Training and Placement Cell Workshop on Problem Solving Skills

Profile of the Chief Guest

Vishal Vijaykumar

Professional Summary:

With a Bachelor's degree in Mechanical Engineering and over 11 years of diverse experience, Vishal Vijaykumar, bring a unique combination of technical expertise and human resource management skills. My career journey began in 2013 as a Temporary Trainee at Gestamp Automotive Chennai Private Limited, where I honed my skills as a Production Engineer for six years in the manufacturing industry.

Driven by a passion for organizational growth and people development, I transitioned to the Human Resources domain through an "Internal Job Posting" and have since accumulated five years of comprehensive experience in HR and administration. Currently serving as an HR Specialist, my core responsibilities include Learning & Development, Recruitment, and Facility Management.

Key Achievements:

- Spearheaded the development of the "Gurukulam" training center at Gestamp, fostering skill enhancement and professional growth.
- Successfully designed and implemented a Learning Management System across all India plants, standardizing training processes.
- Conducted recruitment drives in over 50 colleges across Tamil Nadu and North India, contributing to a robust talent acquisition pipeline.
- My cross-functional background and dedication to continuous improvement make me a dynamic professional capable of bridging technical and HR domains to drive organizational success.

Training and Placement Cell Guest Lecture on Leadership Skills Summary

Resource Person : Mr.G.Paneerselvam, Managing Trustee,
Madurai Agriculture Market Committee, Madurai

Venue : NPRGI Auditorium

No. of Participants : 134

The Training and Placement Cell at NPR College of Engineering & Technology organized a Guest Lecture on Leadership Skills for Final Year CSE, ECE and EEE department students at NPRGI Auditorium on 04.08.2023.

Mr.S.Akash of IV Year ECE delivered the welcome address.

Ms.S.Keerthi of IV Year CSE delivered the chief Guest introduction.

The program was inaugurated by Principal Dr.J.Sundararajan, who, in his speech, highlighted the significance of the event and its relevance to the students' development. He also motivated the students to focus on enhancing their skills and preparing diligently for upcoming placement opportunities.

The Guest Lecture on Leadership Skills was delivered by an expert Mr.G.Paneerselvam, in leadership development and organizational behaviour, with a strong academic background and extensive experience in guiding individuals and teams toward success, the resource person shared valuable insights into the key traits of effective leadership, such as communication, decision-making, problem-solving, and team motivation. Drawing from real-world examples and personal experiences, the speaker emphasized the importance of self-awareness, adaptability, and emotional intelligence in leadership roles. The lecture also provided practical strategies to develop and enhance leadership abilities, encouraging students to apply these skills in both their academic and future professional lives.

He conversed with the students, resolving their queries and offering helpful clarifications. To conclude, the students provided constructive feedback, expressing their appreciation for the program.

Mr.S.Saravanakumar of IV Year EEE delivered the vote of thanks and the programme was completed with the National Anthem.

The Training and Placement Cell at NPR College of Engineering & Technology organized a Seminar on Critical and Creative Thinking for Third and Final Year CSE department students at NPRCET Seminar Hall on 30.01.2024.

Ms.N.Fahmitha Sirin of III Year CSE delivered the welcome address.

Mr.S.Tharvinraja of IV Year CSE delivered the Chief Guest introduction.

The program was inaugurated by Principal Dr.K.Maruthu Kannan, who, in his address, emphasized the significance of the seminar and its relevance to the students' personal and professional growth. He also motivated the participants to focus on skill development and readiness for placement opportunities.

Resource person focused on enhancing participants' ability to think analytically and innovatively. Dr.A.Samuel Raja highlighted the importance of critical thinking for logical analysis and decision-making, alongside creative thinking for problem-solving and innovation. Through interactive sessions, case studies, and practical exercises, attendees explored the synergy between these skills and their application in real-world scenarios, particularly in engineering fields. The program provided valuable insights and tools to foster a balanced, innovative mindset essential for academic and professional success.

He engaged with the students, addressing their queries and providing insightful clarifications. Concluding the session, the students shared their valuable feedback on the program, highlighting its effectiveness and relevance.

Ms.V.Sumitha, of III Year CSE delivered the vote of thanks and the programme was completed with the National Anthem.

Respected Sir,

Sub: Submission of Proposal for Workshop for First Year students - Permission requested.

