Minutes of meeting – 2 Anti-Ragging Committee (ARC)

Date of Meeting: 05.10.2023

Time of Meeting: 11.15 am to 12.15 pm

Reference: NPRCET/ARC/02

Venue: IQAC Room

Sl. No	Agenda	Points discussed
1.	Review of the previous meeting	Points discussed in the previous meetings were reviewed and the resolution was taken to form an anti-ragging committee including police officials and parents. The member agreed to attend a meeting every month to review the ARC activities.
2.	Formation of an anti-ragging committee	Members suggested forming ARC committee members and suggested to define the role of members.
3.	Creating awareness among students.	Mr. C. Vijayakumar agreed to collect ARC member's mobile phone numbers and email IDs. The suggestion was made to create an ARC group email to communicate all the details through emails.
4.	Facilitating the students to contact anti-ragging committee members	ARC faculty & student members need to help students contact the ARC in charge regarding any issues.
5.	Anti-ragging affidavit.	Suggestions were given to collect information about the Anti-ragging affidavit and decided to start the process from the next meeting onwards.
6.	Any other matter.	Members suggested conducting awareness programs and events. A circular dated 24 May 2023 from UGC regarding the Anti-ragging Committee (ARC) was issued to all ARC members. This circular stated that multiple mechanisms are required to ensure a ragging-free campus and give recommendations and action steps.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Date: 04.04.2024

Minutes of the first meeting for the odd semester of the academic year 2023-2024

The first class committee meeting for II CSE-A was conducted on 04.04.2024 at II CSE A class room (MBLH 207) at 1.00 p.m. and the following points were discussed in the meeting

- The students representatives, faculty members and chairperson were given a warm welcome by head of the department.

Course Information :

- A student is ordinarily expected to complete the B.E. Programme in 8 semesters (four academic years) but in any case not more than 14 Semesters for HSC (or equivalent) candidates and not more than 12 semesters for Lateral Entry Candidates.
- A student has to earn the total number of credits specified in the curriculum of the respective Programme of study in order to be eligible to obtain the degree.
- From the III to final semesters, the student has the option of dropping existing courses in a semester during registration. Total number of credits of such courses cannot exceed 6. The student shall register for the project work in the final semester only.
- Break of Study shall be granted only once for valid reasons for a maximum of one year during the entire period of study of the degree programme. However, in extraordinary situation the candidate may apply for additional break of study not exceeding another one year by paying prescribed fee for break of study.
- If a candidate intends to temporarily discontinue the programme in the middle of the semester for valid reasons, and to rejoin the programme in a subsequent year, permission may be granted based on the merits of the case provided he / she applies to the Director, Student Affairs in advance, but not later than the last date for registering for the end semester examination of the semester through the Head of the Institution.

NPR Nagar, Natham - 624 401, Dindigul Dist, Tamil Nadu. Ph: 04544 - 246500, 501, 502.

Attendance Calculation:

- The University Examination will ordinarily follow immediately after the last working day of the semester commencing from I semester as per the academic schedule prescribed from time to time.
- Ideally every student is expected to attend all classes of all the courses and secure 100% attendance. However, in order to give provision for certain unavoidable reasons such as Medical / participation in sports, the student is expected to attend atleast 75% of the classes.
- A candidate who secures overall attendance between 65% and 74% in the current semester due to medical reasons / Participation in Sports events may be permitted to appear for the current semester examinations subject to the condition that the candidate shall submit the medical certificate / sports participation certificate attested by the Head of the Institution. The same shall be forwarded to the Controller of Examinations for record purposes.
- Candidates who secure less than 65% overall attendance shall not be permitted to write the University examination. They are required to repeat the incomplete semester in the next academic year.
- Student cumulative attendance will be displayed in department notice-board.

Academic Schedule, Assessments details & Internal mark distributions

- Head of the Department explained the student representatives, about the academic assessment schedule, weightage and academic calendar of department.
- Head of the Department informed the student representatives about practical courses (laboratory / project work), the breakup of marks for each experiment / exercise / module of work, should be clearly discussed in the class committee meeting and informed to the students.

Course Material & Books:

- Students have been informed about the text book of respective courses and course material will be issued by department.
- Students have been informed about the text book for individual students issued by general library.

NPR Nagar, Natham - 624 401, Dindigul Dist, Tamil Nadu. Ph. 04544 - 246500, 501, 502.

