanks. The session came to an end with National Anthem.

RESOURCE PERSON'S PROFILE

R.K.DURGESH is a Senior Associate & Technical Lead at Cognizant Technology Solutions India Pvt Ltd. He holds a B.Tech in IT from KLN College of Information and Technology and an MBA in Technology Management from the College of Engineering, Guindy (Distance Education). In addition to his professional role, he has been actively involved in various academic and CSR activities. He served as the Chief Guest and Guest Lecturer at the Inaugural Function of ADROIT'17 Association IT Department at KLNCIT in 2017, as well as in the ISTE Student chapter at KLNCIT during the same year. His contributions extend to educational institutions as well. He conducted a session on "Design Thinking in Soft Skill Approach" for the CSE Department at Sethu Institute of Technology in 2021 and served as a Department Advisory Board Member for the CSE Department at the same institute from July 2021 to May 2022.

His commitment to community service is evident through his roles as a student mentor, Academic Advisor, and Coordinator in S'Prayas (CSR Activity - Syntel) at Avvai Home Orphanage Adyar and Sholinganallur Government School, spanning from July 2016 to July 2020. He also acted as a Soft Skill and Arts & Crafts Trainer in the same CSR program at Avvai Home Orphanage Adyar. Furthermore, He has been a member of the Summit Session for 9th to 12th-grade students, a student mentor, Design Thinking Trainer, Academic Advisor, and Coordinator in Ullas (CSR Activity - Intellect) since April 2019.

With over five years of experience, He has been instrumental in technical panel discussions, conducting interviews for more than 500 candidates in L1 and L2 Round Discussions, and pre-screening profiles of over 1200 candidates, both freshers and experienced, for interviews. Currently, He holds roles as an Industrial and IQAC member in KCET and successfully completed a 3-day ML workshop in PSNA - AI & DS.

Warm Regards

Mr.R.K.Durgesh

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

HR Connect

Summary Report

Department of Computer Science and Engineering of NPR College of Engineering & Technology, Organized HR Connect on 06.10.2023. The Inaugural function started with the prayer song at 10.30 a.m. in NPRGI Indoor Auditorium. The Principal Dr.B.Maruthu Kannan, Head of the Department Dr.K.Ramanan and Resource Person Mr.R.K.Durgesh graced the inaugural session.

Ms.M.Kowsalya, IV Year CSE student welcomed the gathering. The Principal Dr.B.Maruthu Kannan felicitated the function with his inspiring words. He emphasized the importance of attitude in the context of job placement. A positive attitude is indeed very important for job placement and career success.

Mr.A.Vinoth of IV Year CSE, introduced the Resource Person Mr.R.K.Durgesh, to the gathering. The Resource Person Mr.R.K.Durgesh, Senior Associate & Technical Lead Cognizant Technology Solutions, Chennai described the HR professionals as individuals who are responsible not only for creating and advertising job opportunities but also for offering comprehensive information, support, and guidance to candidates and employees as they explore and pursue these opportunities within the company. He also addressed students questions to HR professionals, seeking clarification on topics such as job opportunities, application procedures, career development prospects, company culture, and compensation and benefits. HR, in turn, responds to these inquiries, providing informative and supportive answers to help students make well-informed decisions regarding their future careers.

Totally 230 students participated in this programme. During the valedictory session, the students gave positive feedback about the programme and memento was distributed to the Chief Guest by the principal. Mr. N. Siva Subramanian, Student of III year-CSE delivered the vote of thanks. The session came to an end with National Anthem.

Report for the Virtual Power Seminar on Campus to Corporate

Objectives of the program

1. To bridge the gap between academic learning and professional requirements.
2. Students acquire practical skills relevant to their field of study.
3. To enhance students ability to contribute effectively in a corporate growth matrix.

Department Vision

To produce globally competent technical professionals for digitised society.

Department Mission

To establish conducive academic environment by imparting quality education and value added training.

To encourage students to develop innovative projects to optimally solve the challenging problems.

ICT Academy

Report for the Virtual Power Seminar on Campus to Corporate

Summary Report

NPR College of Engineering & Technology and ICT Academy jointly organized a “Virtual Power Seminar on Campus to Corporate” programme for the II year CSE,IT,AIDS students on 28.11.2023. The function was started at 10.30 a.m. in MBA Seminar Hall with Prayer song. Principal Dr. B. Maruthu Kannan, Head of the Department of Computer Science and Engineering Dr.K.Ramanan, Head of the Department of AI&DS, Dr.M.Jenifer, Head of the Department of Information Technology Mrs.C.Kalpna graced the inaugural session.

Ms.D.Ashima Nishara student of second year Computer Science and Engineering welcomed the gathering.

Dr. B. Maruthu Kannan, Principal felicitated the function with his inspiring words and thanked the organizing team for the arrangements made. During the address, he shared a lot of interesting matters which he gone through.

After the felicitation address the second year student of Information Technology Ms.S.Bhuvaneshwari gave the chief guest introduction.Ms.R.Akshai and Ms.S.Sona of second year Computer Science and Engineering students hosted the event.

Next, the Session was handover to the Chief-guest Mr. Satish Kumar,Manager-HR, Movate Technologies, Chennai. He delivered the following contents to the students.

Understanding Corporate Dynamics:

Providing insights into corporate culture, hierarchies, and operational frameworks.

Virtual Work Proficiency: Enhancing skills for effective remote collaboration, communication, and project management.

Professional Development: Cultivating a mindset for continuous learning, adaptability, and problem-solving.

Networking and Soft Skills: Emphasizing the importance of networking, interpersonal skills, and emotional intelligence in a virtual environment.

Adaptability and Flexibility: Highlighting the importance of being agile and adaptable in a dynamic corporate environment.

Virtual Communication Skills: Strategies for clear and effective communication in virtual settings.

Networking and Relationship Building: Techniques for building professional networks and fostering relationships remotely.

Recognized by UGC under 2(F) | ISO 9001:2015 Certified | Web: www.nprcolleges.org | E-Mail: nprcetprincipal@nprcolleges.org
NPR Nagar, Natham - 624 401, Dindigul Dist, Tamil Nadu. Ph: 04544 - 246500, 501, 502.

Continuous Learning Mindset: Encouraging a proactive approach to ongoing skill development and career growth.

The seminar successfully addressed the challenges faced by individuals transitioning from academic settings to the corporate world in a virtual environment. It provided actionable strategies, fostering a proactive approach towards professional growth and adaptation to the evolving landscape of remote work.

Feedback from participants indicated a positive response to the seminar, emphasizing the practical insights, interactive sessions, and relevance of the topics covered to their transition from campus to corporate life.

Ms.S.Dakshata, second year student of Artificial Intelligence and Data Science gave the vote of thanks and the program came to an end with the National Anthem.

Outcome:

- 1.The seminar bridged the gap between academic knowledge and real-world corporate dynamics.
- 2.It focused on equipping attendees with the skills, insights, and mindset necessary to smoothly transition from a campus environment to the corporate world, emphasizing the virtual landscape prevalent in today's professional sphere.

To

The Principal
NPR College of Engineering & Technology
Natham.

through proper channel,
Respected sir,

Sub: Requesting permission to establish a virtual lab
nadal center program with Amrita virtual
Vidyaapeetham.

This is your kind information that, we are
planning to sign a EOI (Expression of Interest) for a
virtual lab nadal center program with Amrita virtual
vidyaapeetham. virtual labs provide an educational
experience that helps broaden learners perspective.
Amrita's virtual labs apply new learning technologies,
that are exciting and fun for the new generation
of the students. so, we kindly request you to give
permission to establishment of Amrita's virtual lab &
proceed further process.

Date: 19/12/2023

Place: Natham

Report of Hands-on Workshop on "Virtual Lab- An Learner Perspective"

Summary Report

NPR College of Engineering & Technology, Organized One-day Workshop on Virtual Lab - An Learner Perspective on 23.01.2024 (Tuesday). Our Principal Dr.B.Maruthu Kannan, and Chief Guest Mr.P.Saneesh , graced the inaugural session.

Ms.V.Roobla, III Year CSE welcomed the gathering.

Dr.B.Maruthu Kannan, felicitated the function with his inspiring words. He mentioned the importance of Virtual lab to the faculty members. He also suggested the faculty members to do the Virtual Lab exercises. He instructed the faculty members to motivate the students who should know about the advantage of virtual lab.

Ms. M.Natchathira of III Year, CSE, introduced the Chief Guest.

Our chief guest Mr. P.F. Saneesh, Project Manager & Technical Lead, Physical Sciences, Virtual Labs, Amrita Vishwa Vidyapeetham explained how to use virtual lab exercises for along with the various department of engineering including physics and chemistry also. This workshop aims to provide participants with an introduction to the innovative world of Virtual Laboratories. Workshop cover the overview of the virtual lab project, innovative teaching using virtual labs and demonstration of virtual lab experiments from various disciplines of science and engineering

Totally, 41 faculty members participated in this virtual lab workshop. During the end of the session, faculty members gave feedback about this workshop. Mrs. M.Santhanalakshmi, AP/CSE, Nodal Coordinator delivered the vote of thanks.