We propose to conduct a Workshop on

"Empowering Effective Communication Skills of Engineering Students: Leveraging Internet Repositories and Online Certifications" inviting a

resource person Dr. V. R. Kasthuri, Assistant Prof of English, National Institute of Technology, Trichy. She is specialized in communication skills and has published several papers on English & Communication. She is the recipient of National Award for Excellence in Education.

We request you to grant us permission to conduct the workshop for all the first year students for the duration of 2 days.

Dear Dr. V. K. KARTHIKA

I hope this message finds you well. We extend our formal invitation to you to enlighten our students by conducting a Workshop at our esteemed institution on the topic "Empowering Effective Communication Skills of Engineering Students: Leveraging Internet Repositories and Online Certifications".

Event details,

Date: 10.05.2024, Time: 11 a.m, Venue: NPRGI Indoor Auditorium.

Your expertise and extensive knowledge in Improving Communication Skills in the current scenario will undoubtedly provide valuable insights to our students.

The workshop aims at strengthening our engineering students to equip themselves better in English communication skills so as to empower in effective communication skills for their lifelong learning by utilizing internet Repositories and online courses.

We'd like to ask you to confirm your availability for this event.

For additional information, please feel free to contact Dr. Ragupathi. R (9655616156). Head, Department of English. He will be happy to assist you.

We look forward to hearing from you.

Thank you.

With Regards,

Vision

- To develop students with intellectual curiosity and technical expertise to meet the global needs.

Mission

- To achieve academic excellence by offering quality technical education using best teaching techniques.
- To improve industry - institute interactions and expose industrial atmosphere
- To develop interpersonal skills along with value based education in a dynamic learning environment.
- To explore solutions for real-time problems in the society.

I hope this message finds you well. We extend our formal invitation to you to enlighten our students by conducting a Workshop at our esteemed institution on the topic "Empowering Effective Communication Skills of Engineering Students: Leveraging Internet Repositories and Online Certifications".

Event details,

Date: 10.05.2024, Time: 11 a.m, Venue: NPRGI Indoor Auditorium.

Your expertise and extensive knowledge in Improving Communication Skills in the current scenario will undoubtedly provide valuable insights to our students.

The workshop aims at strengthening our engineering students to equip themselves better in English communication skills so as to empower in effective communication skills for their lifelong learning by utilizing Internet Repositories and online courses.

We'd like to ask you to confirm your availability for this event.

For additional information, please feel free to contact Dr. Ragupathi. R (9655616156). Head, Department of English. He will be happy to assist you.

We look forward to hearing from you.

Thank you.

With Regards,
First year Coordinator,
Department of Science and Humanities,
NPR College of Engineering & Technology (Autonomous),
(Accredited By NAAC 'A' Grade With 3.25 CGPA)
NPR Nagar, Natham,
Dindigul 624 401.

Vision

- To develop students with intellectual curiosity and technical expertise to meet the global needs.

Mission

- To achieve academic excellence by offering quality technical education using best teaching techniques.
- To improve industry – institute interactions and expose industrial atmosphere
- To develop interpersonal skills along with value based education in a dynamic learning environment.
- To explore solutions for real-time problems in the society.

Chief Guest Profile

Dr. V.K. Karthika is Assistant Professor of English in the Department of Humanities and Social Sciences at National Institute of Technology, Tiruchirappalli. She earned her Master's degree in TESOL Studies from the **University of Leeds, England** after a Master's in English and Comparative Literature with 1st Rank and a Gold Medal from **Pondicherry Central University, India**. She completed her B.A. in English Language and Literature, a 2nd Rank from **Mahatma Gandhi University, India**. She began her teaching career in England as an ESOL instructor and assessor for ESOL Examinations and conducted studies related to language acquisition, cultural adaptation and professional needs of English instructors. During the four years she spent in England as a student and a teacher, she gained insights into the challenges encountered by language learners and the potential remedies that resolve them and polished her understanding of a multicultural, multilingual and multi-ethnic learning and teaching scenario. She earned her doctorate in English Language Education from the **English and Foreign Languages University (EFL-U), Hyderabad, India**.

She has been invited to offer training sessions on Language and Literary Studies, Popular Culture, Employability and Communication Skills by IITs, NITs, IIITs, Central Universities and other public and private higher education institutions. She serves as a reviewer for internationally renowned SCOPUS indexed and UGC CARE Listed journals. She has bagged several awards, which include the prestigious Tetley and Lupton Scholarship from the University of Leeds, the Community Care Award for Teaching from Word of Grace Learning Centre, Leeds, England. Her teaching philosophy is deeply rooted in her belief that education must be an agent of transformation by enabling its stakeholders to activate social and emotional learning, thus building a better humanity.