Report for the Guest Lecture on “Mobile App Development”

Summary Report

Department of Computer Science and Engineering/Information Technology and Department of Artificial Intelligence & Data Science jointly organized a “Guest Lecture on Mobile App Development” for the II-year CSE/IT/AI&DS / III-year CSE students on 15.04.2024. The function was started at 11.00 a.m. in MBA Seminar Hall with Prayer song. Principal Dr. B. Maruthu Kannan, Head of the Department of Computer Science and Engineering (CSE) Dr.M.Indra Devi, Head of the Department of AI&DS, Dr.M.Jenifer, Head of the Department of Information Technology (i/c), Mrs.C.Kalpana graced the session.

Ms. R. Akshal, second-year CSE student extended a warm welcome to the gathering. Dr. B. Maruthu Kannan, Principal felicitated the function with his inspiring words and thanked the organizing team for the arrangements made. During the address, he shared a lot of interesting matters which he gone through. He advised the students to develop their communication skills and technical skills.

Mr.C.Vishnu Balaji, a second year student of IT delivered the introduction for the chief guest Mr.S.Aswanthwin Fried honoured the chief guest

Next, the Session was handed over to the Resource person Mr.R.Saravanan Kumar, Managing Director & CEO, Iconix Software Solution, Tirunelveli.. He spoke about the importance and current scope of App Development using React Native, Expo and Node JS and conducted the Hands-on Session for creating the cross-platform applications using React native.

Feedback from participants indicated a positive response about the Guest Lecture. About 267 students participated and get benefited by this programme. Ms.C.R.Sri Gayathre, second year student of AI & DS gave the vote of thanks and the program came to an end with the National Anthem. The function arrangements were done by the management in a grand manner.

Outcome: 1. Students are able to develop a Mobile App using React Native and Expo.

Resource Person's Profile

Mr. Veera Solaiyappan,
Senior Software Developer,
TEKSystems,
Bengaluru, Karnataka,
Cell : +91 6374699760
E-mail: veersolaiyappan@gmail.com

As a Senior Full stack Developer, he designs and develops multitenant-based SaaS systems that serve a range of industry products, such as GIS, E-commerce, ICO projects, NFT marketplace, Supply chain applications, and DeFi. He collaborates closely with stakeholders, product managers, designers, and other teams to define project requirements, scope, and deliverables, and oversee code reviews, testing, and deployment. He has 4 years of experience in crafting user-centric experiences and solving complex technical problems with Golang, Typescript, Python, Docker, and K8. He is passionate about learning new technologies and taking on new challenges, and he had acquired multiple certifications in Azure, Terraform, AWS CloudFormation, and Dev Sec Ops. He is also pursuing a Master of Business Administration degree in Project Management at Alagappa University, where his aim is to enhance leadership, communication, and strategic skills. Additionally, he enjoys sharing his knowledge and insights through technical blog writing and speaking at events.

Subject: Re: Requisition to be the resource person for the hands -on training on Web App Development
To: NPRCET-CSE <nprcetcse@nprcolleges.org>

Thanks for inviting me as a resource person for this hands-on training. Sure, I will be there on **18.04.2024** (Thursday).

thanks & regards
Veera

On Fri, Apr 12, 2024 at 10:20 AM NPRCET-CSE <nprcetcse@nprcolleges.org> wrote:

Dear Sir,
Greetings from the Department of Computer Science and Engineering, NPR College of Engineering & Technology. For your kind information we planned to organize a **hands -on training on web App Development** on **18.04.2024** (Thursday). We are inviting you as a **Resource Person** for the same. Kindly accept our invitation for guiding our students to learn from your expertise and confirm by replying to this mail. Please send your profile also.

With regards,

Dr.M.Indra Devi
Professor & Head,
Department of Computer Science and Engineering,
NPR College of Engineering & Technology,
NPR Nagar, Natham, Dindigul - 624401.

Department Vision and Mission

Vision:

To produce globally competent technical professionals for digitized society.

Mission:

M1: To establish conducive academic environment by imparting quality education and value-added training.

M2: To encourage students to develop innovative projects to optimally resolve the challenging social problems.

Report for the Hands-on training on “Web App Development”

Summary Report

Department of Computer Science and Engineering, Department of Information Technology and Department of Artificial Intelligence & Data Science jointly organized a “Hands-on Training on “Web App Development” programme for the II Year CSE, IT, AI&DS, III and IV Year CSE students on 18.04.2024. The function was started at 11.00 a.m. in MBA Seminar Hall with prayer song. Principal Dr. B. Maruthu Kannan, Head of the Department of Computer Science and Engineering Dr.M.Indra devi, Head of the Department of AI&DS, Dr.M.Jenifer and Head of the Department of Information Technology (i/c), Mrs.C.Kalpana graced the session.

Mr. M. Vishagan Kumar, second-year AI&DS student extended a warm welcome to the gathering. Dr. B. Maruthu Kannan, Principal felicitated the function with his inspiring words and expressed gratitude to the organizing team for their meticulous preparations. Throughout his speech, he generously shared an array of knowledge about web applications and their development, offering valuable insights to deepen the audience's understanding of this rapidly evolving domain.

Ms.S.Sandhiya, a second year student of CSE introduced the chief guest. Mr.T.Hariharan, second-year IT student honoured the chief guest.

Next, the session was handed over to the resource person Mr.Veera Solaiyappan, Senior Software Developer, TEKSystems, Bengaluru. During his address, he discussed the job opportunities and the nature of the work in the field. He emphasized the dynamic and expansive landscape awaiting aspiring developers, highlighting the increasing demand for professionals capable of handling both front-end and back-end development tasks.

He also provided valuable insights into the promising job prospects and dynamic work environment awaiting individuals pursuing a career in full stack development. Mr.A.Sudalai Muthu, second year student of IT gave the vote of thanks and the program came to an end with the National Anthem. After the inauguration, our resource person started hands-on training for the students in Programming Lab IV. He guided the students to develop web applications using Golang. Students got the knowledge about Golang related packages available on Github, such as Mongo DB, Redis, and MySQL.

Outcome: Students gained the knowledge to develop Web Applications.

Press Report

NPR College of Engineering & Technology, Natham Department of Computer Science and Engineering, Information Technology & Artificial Intelligence and Data Science organized a hands-on training on “Web App Development” on 18.04.2024 for all the students of CSE, IT and AI&DS. The programme started with the prayer song. Mr.M.Vishagan Kumar, second year AIDS delivered the welcome address.

Dr. B. Maruthu Kannan, Principal delivered the felicitation address. Ms.S.Sandhiya, Second year Computer Science and Engineering, introduced the guest of the day. Mr. T.Harikaran of Second year Information Technology honored the chief guest Mr. Veera Solaiyappan, Senior Software Developer, TEKsystems, Bangalore.

Mr. Veera Solaiyappan, a full stack developer, during his address, he discussed the job opportunities and the nature of the work in the field. He emphasized the dynamic and expansive landscape awaiting aspiring developers, highlighting the increasing demand for professionals capable of handling both front-end and back-end development tasks.

He also provided valuable insights into the promising job prospects and dynamic work environment awaiting individuals pursuing a career in full stack development. His guidance resonated with the students, inspiring them to embark on this exciting journey armed with knowledge and enthusiasm. Mr. A.Sudalai Muthu second year Information Technology delivered the vote of thanks. The programme was concluded with the National Anthem. After the inauguration, our resource person started hands-on training for the students in Programming Lab IV. He guided the students to develop web applications using Golang. Students got the knowledge about Golang related packages are available on Github, such as Mongo DB, Redis, and MySQL.

Department of Electronics and Communication Engineering

Webinar on “Current and Future Trends in VLSI Technology”

SUMMARY

Date & Time	13.08.2023, 11.00 a.m.
Resource Person	Dr. P. Karuppanan, Assistant Professor (Grade-I), Department of Electronics and Communication Engineering, Motilal Nehru National Institute of Technology Allahabad, Prayagraj, India
No. of Participants	96

The Department of Electronics & Communication Engineering of NPR College of Engineering & Technology organized a webinar on “Current and Future Trends in VLSI Technology” on 13.08.2023 at 11.00 a.m. through Google platform.

As a Master of Ceremony Ms. M. Dharsini, III Year ECE welcomed everyone and coordinated the program. Mr. M. Ramji, III Year ECE delivered the welcome address.

Dr. J. Sundararajan, Principal delivered the felicitation address.

Ms. M. Pothini, III Year ECE introduced the guest speaker to the participants.

The Chief Guest started the session with the introduction about the transistors and explained about the evolution of transistors. He described about the first microprocessor introduced by the Intel Corporation in 1971 in which NMOS transistors were used. He, then discussed the three major parameters in which a VLSI Engineer should concentrate. He also gave insight about various real world examples in which VLSI plays a vital role.

He also shared very interesting facts about the Semiconductor fabrication unit which was started in Mohali in 1984. He also notified about the 76,000 crore project signed between Intel and Vedanta for setting up the semiconductor fabrication unit in India. Finally, he concluded with his note on the future advancements in the field of VLSI and the required skills associated. The session was ended with the vote of thanks proposed by Ms. D. Soundarya Lakshmi, IV Year ECE. The e-certificates were sent to the participants.

Respected Sir,

Sub: Requesting permission to conduct workshop - Reg.

As per Academic Calendar our Department planned to conduct Workshop on Robotics on 30.08.2023 (Wednesday).

Dr. B. Sathishvel, M.E., Ph.D., Founder of Smart Makers

with his colleague will be the Chief Guest of the program.

His colleague will give the demonstration on Robotics.

We request remuneration of Rs. 500/- for this program.

So we request you to give the permission to conduct this program. Kindly do the needful.

Thanking you,

Station: Natham

Date : 25.08.2023

Yours faithfully,

CHIEF GUEST PROFILE

Dr. B. Sakthivel,

Founder and Director,

Smart Makers Research,

Madurai.

Ph:9952504104

Dr.B.Sakthivel, received his B.E. degree in Electronics and Communication Engineering from the SACS MAVMMM ENGG College, Madurai.

He completed M.E. in Anna University. He received a doctorate degree in the field of VLSI design.

He is the Founder of Smart Makers research at Madurai. He has published more research articles in reputed journals like Elsevier etc., and supports for government funded projects in the field of agriculture and health care systems

"Smart makers" has a focus on **VLSI architecture design, Embedded systems and Robotics**. He has delivered more **no. of guest lectures and handled workshops** on above fields for the benefit of students in various esteemed institutions.

"Smart makers" research is a full service embedded based 3D printing company that provides printing in SLA, ABS & PLA materials. We specialize in printing dental implants and Pre surgery models.

They also print components for industries like gift articles in 3D, memorabilia in 3D print and business logos and unique branding material in 3D prints. They help educational institutions to setup 3D printing labs and also train faculties and students on designing and printing 3D models.

Department of Electronics & Communication Engineering Workshop on 'Robotics'

Summary

Date of the Event	30.08.2023
Number of Students Participants	115
Venue	NPRCET Seminar Hall-2
Chief Guest Details	Dr. B.Sakthivel, M.E., Ph.D., Founder & Director, Smart Makers Research, Madurai.

The Department of Electronics & Communication Engineering in association with ECHELON and IETE Students Forum of NPR College of Engineering & Technology organized a Workshop on 'Robotics' on 30th August 2023 at NPRCET seminar Hall-2.

Ms. S.Durga of III year ECE delivered the welcome address.

Ms. J.J.Sudhishree of III year ECE introduced our Chief Guest.

Dr. J. Sundararajan, Principal, delivered the felicitation address in which he elaborated the importance of Robots in the modern world. He encouraged the students to participate in the Smart India Hackathon for which this workshop will be very helpful.

Mr. S.Aravinthan and Mr. S.Manoj of IV-year ECE honored the Chief Guest.

Chief Guest Dr. B.Sakthivel, M.E., Ph.D., Founder & Director, Smart Makers Research, Madurai during his address explained the evolution of industries. He explained how Robotics was used in various fields. He showed the videos related to robotics applications and interacted with the students. He explained the use of various sensors used in various application.

In the afternoon session Mr. D.Immanuel, Senior Developer, Smart Makers Research, Madurai explained demo on 3D printing technology and its uses in robotics.

The students asked their questions during the interaction session and got clarified with their doubts. Also, they gave valuable feedback about this programme.

Ms. M.J.Dharini of IV-year ECE offered vote the of thanks.

The programme came to an end with the National Anthem.

Summary

Date of the Event	15.11.2023
Number of Student Participants	125
Venue	NPRCET Rear Block Seminar Hall
Resource Person Details	Dr.R.A.Alaguraja, M.E.,Ph.D., Professor/ECE, Thiagarajar College of Engineering, Madurai.

Electronics & Communication Engineering Association “ECHELON” of NPR College of Engineering & Technology organized a Guest Lecture on “Career Opportunities for Ever Green ECE - During and After Graduation” on 15th November 2023 at NPRCET Rear Block Seminar Hall.

Mr.S.Aajip of II year ECE delivered the welcome address.

Ms.G.Thirshma Bharathi of II year ECE introduced the Resource Person.

Dr.B.Maruthu Kannan, Principal, delivered the felicitation address in which he elaborated the opportunities for ECE students after graduation like placement, higher education and entrepreneurship.

Dr.A.Gopi Saminathan, Academic Director (i/c) honored the Resource Person.

Resource Person **Dr.R.A.Alaguraja, M.E.,Ph.D.,** Professor/ECE, Thiagarajar College of Engineering, Madurai, during his address, explained the career opportunities for ECE graduates in the field of Aerospace, Surveillance and healthcare technologies. Also he emphasized about the benefits of getting GATE score and motivated the students to appear for the competitive examinations.

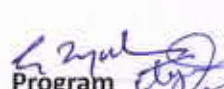

During the interaction session, the students asked questions and got clarified their doubts. They provided valuable feedback for this program.

Mr.R.Arunachalam of II year ECE offered vote of thanks.

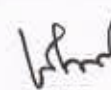

The program came to an end with the National Anthem.

Outcome:

The Session was useful to the students to enrich their knowledge about career opportunities for placement in different domains and acquire the knowledge about higher studies with GATE score.

Dear sir,
Greeting from Dept. of ECE (NBA Accredited), NPR College of Engineering and Technology.

We are happy to invite you to deliver a Guest Lecture for ECE students on **"Recent developments in Semiconductor Devices"** on **17.04.2024** (11.15a.m. to 12.45p.m.) as discussed over phone. We expect your favourable response as soon as possible to make other arrangements.

--
with regards,
Dr.M.Ameena Banu, M.E., Ph.D.,
Prof. & Head, Dept. of ECE,
NPR College of Engineering & Technology, Natham.

Institute Vision:

To develop students with intellectual curiosity and technical expertise to meet the global needs.

Institute Mission:

M1: To achieve academic excellence by offering quality technical education using best teaching techniques.

M2: To improve Industry - Institute interactions and expose industrial atmosphere.

M3: To develop interpersonal skills along with value based education in a dynamic learning environment.

M4: To explore solutions for real time problems in the society.

Department Vision:

To impart quality technical education and nurture excellence to meet the impending challenges in emerging technologies

Department Mission:

M1: To instill the thirst for advancement in Electronics and Communication technologies to address the social needs.

M2: To increase industrial interaction to ascertain prevailing technologies.

M3: To inculcate ethics and transform lives through value-based education.

M4: To enhance analytical and practical skills to solve real time problems in the society.

PROGRAMME NAME : Guest Lecture on Recent Developments in

Semiconductor Devices

DATE

17-Apr-2024

PROGRAMME IMPORTANCE : Evolution and Significance of Semiconductor Industry
and relevance to graduating Engineers

Guest Feedback and Suggestions...

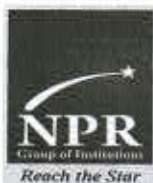

Name of the Guest : MUKESH VAIDYANATHAN, Chief Strategy Officer,

Address EDVEON TECHNOLOGIES, SIVUSERI, CHENNAI

Cell No. : 944958745 Email ID : mukesh@edveon.com

Excellent facility for addressing students and good A/V arrangements.
Faculty very attentive to details and keen to nurture and develop students' talent.
Hospitable and well taken care of.

Guest Lecture on

'Recent Developments in Semiconductor Devices'

Venue: NPRCET Rear Block Seminar Hall

Date: 17.04.2024

Summary

Resource Person's Details	Mr.Mukesh Vaidyanathan, B.Sc., MLM, Chief Strategy Officer, Edveon Technologies, Chennai
Number of Student Participants	138

The Department of Electronics & Communication Engineering, NPR College of Engineering & Technology, Natham organized a Guest Lecture on 'Recent Developments in Semiconductor Devices' on 17.04.2024 at 11.15 a.m.

Mr.Mukesh Vaidyanathan, B.Sc., MLM, Chief Strategy Officer at Edveon Technologies, Chennai, served as the resource person for the guest lecture. Dr. B. Maruthu Kannan, Principal of NPR College of Engineering & Technology, felicitated the program.

Ms.C.Amrutha Shopiga, III Year ECE, delivered the welcome address, while Mr.K.Nithish Kumar, III Year ECE, honored the resource person. Mr.M.Ruthramoorthy, II Year ECE, introduced the resource person to the participants. During the felicitation address, Principal underscored the importance of semiconductor technology in current technological advancements and the relevance of the title of the program in current scenario.

Mr.Mukesh Vaidyanathan, in his lecture, provided a comprehensive overview of semiconductor technology, covering its role in transformative fields like IoT, 5G, and AI/ML, while addressing challenges and offering practical career advice. Students not only received valuable career guidance regarding opportunities at companies like Edveon Technologies but also gained insights into overcoming challenges within the semiconductor industry, making the session informative.

Ms.M.Pothini, III Year ECE proposed vote of thanks, and the program came to an end with National Anthem.

Outcome:

The guest lecture provided a comprehensive view of semiconductor technology, covering AI applications, advanced manufacturing techniques, and practical industry uses. Discussions on recent innovations like FinFETs and Nano Transistors highlighted the field's ongoing advancements. Additionally, valuable career guidance and placement insights were shared, particularly focusing on opportunities at companies like Edveon Technologies.

GUEST LECTURE

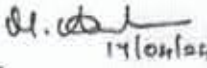

Department of Electronics and Communication Engineering at NPR College of Engineering & Technology, Natham organized a Guest Lecture on "Recent Developments in Semiconductor Devices" on 17.04.2024 at 11.00 AM. Mr. Mukesh Vaidyanathan, Chief Strategy Officer, Edveon Technologies, Chennai was the resource person.