I had a great experience here with the faculty and students. Amazing hospitality and overwhelmingly polite interaction! I must say that the students are brilliant and quite switched on. The faculty seem to be genuinely interested in the holistic development of the students. There could be more faculty training programmes to enrich their Continuing Professional Development practices. All the best to both the students & faculty!

Press Report

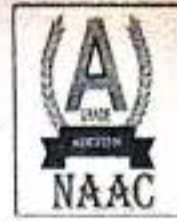

The Department of Science and Humanities organized a workshop on **Empowering Effective Communication Skills of Engineering Students: Leveraging Internet Repositories and Online Certifications** at 11.30 a.m. on 10.05.2024. Dr.V.K.Karthika, Assistant Professor, Department of Humanities and Social Sciences, National Institute of Technology, Tiruchirappalli acted as the Chief Guest. Dr.P.Shanmuga Priya, Associate Professor of English honoured the chief guest. Ms.G. Marisandhya I Year CSE 'A' delivered welcome address. Dr.B.Maruthu Kannan, Principal, rendered his felicitation address. Ms.Rishwana Begum, I Year AI&DS introduced the Chief Guest.

The chief guest in her special address motivated the students to hone their communication skills. She stressed the importance of nurturing one's soft skills. She advised the students to make WOOP analysis. She suggested the students to update their technical skills by learning via online certifications platform like NPTEL. Her session was informative and highly useful to the students. Mr.R.Sathya Moorthy, I year Civil proposed vote of thanks.

Workshop on 'Master Grammar: Boost Your Proof Reading'
Summary

Chief Guest : Dr. S.Rajaram, Professor of English,
Thiagarajar College of Engineering, Madurai

Venue : NPRCET Seminar Hall

No. of Participants : 192

NPR College of Engineering & Technology conducted a Workshop on 'Master Grammar: Boost Your Proof Reading' for II year ECE and CSE students at NPRCET Seminar Hall on 24th November 2023.

Ms. S.Jeeviha, II year CSE delivered the welcome address.

Mr. M.Sanjay, II year ECE introduced the Chief Guest.

The programme was felicitated by Principal Dr.B.Maruthu Kannan. During his speech, Tools like Grammarly can help identify mistakes, but it's also important to check your work manually, breaking it into sections and reviewing it carefully. Reading your text backward, starting from the last sentence, is a great way to catch spelling and grammatical errors.

The Chief Guest Dr. S.Rajaram, Professor of English, Thiagarajar College of Engineering, Madurai during his address He To improve your grammar and proof reading skills, it's essential to start with a solid understanding of basic grammar rules, such as subject-verb agreement, sentence structure, and punctuation.

He said proofreading effectively involves several strategies: first, take a break before you proofread so you can approach your writing with a fresh perspective. Reading aloud helps catch awkward phrasing or missing words. You should also focus on common errors, like confusing "its" and "it's" or "there," "their," and "they're." Consistency in style, tone, and tense is crucial, as well as regular practice to build your skills over time.

Mr. A.Janagan, II year ECE delivered the vote of thanks.

The programme came to an end with the National Anthem.

Venue : NPRGI Auditorium

No. of Participants : 109

The women development cell of NPR College of Engineering & Technology conducted the guest lecture on Health and Hygiene for girls' students at NPRGI Auditorium on 12.10.2023.

Ms. K.Dharshanapriya of IV Year CSE delivered the welcome address.

Ms.P.Keerthika of III Year EEE delivered the chief Guest introduction.

The program was graced by Principal Dr. B. Maruthu Kannan, who, in his speech, emphasized the value of this initiative and inspired the students to actively prepare for their placement opportunities.

The institution organized a Guest Lecture on Health and Hygiene, delivered by Prof. S. Annalakshmi, Principal of NPR Nursing and Research Institute, Natham, Dindigul. The session aimed to educate participants on the significance of maintaining good health and hygiene practices in daily life. Prof. Annalakshmi shared valuable insights and practical advice, fostering awareness among the audience about adopting healthier habits for overall well-being. The program was highly informative and well-received by attendees.

She interacted with the students and clarified their doubts. Finally the students gave a valuable feedback of this programme.