The event was presided over by Dr.B.Maruthu Kannan, Principal of NPR College of Engineering & Technology. Third year student Ms. C. Amrutha Shopiga delivered the welcome address. Third year student Mr. K. Nithish Kumar honoured the resource person. Second year student Mr. M. Rudramoorthy introduced the resource person to the gathering. During the felicitation address, Principal emphasized the significance of semiconductor technology in current technology developments.

The resource person shared insights into artificial intelligence applications, semiconductor device manufacturing using analog and mixed signals. He elaborated on recent advancements such as transistor miniaturization driven by nanotechnology, advanced structures like FinFETs and Nano Transistors, and the practical applications of semiconductor devices across various industries. He also explained the transformative impact of semiconductor technology for IoT, 5G, AI/ML, EVs and Healthcare Applications.

The lecture also included discussions on challenges faced in semiconductor technology and solutions to mitigate them. He provided valuable advice to students regarding career opportunities at companies like Edveon Technologies and offered insights into securing placements.

Above 200 students participated in this event, and third year student Ms.M.Pothini proposed the vote of thanks, leaving everyone with a sense of enrichment and enthusiasm. The program was concluded with National Anthem. The college management made the necessary arrangements for successful conduction of the event.

Dear sir,
Greeting from Dept. of ECE (NBA Accredited), NPR College of Engineering and Technology.

We are very much delighted to have delivered a Guest Lecture for ECE students on "Recent developments in Semiconductor Devices" on 17.04.2024. We have gained knowledge on developments like size reduction, power minimization in Semiconductor Devices and their applications. Use of AI and ChatGpt for these domains also.

We are expecting your kind support in future also.

with regards,
Dr.M.Ameena Banu, M.E., Ph.D.,
Prof. & Head, Dept. of ECE,
NPR College of Engineering & Technology, Natham.

Institute Vision:

To develop students with intellectual curiosity and technical expertise to meet the global needs.

Institute Mission:

M1: To achieve academic excellence by offering quality technical education using best teaching techniques.

M2: To improve Industry - Institute interactions and expose industrial atmosphere.

M3: To develop interpersonal skills along with value based education in a dynamic learning environment.

M4: To explore solutions for real time problems in the society.

Department Vision:

To impart quality technical education and nurture excellence to meet the impending challenges in emerging technologies

Department Mission:

M1: To instill the thirst for advancement in Electronics and Communication technologies to address the social needs.

M2: To increase industrial interaction to ascertain prevailing technologies.

M3: To inculcate ethics and transform lives through value-based education.

M4: To enhance analytical and practical skills to solve real time problems in the society.

CHIEF GUEST PROFILE

Introduction:

Dr. N. Vinothkumar is a distinguished individual who has made significant contributions to the fields of innovation, manufacturing, and research. With a strong background in both academia and industry, he has carved a niche for himself as a forward-thinking professional who drives the development of innovative products and manufacturing systems. Dr. Vinothkumar's career journey reflects his commitment to excellence and his passion for advancing technology and research.

Professional Background:

Position: Proprietor of Vimal Innovation and Manufacturing Systems

Focus Area: Innovative Product Development and Manufacturing

Research Work: Dr. Vinothkumar has actively engaged in research work at the Combat Vehicles Research & Development Establishment (CVRDE), a premier research institution under the Defense Research and Development Organization (DRDO). His research endeavors have been carried out in association with Kalasalingam Academy of Research and Education, Virudhunagar. His contributions in this capacity have significantly impacted the development of advanced technologies in the defense sector.

Industry Experience: Dr. Vinothkumar has also gained practical experience in the industry. He served as an Application Engineer at Prufen Systems Pvt. Ltd. from August 7, 2015, to August 18, 2016. This experience has equipped him with valuable insights into real-world applications of technology and manufacturing processes.

Expertise:

Product Innovation
Manufacturing Systems
Defense Technology
Research and Development
Industry Integration
Technology Applications

A wonderful experience with students interaction in the title of
"Machinability and Welding of Armour Grade Steel". A warm
hospitality from the Mechanical department.

DEPARTMENT OF MECHANICAL ENGINEERING
Workshop on
MACHINING & WELDABILITY OF ARMOUR GRADE STEEL
SUMMARY REPORT

Event Details:

Organizer: Mechanical Engineering Department, NPR College of Engineering and Technology, Natham

Workshop Title: Machining & Weldability of Armour Grade Steel

Date: August 31, 2023

Chief Guest: Dr. N. Vimal Kumar, Proprietor, Vimal Innovation & Manufacturing System, Madurai

Event Highlights:

The program commenced on a traditional note with the rendition of the Tamil Thai Vazhthu. Dr. J. Sundararajan, Principal, extended a warm welcome and felicitated the esteemed chief guest, Dr. N. Vimal Kumar.

Dr. N. Vimal Kumar, the Proprietor of Vimal Innovation & Manufacturing System, Madurai. He shared the extensive knowledge and experience in the field of machining and welding made him the perfect guest for this workshop.

During his session, the chief guest shared his vast experience in the machining and weldability of armour-grade steel. He provided insights into the fundamentals of machining and the welding process, shedding light on their significance in various industries. Dr. Vimal Kumar also emphasized the crucial role of Mechanical Engineers in the industry, inspiring the students with the potential and opportunities in the field.

Moreover, Dr. Vimal Kumar shared his personal journey and professional experiences, including his tenure as an Application Engineer at Prufen Systems Pvt. Ltd. His real-world experiences added practicality to the theoretical knowledge imparted during the workshop.

To conclude the session, Mr. C. Vishnu Bala, final-year Mechanical Engineering student, extended a heartfelt vote of thanks to Dr. Vimal Kumar for gracing the occasion and imparting valuable knowledge. The event ended on a patriotic note with the singing of the National Anthem.

Outcomes:

- ✓ In-depth insights into the machining and weldability of armour-grade steel.
- ✓ Understanding the role of Mechanical Engineers in various industries.
- ✓ Real-world experiences and practical knowledge gained by students.

**Biography**

Assoc. Prof. Dr. Elammaran Jayamani joined Swinburne University of Technology Sarawak Campus (SUTS) in 2007 as a Mechanical Engineer lecturer. Dr. Elammaran is currently serving as a Senior Lecturer of the Mechanical Engineering program at the Faculty of Engineering, Computing, and Science. Elammaran received his BEng in Mechanical Engineering from the University of Madras, India, received his Master of Technology (Energy) from Pondicherry University, India. His Doctor of Philosophy (Materials and process) at University Malaysia Sarawak, Malaysia, has completed his Graduate Certificate in Learning and Teaching (Higher Education) at the Swinburne University of Technology, Melbourne, Australia. His research interest involves Polymer matrix composites, Energy and Environment sustainability, and Thermo-fluids system.

Research Interests

- Energy and environment sustainability
- Thermo-fluids system
- Polymer matrix composites
- Learning and Teaching

Professional Memberships

- International Register of Professional Engineering (IntPE UK)
- Member of the Institution of Mechanical Engineers – Chartered Engineer CEng MIMechE (UK)
- Registered as a Graduate Engineer in Mechanical Engineering with Board of Engineers Malaysia (BEM)
- Life Member in the Indian Society for Technical Education (ISTE)

Webinar on 'Bio-composite Materials'

Chief Guest Profile

PhD/Master by Research Opportunities

Potential research higher degree candidates are welcome to enquire about postgraduate opportunities in the areas listed above. Please e-mail ejayamani@swinburne.edu.my for more information.

Research Grants

- A Study of the Effect of Increased Hydrophobicity via Free Radical Graft Polymerization Produced through Microwave Irradiation on the Interfacial Enhancement of Wood Polymer Composites (FRGS)

Awards

- Best paper award at a "2nd International Conference on "Advances in Materials, Mechanics, Mechatronics, and Manufacturing (IC4M2022)", April 09 – 10, 2022, Organized by Yajurvedam, an association for Educational Empowerment & Social welfare, *India*.
- Best Paper award at 2019 "3rd International Conference on Aerospace, Mechanical and Mechatronics Engineering (CAMME2019)", 21st – 24th February 2019 in Kuala Lumpur, *Malaysia*.
- Best Paper Award at "International Conference on Material Engineering and Application (ICMEA2016)", 19th – 21st August 2016 in Hong Kong, *China*.
- Best Paper Award at "International Conference on Material, Mechatronics, Manufacturing and Mechanical Engineering (ICMMMME2014)", 24th – 25th October 2014 in Kuching, Sarawak, *Malaysia*.
- Best Paper Award at "1st Faculty of Engineering Postgraduate Colloquium (FEPC)", 3rd April 2013, Faculty of Engineering, University Malaysia Sarawak, Kuching, Sarawak, *Malaysia*

Best Presentation Awards

- Best presentation award at "7th International Conference on Mechanical, Manufacturing, and Plant Engineering", November 29 2021, Organized by S.R.C. Group, *Malaysia*
- Best paper and presentation award at an "International Conference on Advances in Materials, Mechanics, Mechatronics and Manufacturing (IC4M 2021)", 6th – 7th March 2021, Gwalior, Madhya Pradesh, *India*.
- Best Presentation award at 2020 "6th International Conference on Mechanical, Manufacturing and Plant Engineering (ICMMPE2020)", November 25 2020 in Kuala Lumpur, *Malaysia*.
- Best Presentation Award at "8th International Conference on Key Engineering Materials (ICKEM2018)", 16th – March 18 2018 in Osaka, *Japan*.
- Excellent Oral Presentation award at "2nd International Conference on Mining, Material and Metallurgical Engineering (ICMMME2017)", 17th – March 19 2017 in Bangkok, *Thailand*.