Ms.C.Nachammai, of III Year ECE delivered the vote of thanks and the programme was completed with the National Anthem.

National Service Scheme Yoga for Life Profile of Resource person

Sri N. Jayakichenin (5 April 1977 – 28 November 2021), also known as Jai Guruji born in a simple middle-class family to Mrs. Punitha and Mr. Narayanasamy, in Pondicherry. His birth took place on an auspicious full moon day, in Mahara Laknam.

Jai Guruji completed his schooling at Jeevanandham Govt Higher Secondary School and obtained a diploma from Ezhumalai Engineering College, later completed his higher education at the Indian Institute of Engineering Technology, Kodambakkam, Chennai. Some are incarnated after birth, often their birth becomes their own incarnation, and the birth of Jai Guruji is no exception to this.

Though he led an ordinary life, his intention was always to reach the highest, his mind continued to ponder about the puzzles of the world and the mysterious knots of creation. His thoughts have indeed been fruitful. On the day of March 21st, 1990, his quest and indomitable persistence resulted in sweet fruit of success in the form of 'Enlightenment' when he was at Kailasanadhar temple at Koot Road, Pondicherry.

Mr. Guru Muthukumar & Mrs. Guru Rajeshwari are the Yoga trainers in Gyanodhayam Educational Trust, Karur. They have vast experience in yoga and meditation. They have given training for more number of colleges.

Yoga Trainers, Gyanodhayam Educational Trust, Karur
- Venue : Basket Ball Court
- No. of Participants : 150

National Service Scheme of NPR College of Engineering & Technology conducted a programme on Yoga for Life for the first year students on 24th May 2024 at Basket Ball Court.

The programme started with prayer song.

Mr. V.Abilesh of I year ECE welcomed the gathering.

Mr. A.Kannan, I Year IT introduced the Chief Guests.

Dr. B.Maruthu Kannan, Principal on his speech he explained the importance about Yoga and meditation. The mobile phone usage of students for very long time create mental stress to the brain. So the students need to practice yoga everyday which is good for health and brain.

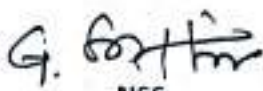

Mr. Guru Muthukumar and Mrs. Guru Rajeshwari, Yoga trainers of Gyanodhayam Educational Trust, Karur were the resource persons. During their speech they addressed the students on Yoga for Life. They said that the practice of Yoga improves heart health and oxygenation in the body and reduces the risk of developing cardiovascular diseases and they added when one regularly practices yogasanas and pranayamas, it reduces heart rate, blood pressure, cholesterol levels and BMI.

They stated that yoga was essentially a spiritual discipline based on an extremely subtle Science which focuses on bringing harmony between mind and body. They taught few basic yogas and asanas to the students.

Mr. P.Sarath, I Year Mechanical delivered the vote of thanks.

The programme came to an end with National Anthem.

The Programme for Empowering Women from All Walks of Life Summary Report

Women Development Cell of NPR College of Engineering & Technology organized a Programme a "Self-SHE"- The Programme for Empowering Women from all Walks of Life on 04.08.2023. The students from all the departments participated in the programme.

Ms. N. Fahmitha Sirin, of IV Year CSE delivered the welcome address. The programme was inaugurated by lighting the lamp by WDC Coordinators. Ms. S. Nafeela Nasrin, of IV Year CSE, introduced the chief guest. Mrs. V. Sujitha, AP-CSE, honoured the chief guest with the shawl and memento.

Mrs. S. Arul Mathi, IAS, Joint Controller, Ministry of Communications, Government of India, presided over the function. She motivated the students to foster self-confidence to achieve their goals during her address. She emphasised the importance of approaching challenges with a positive mindset. Drawing from her personal experiences, she shared valuable insights. She also encouraged students to carve out their own identities in a competitive world, stressing the significance of safety in all situations. Lastly, she offered guidance on nurturing relationships with parents and navigating a path to success in life.

Ms. S. Durga - student of IV Year ECE delivered the vote of thanks.

Report for Women's Day Celebration

Summary Report

NPR College of Engineering & Technology, Women Development Cell organized the "Women's Day Celebration on 08.03.2024.

The event began on a reverent note with a Prayer Song, setting a serene and respectful tone for the proceedings. The welcome address was delivered by Ms. N. Fahmitha Sirin, a third-year CSE student, who extended a warm welcome to all dignitaries, faculty members, and students.

This was followed by the Lamp Lighting Ceremony, a traditional gesture symbolizing the eradication of darkness and the ushering in of knowledge and positivity. The ceremony was led by the WDC Coordinators, emphasizing the significance of the occasion. The Chief Guest Introduction was eloquently presented by Ms. S. Laara Dolly, a third-year EEE student, highlighting the achievements and credentials of Dr. Sharmika, the Siddha Doctor from Daisy Hospital, Chennai, who graced the event as the Chief Guest.

The Honoring of the Chief Guest was carried out by Mrs. V. Sujitha, Assistant Professor from the CSE department, who presented a token of appreciation to the esteemed guest. The highlight of the event was the Chief Guest Address by Dr. Sharmika, who shared valuable insights and wisdom, drawing from her expertise as a Siddha Doctor. Her speech was both enlightening and inspiring, leaving a lasting impact on the audience. The event concluded with a heartfelt Vote of Thanks by Ms. S. Durga, a third-year ECE student, who expressed gratitude to everyone who contributed to the success of the program.

The day ended on a patriotic note with the National Anthem, uniting everyone in a sense of pride and solidarity. The event was a well-coordinated and meaningful gathering, leaving the attendees enriched and inspired.

Report for Women's Day Celebration

Press News

The International Women's Day celebrations were held at N.P.R. College in a grand manner under the auspices of the Women's Development Cell (WDC). The event highlighted the empowerment and achievements of women, featuring various cultural and inspirational activities.

The program commenced with the lighting of the lamp by the WDC coordinators. In her welcome address, Ms. N. Fahmitha Sirin, a third-year CSE student, greeted the gathering and acknowledged the significance of the day.

The Chief Guest, Dr. Sharmika, a Siddha Doctor from Daisy Hospital, Chennai, delivered a keynote address that emphasized women's health and wellness. She spoke about the importance of self-care, mental health, and balancing professional and personal life. Her words were motivational and impactful for the students and faculty members alike.

Ms. S. Durga, a third-year ECE student, delivered the vote of thanks, expressing her gratitude to the dignitaries, organizers, and participants for their contributions to making the event a grand success. The program concluded with the National Anthem.

This celebration not only honored the achievements of women but also inspired young minds to strive for excellence and equality in all spheres of life.

Report of Cyber Crime Awareness Programme

Summary Report

Women Development Cell of NPR College of Engineering & Technology organized a "Cyber Crime Awareness programme" on 20.02.2024. The students of NPR College of Engineering & Technology, from all the departments participated in the programme.

Ms. S. Harini, IV Year-ECE, delivered the welcome address.

Ms. S. Yazhini student of IV Year-Civil, introduced the chief guest.

The chief guest was honoured by Mrs V. Sujitha, AP-CSE with the shawl and memento.

During the chief guest address, Mrs. B. Guna Sundari, Inspector of Police at the Cyber Crime Wing in Dindigul, urged the students to cultivate self-confidence as a means to achieve their aspirations. She emphasized the importance of robust, unique passwords and regular updates to safeguard online accounts. She provided practical advice on protecting personal information on digital platforms, securing devices such as smartphones and computers, and adhering to safe online practices. She also advocated for the use of two-factor authentication and educated participants on reporting cybercrimes to relevant authorities, ensuring a proactive approach to cybersecurity education and awareness.

Ms. S. Durga - student of III Year-ECE delivered the vote of thanks.

Outcome:

The Session was useful to the students so that they learnt about protecting themselves and their communities from cyber threats.

Relevance to POs: PO6, PO12

Women Development Cell

Report of Cyber Crime Awareness Programme

Press Report

Women Development Cell of NPR College of Engineering & Technology organized a “Cyber Crime Awareness programme” on 20.02.2024. The students of NPR College of Engineering & Technology, from all the departments participated in the programme. Ms. S. Harini, IV Year-ECE, delivered the welcome address. Ms. S. Yazhini student of IV Year-Civil, introduced the chief guest. The chief guest was honoured by Mrs V. Sujitha, AP-CSE with the shawl and memento.

During the chief guest address, Mrs. B. Guna Sundari, Inspector of Police at the Cyber Crime Wing in Dindigul, urged the students to cultivate self-confidence to achieve their aspirations. She emphasized the importance of robust, unique passwords and regular updates to safeguard online accounts. She provided practical advice on protecting personal information on digital platforms, securing devices such as smartphones and computers, and adhering to safe online practices. She also advocated for the use of two-factor authentication and educated participants on reporting cybercrimes to relevant authorities, ensuring a proactive approach to cybersecurity education and awareness.