No. of Participants: 50

Mr. M. K. Sanjay Kumar of IV-year Mechanical Engineering delivered the welcome address.
Dr. T. Saravana Kannan, HoD Mechanical Engineering felicitated the gathering.

Mr. M. Nithesh, IV-year, Mechanical Engineering introduced the Chief Guest.

Dr. Elammaran Jayamani chief guest of the function started with an introduction to composite materials related to the climate changes.

He elaborated about Bio composite and explained the necessity of composite materials. He explained about the natural fiber composites. He also described about synthesis and application of various Bio-nanocomposites. He gave details about sustainability and processing of materials.

During his session, he explained in detail about the various methods involved in the process of composite materials.

Moreover, he added that the Bio-composite materials have great significance in upcoming years. He interacted with the students and faculty members and clarified their doubts.

Finally, Mr. V. Kamaleswaran of IV-year Mechanical Engineering delivered the vote of thanks.

Later certificates were distributed to the participants through mail after getting their feedback.

Respected Sir,

Sub: Requesting permission to conduct Guest Lecture

As per the academic calendar, we have planned to conduct a guest lecture titled "Essentials of Research-Based Learning" on 20/10/23. We identified Dr. C. Manivel, Assistant Prof, International University, Tamil Nadu as the chief guest for this program. We are requesting that you give permission to conduct the same.

Kindly do the needful. Thanking you,

To: MATHAN RAJ M <mathanraj@nprcolleges.org>, SIVAKUMAR N S <sivakumarpsg@gmail.com>

Dear Sivakumar,

I am writing to you on behalf of NPR College of Engineering and Technology, to request the honor of your presence as a guest lecturer at our college. We would be honored if you would deliver a lecture on [topic of lecture] to our engineering students.

We believe that your lecture would be a valuable asset to our students. Your expertise and experience in research would give our students a unique opportunity to learn from one of the best. Your lecture would also be a great opportunity for our students to network with a leading industry professional. We believe that this interaction would be invaluable to their career development.

The lecture is scheduled to take place on 27th October'2023 at 11.15 a.m in NPRCET Campus. We understand that you are a very busy person, but we hope that you will consider our invitation. Your presence at our college would be a great inspiration to our students.

Please let us know if you are able to attend by 27th October'2023. We look forward to hearing from you soon.

Thank you for your time and consideration

THANKS & REGARDS

M.MATHAN RAJ,

ASSISTANT PROFESSOR,

NPR COLLEGE OF ENGINEERING AND TECHNOLOGY,

NATHAM,

Dear Sir,

I am writing to request the opportunity to deliver a lecture to your engineering students on Research Based Learning. I have more than 20+ years of experience in teaching and industrial research, and I am passionate about sharing my knowledge with the next generation of engineers.

My lecture would be titled Research Based Learning, and it would cover Project based learning and Collaborative learning through the research. I believe that my lecture would be a valuable asset to your engineering program. It would provide your students with the opportunity to learn from an experienced professional in the field, and it would help them to develop their technical skills and knowledge.

I am available to deliver my lecture on 27th October 2023. I am also flexible with the time of day and the length of the lecture.

I have attached my CV for your review. Please let me know if you have any questions or if you would like to schedule a time to discuss my lecture further.

Thank you for your time and consideration.

Thank you

--

Guest Lecture on Essentials of Research – Based Learning

Chief Guest's Profile

Introduction:

Dr. N. S. Sivakumar is a distinguished individual who has made significant contributions to the fields of teaching, innovation, and research. With a strong background in both academia and industry, he has carved a niche for himself as a forward-thinking professional who drives the development of innovative products through research. Dr. N. S. Sivakumar's career journey reflects his commitment to excellence and his passion for advancing technology and research.

Professional Background:

Position: Research Associate at Tishk International University, Erbil, Kurdistan, Iraq.

Focus Area: Innovative Product Design and Development

Research Work: Dr. N. S. Sivakumar has actively engaged in research work broadly covering the domains of metallic foams, Polymers and metal matrix composites. He deliberately focuses on the conversion of bio-waste into energy and developing appropriate natural fibers and toughened epoxy for making PMC's and hybrid bio-composites for engineering applications, with significant sustainable developments achieved through the progressive use of AI and machine learning tools. His contributions in this capacity have significantly impacted the development of advanced technologies related to the production of metal and polymer matrix composites with the addition of bio-wastes as reinforcements that fall under the hybrid composite category.

Industry Experience: Dr. N. S. Sivakumar has also gained practical experience in the industry. He served as a tool room assistant in Diesel Machinery Works (DMW) near Maharaja College for woman in Perundurai, Erode, from August 2000 to April 2003. This experience has equipped him with valuable insights into real-world applications of technology and manufacturing processes.

Expertise:

Production of metal

Material Testing

Research and development

Industry Integration

Department of Mechanical Engineering
Guest Lecture on Essentials of Research – Based Learning
Summary Report

Date & Time : 27/10/2023 & 11.15a.m.

Resource Person : Dr. N. S. Sivakumar,
Research Associate,
Tishk International University,
Erbil, Kurdistan, Iraq.

The program commenced on a traditional note with the Tamil-Thai Vazhthu. Mr. K. Shanmuga Priyan, second year student, welcomed the dignitaries. Dr. B. Maruthu Kannan, Principal, extended a warm welcome and felicitated the esteemed chief guest.

Dr. N. S. Sivakumar, emphasized the significance of research-based learning in the field of mechanical engineering. He explained how research not only advances knowledge in the field but also prepares students to become critical thinkers and problem solvers.

The lecture provided an in-depth insight into various research methodologies, such as experimental, theoretical, and computational research. He elucidated the strengths and weaknesses of each approach and the importance of choosing the right methodology for a research project. He discussed the pivotal role of literature reviews in identifying research gaps and formulating research questions. He stressed that a well-defined problem statement is the foundation of a successful research project. The guest speaker highlighted the importance of collecting and analyzing data effectively. He presented various tools and techniques for data collection, along with a focus on statistical analysis to draw meaningful conclusions from the data.

Effective communication, both in writing and presentation, was a key point of the lecture. He explained how to craft research papers and deliver presentations that effectively convey the research findings to a wider audience.

To conclude the session, Mr. J. Arvinth Nagarathinam, second year Mechanical Engineering student, extended a heartfelt vote of thanks to the chief guest for gracing the occasion and imparting valuable knowledge. The event ended with the patriotic note of the National Anthem.

Department of Mechanical Engineering
Guest Lecture on Essentials of Research – Based Learning
Summary Report

Outcomes:

- ✓ The lecture was about the design, development and constructing hands-on solutions to a problem. The educational value of project and research was that it aims to build students' creative capacity to work through difficult or ill-structured problems, commonly in small teams.
- ✓ It provided a comprehensive understanding of the research process and its significance in the field of mechanical engineering.
- ✓ The goal of research-based learning that fulfills disciplinary learning, authentic work, collaboration, and interaction to the students.

Press report

Department of Mechanical Engineering organized guest lecture on 27.10.2023. The function was started at 11.15 a.m. in NPRCET, seminar hall with prayer song.

Dr. B. Maruthu Kannan, Principal, Dr. T. Saravana Kannan, Head of the Department and the Chief guest Dr. N. S. Sivakumar M.E., Ph.D., Research Associate, Research Centre, Tishk International University, Erbil, Kurdistan, Iraq.

Mr. K. Shanmuga Priyan, student of second year mechanical engineering welcomed the gathering. Dr. B. Maruthu Kannan, Principal felicitated the function with his inspiring words and thanked the organizing team for the arrangements made.

Chief Guest N. S. Sivakumar M.E., Ph.D during his address shared the importance of collecting and analyzing data effectively. He presented various tools and techniques for data collection, along with a focus on statistical analysis to draw meaningful conclusions from the data.

Mr. J. Arvinth Nagarathinam of second year mechanical engineering delivered the vote of thanks and the programme came to an end with National Anthem.

Department of Mechanical Engineering
Seminar on Recent Trends in Mechanical Engineering
Permission Letter

From
Dr. S. Paulsingarayer, & Mr. G. Sundararajan
Associate Professor, Assistant Professor,
Department of Mechanical Engineering,
NPR College of Engineering & Technology,
Natham

To
The Principal
NPR College of Engineering & Technology,
Natham

Through: Paper channel.

Sir,
Sub: To conduct a seminar on Recent Trends in
Mechanical Engineering - regd.

As per Academic calendar, we have plan to
conduct the Seminar on Recent Trends in Mechanical
Engineering on 21.02.2024 (Wednesday), by
Dr. B. Stalin, Associate Professor, Anna University, Madurai
Regional Campus. Kindly permit to conduct the
Program as per schedule. Please do needful.

Thank you,
Date: 14.02.2024
Place: Natham.