Report for the POSH Awareness Program Summary Report

Internal Complaints Committee of our Institution conducted as POSH (Prevention of Sexual Harassment) awareness program in NPRGI Indoor Auditorium on 21.03.2024(Thursday) at 10.00 a.m. The Chief guest for this function was Ms.Rama Haran POSH Consultant,Trainer& External Member,Chennai.

The function was started with a prayer song.Our principal Dr.B.Maruthu Kannan,Principal felicitates the function with his inspiring words and he sincerely appreciated all the participants who have actively engaged in the program.

The Chief Guest to educate employees/students about their rights and responsibilities under the POSH Act. The program aimed to create a safer and more respectful workplace/learning environment.The program included sessions on understanding sexual harassment, the legal framework of the POSH Act, complaint filing procedures, and preventive measures. Real-life case studies were also discussed to illustrate the different scenarios.

The program included interactive sessions where participants could ask questions and seek clarifications. This interactive session encouraged engagement and active participation. Feedback from participants was positive, indicating a better understanding of sexual harassment issues and the importance of a safe work/learning environment. Participants expressed increased confidence in reporting incidents of harassment.

Conclusion: In conclusion, the POSH awareness program was successful in educating participants about sexual harassment laws and fostering a culture of respect and dignity. It is hoped that this program will contribute to creating a safer and more inclusive environment for all. Totally 306 students participated in this programme.Finally, the session came to an end with National Anthem.

Outcome:

Based on the positive impact of this program, it is recommended to conduct regular POSH awareness sessions to reinforce the importance of preventing sexual harassment and promoting a safe workplace/learning environment.

Report for the POSH Awareness Program

Press Report

Internal Complaints Committee of our Institution conducted POSH (Prevention of Sexual Harassment) awareness program in NPRGI Indoor Auditorium on 21.03.2024(Thursday) at 10.00 a.m. The Chief Guest for this function was Ms.RamaHaran POSH Consultant,Trainer & External Member,Chennai.

The function started with a prayer song. Our principal Dr.B.Maruthu Kannan, facilitated the function with his inspiring words and appreciated all the participants who have actively engaged in the program. He concludes this program; let us carry forward the knowledge and awareness gained here to create a culture of respect and equality.

The Chief Guest educated the employees/students about their rights and responsibilities under the POSH Act. The program aimed to create a safer and more respectful workplace/learning environment. The program included sessions on understanding sexual harassment, the legal framework of the POSH Act, complaint filing procedures, and preventive measures. Real-life case studies were also discussed to illustrate different scenarios.

The program included interactive sessions where participants asked questions and seek clarifications. Feedback from participants was positive, indicating a better understanding of sexual harassment issues and the importance of a safe work/learning environment. Totally 306 students participated in this programme. Finally the session came to an end with National Anthem.

Summary

Date of the Event	30.08.2023
Number of Students Participants	115
Venue	NPRCET Seminar Hall-2
Chief Guest Details	Dr. B.Sakthivel, M.E., Ph.D., Founder & Director, Smart Makers Research, Madurai.

The Department of Electronics & Communication Engineering in association with ECHELON and IETE Students Forum of NPR College of Engineering & Technology organized a Workshop on 'Robotics' on 30th August 2023 at NPRCET seminar Hall-2.

Ms. S.Durga of III year ECE delivered the welcome address.

Ms. J.J.Sudhishree of III year ECE introduced our Chief Guest.

Dr. J. Sundararajan, Principal, delivered the felicitation address in which he elaborated the importance of Robots in the modern world. He encouraged the students to participate in the Smart India Hackathon for which this workshop will be very helpful.

Mr. S.Aravinthan and Mr. S.Manoj of IV-year ECE honored the Chief Guest.

Chief Guest Dr. B.Sakthivel, M.E., Ph.D., Founder & Director, Smart Makers Research, Madurai during his address explained the evolution of industries. He explained how Robotics was used in various fields. He showed the videos related to robotics applications and interacted with the students. He explained the use of various sensors used in various application.

In the afternoon session Mr. D.Immanuel, Senior Developer, Smart Makers Research, Madurai explained demo on 3D printing technology and its uses in robotics.

The students asked their questions during the interaction session and got clarified with their doubts. Also, they gave valuable feedback about this programme.

Ms. M.J.Dharini of IV-year ECE offered vote the of thanks.

The programme came to an end with the National Anthem.

I was Working as Associate professor in the
 Department of EEE in the academic year 2022-2023
 (Engg Semester). In this regard, I have applied for
 a Seminar grant to CSIR, India under the title
 Seminar on Recent Trends in Smart Microgrid model/
 and Challenges for Energy Storage Management System
 to be conducted on September 7th & 8th, 2023. In
 this regard, a proposal is recommended by CSIR and
 approved for conducting the CSIR Sponsored Two days
 Seminar and sanction of the grant of Rs. 25,000/-
 Hence, I request you to approve for conducting the
 Seminar and to permit me to initiate the process
 of earliest under the department of EEE. Kindly
 do the needful.

Encl:

1. Seminar Documentation result
2. Sanction a grant copy
3. Invitation letter
4. Receipt

Thanking You

Yours faithfully,

INVITATION

Dear Sir/Madam,

Greetings!

We are pleased to inform you that the Department of Electronics and Communication Engineering is organizing Q&R Sponsored Two Days "Seminar on Recent Trends in Smart Microgrid Model and Challenges for Energy Storage Management System" during 07.08.2023 & 08.08.2023. In this regard, Faculty Members, Research Scholars and Students are invited to participate in the seminar. We have enclosed the brochure for your kind perusal.

This Seminar focuses on one of the biggest challenges in integrating renewable energy sources into the smart grid. It provides research opportunities and problem identification for the Faculty Members, Research Scholars, UG and PG Students in the Smart Microgrid Model and its role in the field of battery storage management systems.

Please display the enclosed brochure and we look forward to your kind cooperation in making the seminar a grand success.

SUMMARY

Date: 07.09.2023	Chief Guest
Session-I	Dr.P.Raja, Associate Professor, Department of Electrical and Electronics Engineering, National Institute of Technology Tiruchirapalli,
Session-II	Dr.P.Kanirajan Professor, Department of Electrical and Electronics Engineering, NPR College of Engineering & Technology, Natham, Dindigul.
Date: 08.09.2023	Chief Guest
Session-I	Dr.M.Senthil Kumar Associate Professor, Department of Electrical and Electronics Engineering, University College of Engineering, Dindigul.
Session-II	Dr.V.Saravanan Professor – Energy Consultant, Department of Electrical and Electronics Engineering, Thingarajar College of Engineering, Madurai.

The Department of Electronics and Communication Engineering of NPR College of Engineering & Technology organized a CSIR Sponsored Two days Seminar in the title "Seminar on Recent Trends in Smart Microgrid Model and Challenges for Energy Storage Management System".

As a Master of Ceremony Ms.M.J.Dhaarini, IV year ECE and Ms.R.Maheswari, IV year ECE welcomed everyone and coordinated the program, Ms.Meera Jefrin, IV Year ECE delivered the welcome address.

Dr.J.Sundarrajan, Principal delivered the felicitation address.

Ms. C.Harini, IV year ECE introduced the Chief Guest to the participants.

The Chief Guest Dr.P.Raja, started the first session on the topic "Introduction DC Micro Grids". He lectured about the basic knowledge of microgrids, tiny power systems, and automatic water pump systems. He described the current war from the tale of an early tech rivalry. So, here he discussed the difference between AC and DC microgrids. He shared topics on best DC microgrids and general performance parameters of DC grids. He also discussed the present state of art DC grids and existing DC grids such as Taiwan Dunkung microgrid, PV based LVDC home at IITM and direct current BV Ltd at Amsterdam. At last, he shared some of the thoughts about future development of smart grids and he concluded the session with his valuable and inspirational thoughts.

The Chief Guest Dr.P.Kmirajan, handled the second session on the topic "Recent Trends in Smart Grids". He has discussed load forecasting, stability assessment, fault detection and security problems which mainly focused on electrical parts. He also shared about the artificial intelligence techniques for smart grid. Some of the AI techniques are expert system, supervised learning, unsupervised learning and reinforcement learning. Finally, he concluded the session with his thoughts about smart grids with AI techniques.