Yours faithfully,
J. Anbarasan
(Dr. S. Paulsingarayer)
G. Sundararajan

FORWARDED TO ADMIN. OFFICE
Principal
NPR College of Engineering & Technology
Natham, Dindigul Dist, 624 401

- Manufacturing Engineering
- Mechanical Engineering
- Optimization Techniques

Dr.B.Stalin is currently working as Assistant Professor-Senior Grade in the Department of Mechanical Engineering, Anna University, Regional Campus Madurai. He obtained his Bachelor's degree in Mechanical Engineering from Madras University, his Master's degree was from Anna University, Chennai with First Class Distinction. He awarded his Ph.D. in the Faculty of Mechanical Engineering from Anna University, Chennai. He is a life member of the Indian Society for Technical Education, The Institution of Engineers (India) and Member of Engineering Council of India of Professional Engineer. He is having more than 20 years of professional teaching and research experience. He has published over 186 research papers in International Journals, authored 4 books, and received 4 patent grants. He has presented 21 research papers in the International Conferences in reputed institutions, 77 research papers published in the International and National

Seminar on Recent Trends in Mechanical Engineering

Summary Report

Date & Time : 21/02/2024 & 11.00 a.m.

Chief Guest : Dr.B. Stalin,
Assistant Professor- Senior Grade,
Department of Mechanical Engineering,
Anna University Regional Campus, Madurai.

The seminar on recent trends in Mechanical Engineering commenced with a warm welcome address by Mr. M.K. Sanjay Kumar, a final year student of the Mechanical Engineering department. Following this, Dr. B. Maruthu Kannan, the principal, delivered the felicitation address, highlighting the significance of staying updated with the latest advancements in the field. Mr. B. Karthick, third-year student of Mechanical Engineering, then introduced the esteemed Chief Guest, Dr. B. Stalin, an Assistant Professor in Senior Grade from the Department of Mechanical Engineering at Anna University Regional Campus, Madurai. Dr. Stalin shared insights into the trends and technologies in Mechanical Engineering during his address, enriching the audience with valuable knowledge and perspectives.

In his address, Dr. Stalin shed light on various aspects, including advancements in materials science, automation, and sustainable energy solutions, which are shaping the future of Mechanical Engineering. He emphasized the importance of interdisciplinary collaboration and continuous learning to adapt to the rapidly evolving landscape of the industry. Moreover, Dr.B. Stalin encouraged the students to explore research opportunities and contribute to innovation in the field.

The seminar concluded with a vote of thanks delivered by Mr. C. Vishnu Bala, final year student of Mechanical Engineering, expressing gratitude to all the dignitaries, speakers, and participants for their valuable contributions in making the event a success. Overall, the seminar provided a platform for students to gain insights into trends and developments in Mechanical Engineering, fostering a spirit of curiosity and enthusiasm towards exploring new frontiers in the field.

NPR Nagar, Natham - 624 401, Dindigul Dist, Tamil Nadu. Ph: 04544 - 246500, 501, 502.

Outcome:

The seminar on recent trends in mechanical engineering served as a catalyst for stimulating discussions, knowledge exchange, and collective action towards embracing innovation and shaping the future of the field. The outcomes generated from the seminar are expected to have a lasting impact on the way mechanical engineering is practiced, taught, and perceived in the years to come.

Seminar on Recent Trends in Mechanical Engineering

Press Report

The recent seminar on Mechanical Engineering trends, held on February 21, 2024, at NPR College of Engineering & Technology, was a significant gathering that brought together students, faculty, and professionals alike to delve into the latest advancements shaping the field. Mr. M.K. Sanjay Kumar, a final-year Mechanical Engineering student, warmly welcomed attendees, highlighting the importance of staying updated in this rapidly evolving domain. Dr. B. Maruthu Kannan, Principal of NPR College of Engineering & Technology, delivered a felicitation address, emphasizing the necessity of such forums for fostering innovation and knowledge exchange among aspiring engineers.

The event gained momentum as Mr. B. Kathick, a third-year Mechanical Engineering student, introduced the esteemed Chief Guest, Dr. B. Stalin, from the Department of Mechanical Engineering at Anna University Regional Campus, Madurai. Dr. Stalin's address resonated deeply with the audience as he shed light on cutting-edge developments and emerging technologies within Mechanical Engineering. Stressing the significance of interdisciplinary collaboration and continuous learning, Dr. Stalin urged attendees to explore research opportunities and contribute to the field's advancement.

The seminar concluded on a high note with Mr. C. Vishnu Bala, a final-year Mechanical Engineering student, delivering a heartfelt vote of thanks. He expressed gratitude to all participants, speakers, and organizers for their invaluable contributions to the success of the event. Overall, the seminar served as a platform for attendees to gain insights, exchange ideas, and nurture their enthusiasm for exploring the forefront of mechanical engineering in today's ever-changing landscape.

NPR College of Engineering & Technology
Natham

Through proper channel.

Respected sir,

Sub: Requesting permission to conduct webinar on

As per academic calendar we have planned to
conduct webinar on the title of "Advances in Welding
technology" on 24/02/2024 through google meet. We
identified Dr. P. Hariprasath, Research Engineer (R&D), ESAB
Corporation, Chennai as a resource person. We request
you to give permission for conducting this webinar
on the same date. Please do need full

Thanking you.

Place: Natham

Date: 17/02/2024

on 24.2.24

Time: 10 am to 11 am

Forward to principal

TST

17.2.24

HOD/Mech T. CARAVANA KANNAN

Yours faithfully

1. T. Bala Subramanian
2. M. Mathanraj

Chief Guest Profile

- **Dr. P. Hariprasath**, is a researcher and expert in the field of Material Science, Welding Metallurgy, Welding Processes, Material Characterization, Physical Metallurgy, Product Development, Fatigue, Fracture mechanics, Corrosion, Modelling, Finite element Analysis.
- He is having 6+ years of research experience in this domain. He completed Mechanical Engineering in Anna University, followed by M. Tech Welding Technology in Annamalai University. He has completed Ph.D in Manufacturing Engineering in Annamalai University.
- He has worked as a Senior research Fellow in Defense research development Organisation (DRDO) Project under the Naval Research Board (NRB). Also, he has research contributions in Gas Turbines Research Establishment (GTRE-DRDO) Bangalore for the Aero Engine Applications. Currently,
- He is working as Research Engineer in Research and Development (R&D), at ESAB Corporation, Chennai. With this Research Expertise he has published more than 15 research publications in international Journals and he is having H-index of 8. He has attended more than 20 National and international Conferences and has received three Best Paper Awards.

Webinar on 'Advances in Welding Technologies' Report of Webinar

Date & Time : 24/02/2024 & 10.00 a.m.

Resource Person: Dr. P. Hariprasath, Research Engineer - R&D, ESAB Corporation, Chennai.

No. of Participants: 64

The webinar titled "Advances in Welding Technologies" was successfully conducted on February 24, 2024, via Google Meet. The event was hosted by the Department of Mechanical Engineering of NPR College of Engineering & Technology, Natham, specifically tailored for students and faculty members from the Mechanical Engineering department. Mr. M. Gokul, third-year Mechanical Engineering student, warmly welcomed the attendees with his opening address. Following this, Dr. B. Maruthu Kannan, the Principal, delivered the felicitation address, acknowledging the significance of such webinars in enriching the knowledge and skills of participants.

Mr. B. Karthick, third-year Mechanical Engineering student, introduced the esteemed chief guest, Dr. P. Hariprasath, Research Engineer at ESAB Corporation, Chennai. Dr. Hariprasath shared valuable insights and expertise on the latest advancements in welding technologies during his address. The webinar concluded with vote of thanks delivered by Mr. P. Santhoshkumar, another third-year Mechanical Engineering student, expressing gratitude to all participants and particularly to Dr. Hariprasath for his invaluable contribution to the event.

Later certificates were distributed to the participants through mail after getting their feedback. Overall, the webinar provided an enriching platform for insightful discussions and learning opportunities for the Mechanical Engineering students and faculty members, further enhancing their understanding of contemporary welding technologies.

Department of Mechanical Engineering Webinar on 'Advances in Welding Technologies'

Outcomes of the Program

The outcome of the "Advances in Welding Technologies" webinar was the enrichment of participants' knowledge, fostering active engagement, and promoting industry-academia collaboration.

Relevance to POs and PSOs

Program Outcome's mapped with this Industrial visit

- PO1 -Engineering Knowledge
- PO2 - Problem analysis
- PO3 - Design/ Development of solutions
- PO4 -Conduct investigations of complex problems
- PO5 - Modern tool usage
- PO6 - The engineer and society
- PO7 -Environment and sustainability
- PO8- Ethics
- PO9 -Individual and teamwork
- PO10- Communication
- PO12 - Lifelong learning

Program Specific Outcome's mapped with this webinar

1. Apply engineering knowledge in design & analysis tools to solve the real time problems in the areas of structural, thermal and fluid mechanics.
2. Acquire knowledge and undertake or execute projects in the area of modern materials and automobiles.

On completion of this webinar the following POs and PSOs were enabled:

Webinar	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO11	PO12	PSO1	PSO2

DEPARTMENT OF MANAGEMENT STUDIES

Five Days Orientation Program - 2023

Date: 28.08.2023 to 01.09.2023

About our Institution:

NPR College of Engineering & Technology (An Autonomous institution), Accredited by NAAC 'A' Grade with 3.25 CGPA, a premier institution offering Engineering and Management Programs Affiliation to Anna University Chennai. Under Management programs stream we are offering MBA (Two Year Full Time) Program since 2009. The institution was established in 2008 by Titan Educational Trust with an exalted aim of uplifting rural students to excel in the field of Engineering and Technology. It is approved by AICTE and affiliated with Anna University, Chennai. The institution encompasses a lush green environment with lawns and gardens in pristine surroundings conducive to learning. The institution offers 7 Under Graduate courses in Engineering, 2 Postgraduate courses in Engineering as well as Management Studies. Our college is an institutional life member of various professional bodies like ICI, ISTE, IETE, and CSI. Our institution has a Centre of Excellence in CISCO, IIC, Red Hat Academy, Rural Entrepreneurship Development Cell, and the local chapter of NPTEL. The college has a vibrant Placement Cell, Women Development Cell, Industry – Institute Interaction Cell, Internal Quality Assurance Cell, and signed MoUs with leading National and International engineering industries. Being the green campus, our college is honoured with IGEN Award and JAL SAKTHI award for Clean and Smart campus by AICTE in 2019.

The institution has an appealing infrastructure with 7 seminar halls, 1 fully air-conditioned seminar hall, 4 drawing halls, a smart classroom in each department, a digital library, a computer center, and 100 Mbps Wi-Fi connectivity available throughout the campus. The institution has well-furnished and sophisticated hostel facilities with an indoor gym separately for boys and girls and a mess providing hygienic food varieties as per the choice of students. The institution has a hygienic mega cafeteria, ATM center, Ambulance facility, medical center, and well-connected transport facility covering nearby districts.

Beyond academics, the institution instils self-discipline among students and motivates them to participate in various club activities, sports, and games, especially cricket. The institution has a turf cricket ground with international standards approved by BCCI where Ranji Trophy, Tamil Nadu Premiere League (TNPL), and many first-class matches are conducted.

About our Department:

The Department of Management Studies (DOMS) is one of the India's oldest and the most prestigious course, established as early as 2009. The objectives with which this Institute was conceived have not been abandoned; but new ones have been added up over time. Training practicing managers, innovating and professionalizing management in priority sectors and the thought towards globalization have been added. These have profoundly changed the character of DOMS from a multi-dimensional Institute of Management to alter the quality of life itself through excellent management. The purpose of DOMS has been to influence the way organizations are managed in the country. The Institute consequently has developed strong linkages with the practicing world and overtime its faculty members have acquired deep understanding of the issues of major concern for organizations.

The Department of Management Studies offers MBA programs on a 2 year full time basis. The students are provided with an opportunity to specialize in any one of the areas namely **Marketing, Human Resource, Finance, Business Analytics, Real estate Finance, Logistics and supply chain management, Tourism Management and Operations.**

About Induction Programme

NPR College of Engineering & Technology, The Department of Management Studies has organized "**5 Days Orientation Programme - 2023**" for the first year students during **28th August 2023** to **1st September 2023**. The objective of the programme is to formally welcome the newly arrived students to NPR family and assist them in starting their academic journey.

The induction programme was brought in with a view to uplift the level of the entrants to an elevated stage, promote all-round development and exposing learners' stigmas to minimize and to maximize their learning. Learners come with diverse thoughts, backgrounds & perceptions. Hence it becomes important to help them adjust to the new environment & inculcate the ethos of the institution with a sense of larger purpose. That is where the lacuna lies which demands a program dynamic enough to address the issue. NPR has organized a One week Orientation programme with an objective to provide ample of time and a platform for the transition of students from under graduate to the Post Graduate. An Orientation programme is a harbinger of various in-campus & off-campus activities specially designed for entrants to fill the gap.

Respected Sir,

Sub: Requesting permission to conduct MBA orientation program 2023-2025 batch - regarding

As per the Admin instruction, we have started our MBA freshmen batch classes on 07.08.2023. We have a plan to conduct one week orientation program as per our Academic schedule from 28.08.2023 - 01.09.2023. Kindly permit us to conduct this orientation program, also here with we are enclosing schedule, function permission & Guest's profile, also two bus for outbound training (Srirumalai).

Thanking You

DAY 1 (28.08.2023)

A first day Orientation program starts by 9.30 a.m. – **One day Experiential Workshop on Time Management - “Catch the Unstoppable”** has briefed the students about the importance of time. He has encouraged the students to develop the hard and soft skills within 2 years in order to achieve their goals.

The poster for the NPR College of Engineering & Technology (Autonomous) Orientation Programme for Freshers (2023-25 Batch) is displayed. It features the college's logo, accreditation details (NAAC 'A' Grade, UGC Recognition, ISO 9001:2015 Certified), and logos of MoE's Innovation Cell and Institution's Innovation Council. The main title is "One day Experiential Workshop on Time Management - 'Catch the Unstoppable'". The date is 28.08.2023 (Monday), time is 09.30 a.m., and the venue is NPRGI A/C AUDITORIUM. Co-ordinator :
Dr. K. Binith Muthukrishnan
ASP/MBA

The principal of NPRCET, Dr. J. Sundararajan formally welcomes the 1st year MBA students and facilitated. Also, He honoured the chief guest with shawl. Followed by him the chief guest started his session. He gave a brief address on Time management and how it is important for MBA graduates. He also shared some of the real time examples on time management.

The session was informative which highlighted "**Investment of time**". He encouraged the students to fix their own goal and focus on it. Also, directed the students regard How to break out their distraction.

He expressed his sincere gratitude to NPR College for their support. Also, He elaborated his experience as a student of NPR which gave him confidence to face the real world outside the campus. He has conducted some of the activities that enrich the value of time.

He makes the students to realize In what they are good at? through the activity. And that helps the students to identify the core strength of themselves. He also emphasized the importance of personal management, time management, punctuality, dress code as professionals, which all would add up on their reputation. The students felt that the session was very informative and enjoyable.

DAY 2 (29.08.2023)

DAY 2 (29.08.2023) - FN SESSION

In the forenoon session (Day 2), the program organized is **HR Connect** with **Ms.A.Vedha**, HR Executive, Anil Foods (FMCG company) Private Limited, Dindigul.

She had a discussion with the students regard the various roles and responsibilities of HR in an organization. The students were made to know the importance of communication skills for all types of professions.

She also clarify the various queries of the students and motivated them to do certificate courses that helps them to get differentiated from others. It was an enlightening experience and aimed at developing the listening and speaking skills of the students instead of merely providing the theoretical knowledge. Moreover, the lecture was interactive and informative.

DAY 2 (29.08.2023)

DAY 2 (29.08.2023) - AN SESSION

In the afternoon session (Day 2), the program organized is **Alumni Interaction** with **Mr.K.Suseendran**, HR Executive, Markarian Private Limited, Bangalore Distinguish Alumni: 2018-20 & **Ms.V.Soundarya**, Operational Excellence Officer, Reliance Retail, Coimbatore Distinguish Alumni: 2019-21

Mr. K. Suseendran started the session by sharing his own work life experience. He instructed the students to focus on one field at a time. He interacted with the students who wants to build their career in corporate company. This session helps the students to get a ideas about the survival of HR executive in corporate world.

The program's aim was to share the proficiency with programming languages which will aid students to improvise their career. He gave many links to search for desired jobs to the student's community and at the end of the session, there was an interactive session with the alumni answering to various queries raised by the students.

DAY 3 (30.08.2023)

PSG College of Arts and Science,
Coimbatore.

Date : 31.08.2023 (Thursday)
Time : 9.30 a.m.
Venue: NPRGI A/C AUDITORIUM

The program's aim is to make the students write and publish the research papers. The lecture take over the session as a very informative one. He taught the students regard

1. How to choose a field or branch for study?
2. How to identify the research problem?
3. What is review of literature and how to source that?
4. How to choose the research design?
5. How to develop the sample design?
6. What are all the various methods of data collection (ie..Primary and Secondary dada)?
7. What are all the tools used to analyse and interpret the data?
8. How to write a report?

The lecture sort out the queries arises out from the students in terms of choosing the tittle and the alternative software used other than the SPSS for data analysis and interpretation. Also , He shared some of the title to be chosen for the final year projects.

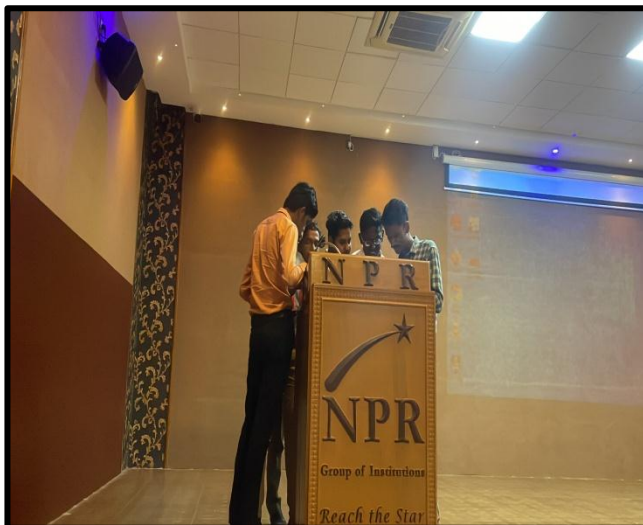

He tries to make the students get cleared in step by step process involved in research. He also gave the guidelines for publishing the book. Overall students found it to be a very useful session.