The Chief Guest Dr:M.Senthilkumar has started the third session under the title "The Impact of AI on the Efficiency of Smart Grid Virtual Power Plants". He explained about the knowledge of Ingrid modes and island modes. He also shared about the batteries used latest in electric vehicle models and also the batteries development. He then discussed what is not a micro grid and what is microgrids, we gained knowledge about not microgrids i.e., distributed energy resources management systems (DRMS). Then, he shared about the controllers' types. As an overview, he discussed the topic overview of AI and machine learning concepts. He talked about thin line smart cities in Saudi Arabia. At the conclusion, he discussed some of the smart grid companies such as Eaton, Younicos, ENGIE, etc., His thoughts had made our minds to know more about smart grids.

The Chief Guest Dr.V.Saravanan has started the fourth session on the topic "Role of Energy Storage Device in Micro Grids". He discussed the various power plants starting time. i.e., Diesel power plants-1 to 2 mins, Coal fired power plant-2 to 6hrs, Nuclear power plant-24hrs. He shared his thoughts on the quality of power and power plant reserves such as cold reserve, hot reserve and spinning reserves. He also discussed the reliability of power with adequacy and

security. Then, he shared his thoughts on vehicle to grid technology. He gave the lecture based on the companies of large-scale industries such as Reliance industries, Adani Power and JSW energy. He also shared his thoughts on the mechanical storage that is flywheels storages, pumped hydroelectric energy storage in Kadamparai pumped storage hydro plant. Finally, he concluded the session with the latest trends of smart microgrid technologies.

The session ended with the vote of thanks proposed by Ms.M.J.Dhaarini, IV year ECE.

The valedictory function was conducted and certificates were given to the participants.

Respected Sir,

Sub: Submission of statement of expenditure for reimbursement-CSIR sponsored
Two Day Seminar on Recent Trends Smart Microgrid Model and
Challenges for Energy Storage Management System organized during
07-08 September, 2023 – Reg.
Ref.: No. SYM/12129/23-HRD; 22.08.2023.

As per the reference cited, CSIR sponsored Two Day Seminar on Recent Trends Smart Microgrid Model and Challenges for Energy Storage Management System was organized successfully during 07-08 September, 2023. The total expenditure incurred for conducting the seminar is Rs.50,676/- (Rupees Fifty Thousand Six hundred and seventy-six only). Herewith submitted the grant-in-aid bill (Annexure-3), Audited statement of expenditure (Annexure-4) and NEFT form (Annexure-5) for reimbursement of grant of Rs.25,000/-. Kindly do the needful at the earliest.

Thanking you

Workshop on "Smart Phone Debugging and Troubleshooting"

Summary

Date	20.03.2024 & 21.03.2024 (Two Days)
Chief Guest	Mr.B.Krishna Kumar, Founder & CEO, New Technology Institutions, Coimbatore.
No. of Participants	128

Workshop on "Smart Phone Debugging and Troubleshooting" was conducted on 20.03.2024 & 21.03.2024 organized by Department of Electronics and Communication Engineering, NPR College of Engineering & Technology, Natham.

The program was inaugurated on 20.03.2024 morning at 10 a.m. and the experts Mr.Karthik and Mr.T.Venkatesh gave the detailed presentation about soldering, hardware and software of the mobile phone during the entire sessions. Our students interacted with the experts and got cleared their doubts about debugging and troubleshooting of mobile phone. The faculty members Mr.J.G.Sabarish, Mrs.C.Kannika Parameshwari, Mrs.P.Jeyalakshmi, and Mr.A.G.Paranthaman co-ordinated the workshop. 128 students from ECE, Civil, CSE, EEE, Mech and AI&DS departments participated.

On 21.03.2024 afternoon at 3.30 p.m., Valedictory function was started. After the prayer song, Ms.P.Jeyasri, II Year ECE delivered the welcome address.

Dr.B.Maruthu Kannan, Principal delivered the felicitation address. He addressed the students about the importance of this program which will be helpful to motivate their entrepreneurship skills. Ms.N.Sivasakthi, II Year AI&DS introduced the resource person Mr. B.Krishna Kumar to the audience. Mr.S.Ajay, II Year EEE honored the resource person. Certificates were distributed to the participants.

Finally, Ms.S.Lakshmi, II Year ECE proposed the vote of thanks.

The program came to an end with the National Anthem.

OUTCOME: Our students got insights about debugging and troubleshooting of smart phone hardware and software and the prevailing opportunities in mobile phone technology. Students gained knowledge to resolve the problems in mobile phones.