DAY 4 (31.08.2023)

DAY 4 (31.08.2023) - AN SESSION

In the afternoon session (Day 4), the session organized is **"Talent exhibit by Fresher's"**

The new batch showcased their diverse talents and creativity through their introduction and dance performance. Entire Session hosted by our II Year MBA Students. 1st year MBA Students fully enjoyed this session. Without any hesitation they were participated.

The main reason behind organizing these competitions is to nurture the intrinsic qualities of students & remove the fear of stage among students, which helps in personality development too. The competition included following categories: Group Dance, Group Song, AD Acts and Storytelling performances and so on.

DAY 5 (01.09.2023)

One day Trekking & Outbound training

Place: Sirumalai Hills, Sirumalai, Dindigul District

With an aim of enhancing team performance through experiential learning, NPR College of Engineering & Technology MBA Department organized an One day trekking & outbound training on September 01, 2023 for the MBA Students.

The poster is for the NPR College of Engineering & Technology (Autonomous) MBA Department. It features the college's logo and NAAC 'A' Grade accreditation. The main title is 'Department of Management Studies (MBA) ORIENTATION PROGRAMME FOR FRESHERS 2023-25 Batch'. The specific activity is 'Trekking & Outbound Training'. Three inset photos show students participating in various activities: hiking on a trail, crossing a rope bridge, and a group exercise. A yellow box lists the program activities: Experimental Learning, Strategic Thinking, Group Planning Exercise, Jump in Jump out, Find the commander, Find the path way, and Balloon breaking. At the bottom, it lists the Principal (Dr.J.Sundararajan), HOD/MBA (Dr.B.Velmurugan), Date (01.09.2023 Friday), and Venue (Sirumalai Hills, Sirumalai).

Respected Sir

Sub: Requesting to conduct value added course for
MBA final year. Reg

I would like to bring the following matter for
your kind perusal. Training & placement cell of NPRGI
organize value added course for MBA final years. We
suggest one course - Advanced Excel. Value added course will
start from 06.11.2023 to 10.11.2023 full day session. for that
we need Internet facility in MB 303 (MBA LAB) & MB 311 (COOP
LAB) in NPRCET Main Block. kindly provide movable projector &
Internet facility, trainer food & accommodation for two trainers.
please do the needful sir

Thanking you

SAMPLE QUIZ QUESTION PAPER WITH ANSWER KEY

1. _____ appear at the bottom of the Excel window.
 - a) Title bar
 - b) Formula bar
 - c) **Work sheet tabs**
 - d) Name box
2. What are the basic rectangular building blocks of a spreadsheet?
 - a) **Cells**
 - b) Zoom slider
 - c) Help button
 - d) All of these
3. Which of the following is not a term pertaining to spreadsheets?
 - a) Cell
 - b) Character
 - c) **Browser**
 - d) Formula
4. Another name for a pre-programmed formula in Excel is
 - a) Cell
 - b) Graph
 - c) **Function**
 - d) Range
5. Excel is a program that is used to prepare a.
 - a) Slide presentation
 - b) **Spreadsheet**
 - c) Text document
 - d) Database
6. In which tab wrap text feature is present in MS Excel 2007?
 - a) Formulas
 - b) View
 - c) Insert
 - d) **Home**
7. Which of the following identifies a cell in Excel?
 - a) Address
 - b) Formula
 - c) Name
 - d) **Label**

ADD ON COURSE - ADVANCED EXCEL SUMMARY REPORT

Department of Management Studies organized Add on Course on "ADVANCED EXCEL" from 06.11.2023 to 10.11.2023 at our College Premises. Ms.S.Asma II year MBA delivered the welcome address.

Dr.B.MARUTHU KANNAN, Principal felicitated the students. This one week course gave over view about ADVANCED EXCEL. TOP FRESHERS-MADURAI shared their knowledge about ADVANCED EXCEL is basically the process of improving the skill sets as well as the knowledge of the management professionals. This can be done through training program specially designed to increase the business acumen. So that students enable to have skills that will help them to apply in future.

The students learnt various techniques and coding for developing ADVANCED EXCEL 60 students attended from MBA II year. Students' who have participated and successfully completed the online test have been awarded with certificates.

Vote of thanks was delivered by R.Vignesh- II Year MBA.

Department of Management Studies Seminar on 'Financial Literacy on Capital Market/ Stock Market & 'Reprogramme Your Mind' Summary

Date of the Event	05.12.2023 (Tuesday)
Number of Student Participants	113
Mode of Program	Offline
Guest Speaker Details	1. Mr.Rajesh Babu Rajarathinam, Skill Trainer, (Association with BSE & SEBI), Madurai. 2. Mr.Ashok Muthusamy, Hypnotist & Life Coach, Mind Illusions, Hyderabad

The Department of Management organized a Seminar on 'Financial Literacy on Capital Market/ Stock Market & 'Reprogramme Your Mind' on 05th December 2023 through offline mode.

Mr.G M.Syed Mohamed Suhaif, I Year MBA Delivered the welcome address

Ms.S.Preetha, I Year MBA introduced the Guest Speaker.

During the felicitation address Dr.B.Maruthu Kannan, Principal explained the importance of this Seminar and also encouraged the students to gain more knowledge in the field of Share market.

Mr. Rajesh Babu in his speech elaborated on various policies and schemes available in the market to create awareness about savings and investments. Mr. Ashok Muthuswamy in his talk, elaborated on memory skills and the use of mind mapping techniques for improved learning, problem solving and information retention.

Ms.M.Gopika, I Year MBA proposed vote of thanks.

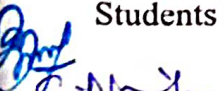

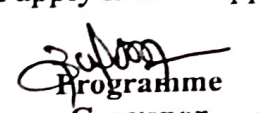

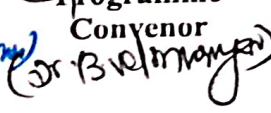

Outcome:

Session 1:

Students were able to analyze the different investment avenues.

Session 2:

Students can apply mind mapping techniques in their domains.

Dear Sir/Madam,

Sub: Participation in State Level Inter-Collegiate meet for UG Students - Invitation

Greetings from NPRCET....!!!

We are pleased to introduce NPR College of Engineering & Technology, a premier institution with **Autonomous status**, accredited by NAAC 'A' Grade with 3.25 CGPA, offering Engineering and Management Programs affiliated to Anna University, Chennai. Under Management Studies, we offer MBA (Two Year Full Time) Program since 2009.

We are glad to inform you that we are organizing a **State Level Inter-Collegiate Meet "FINESTRA-2K24"** for the Under Graduate students on **Friday, 01st March 2024** in our campus. **Best CEO, Just A Minute, Business Quiz, Face Painting, Art from Waste, Connection, Mime, Ad-Act, Corporate Walk & Group Dance** are the events that are being organized.

"FINESTRA-2K24" competition provides unique opportunity to acquire Managerial Skills, Leadership and above all the Teamwork. Besides, participants revisit their classroom teachings and test their acumen in simulated environment.

We are inviting you and the Students of your esteemed Institution to take part in various events of the meet as detailed in the attachment. We hereby enclose the brochure along with the Event Rules & Regulation and the Registration form.

Kindly send us the participants' list (Undergraduate students) on or before 25-02-2024 through the mail (nprcetmba@nprcolleges.org) and the hard copy to the above mentioned address. We look forward to your student's active participation in all the events.

Best regards

Dr.B.Maruthukannan

Dear Sir/Madam,

Sub: Sponsorship Proposal - Inter Collegiate Meet - Reg.

Greetings from NPRCET.....!!!

We are pleased to introduce NPR College of Engineering & Technology, a premier institution with **Autonomous status**, accredited by NAAC 'A' Grade with 3.25 CGPA, offering Engineering and Management Programs affiliated to Anna University, Chennai. Under Management Studies, we offer MBA (Two Year Full Time) Program since 2009.

We are glad to inform you that we are organizing a State Level Inter-Collegiate Meet "FINESTRA-2K24" for the Under Graduate students on **Friday, 01st March 2024** in our campus. **Best CEO, Just A Minute, Business Quiz, Face Painting, Art from Waste, Connection, Mime, Ad-Act, Corporate Walk & Group Dance** are the events that are being organized.

For "FINESTRA-2K24" we are looking for a Sponsor. This event is well suited for **Sponsorship** as it appeals the audience which is relevant to your Company. It is a State level event and **students from many colleges across the state** are invited to compete against each other. I believe it is an opportunity for you to advertise as well. Also, it will be an honor to have you as our proud sponsor.

Approximately **750 Arts & Science Students** are expected to participate in the Management meet, along with our **2500+ students** from Engineering, Arts & Science, Polytechnic and Nursing College in our Campus.

Our offer through Sponsorship is all our communication (Posters & Banners) during the campaign it include **your company's logo, Sponsor's name will be announced repeatedly** during the events, and we provide one stall of 10' x 10' space and your posters, standees & banners would be displayed in our college campus in the identified places during our event.

Best regards

Dr.B.Maruthukannan