Classify the Slow learners and Advanced learners:

- Head of the Department informed the subject handling faculties and student representatives that based on the internal test result students are identified as slow learners & fast learners.
- Those are getting below 60 marks in the internal exam in each subject those are considered as slow learners.
- Whose are getting above 60 marks in the internal exam in each subject those are considered as Advanced learners.
- The remedial classes will be arranged for slow learners in the evening from 4.30 p.m to 6 p.m.

Subject Feedback

- Students were insisted to give feedback about the faculties regarding the teaching & learning process.
- Students were advised to utilize the lab hours effectively to gain practical knowledge.

Department Functions:

- The “Workshop and guest lecture programme” is planned and to be conduct on April month.

General Discipline& Other Activities:

- Students are advised to come to the college regularly and follow the proper dress code.
- Students have been informed to participate and win prizes in technical contest that will be conducted by department as well as hackathon contest by other institutions.
- Students have been informed to participate and win prizes in the co-curricular and extra-curricular activities conducted by other colleges.

FEEDBACK FROM STUDENTS:

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Date: 05.03.2024

Minutes of the first meeting for the odd semester of the academic year 2023-2024

The first class committee meeting for III CSE was conducted on 04.03.2024 at III CSE class room (MBLH 209) at 01.00 p.m. and the following points were discussed in the meeting

- The students representatives, faculty members and chairperson were given a warm welcome by head of the department.

Course Information :

- A student is ordinarily expected to complete the B.E. Programme in 8 semesters (four academic years) but in any case not more than 14 Semesters for HSC (or equivalent) candidates and not more than 12 semesters for Lateral Entry Candidates.
- From the III to final semesters, the student has the option of dropping existing courses in a semester during registration. Total number of credits of such courses cannot exceed 6. The student shall register for the project work in the final semester only.
- Break of Study shall be granted only once for valid reasons for a maximum of one year during the entire period of study of the degree programme. However, in extraordinary situation the candidate may apply for additional break of study not exceeding another one year by paying prescribed fee for break of study.
- If a candidate intends to temporarily discontinue the programme in the middle of the semester for valid reasons, and to rejoin the programme in a subsequent year, permission may be granted based on the merits of the case provided he / she applies to the Director, Student Affairs in advance, but not later than the last date for registering for the end semester examination of the semester through the Head of the Institution.

Attendance Calculation:

- The University Examination will ordinarily follow immediately after the last working day of the semester commencing from I semester as per the academic schedule prescribed from time to time.

- Ideally every student is expected to attend all classes of all the courses and secure 100% attendance. However, in order to give provision for certain unavoidable reasons such as Medical / participation in sports, the student is expected to attend atleast 75% of the classes.
- A candidate who secures overall attendance between 65% and 74% in the current semester due to medical reasons /Participation in Sports events may be permitted to appear for the current semester examinations subject to the condition that the candidate shall submit the medical certificate / sports participation certificate attested by the Head of the Institution. The same shall be forwarded to the Controller of Examinations for record purposes.
- Candidates who secure less than 65% overall attendance shall not be permitted to write the University examination. They are required to repeat the incomplete semester in the next academic year.
- Student cumulative attendance will be displayed in department notice-board.

Academic Schedule, Assessments details & Internal mark distributions

- Head of the Department explained the student representatives, about the academic assessment schedule, weightage and academic calendar of department.
- Head of the Department informed the student representatives about practical courses (laboratory / project work), the breakup of marks for each experiment / exercise / module of work, should be clearly discussed in the class committee meeting and informed to the students.

Course Material & Books:

- Students have been informed about the text book of respective courses and course material will be issued by department.
- Students have been informed about the text book for individual students issued by general library.

Subject Feedback

- Students were insisted to give feedback about the faculties regarding the teaching & learning process.
- Students were advised to utilize the lab hours effectively to gain practical knowledge.

Department Functions:

- Head of the Department explained the student representatives, about the academic calendar of department.
- It also discussed about the upcoming events in the department.

General Discipline& Other Activities:

- Students are advised to come to the college regularly and follow proper dress code.
- Students have been informed to participate and win prizes in technical contest that will be conducted by department as well as hackathon contest by other institutions.
- Students have been informed to participate and win prizes in the co-curricular and extra-curricular activities conducted by other colleges.

FEEDBACK FROM STUDENTS:

S. No	Subject Code	Subject Name	Name of the Faculty	Desg. /Dept	Syllabus Completion	Feedback from Students	Remedial measures to be taken by the Faculty	Signature of the Faculty
1	CCS356	Object Oriented Software Engineering	Mrs.V.Sujitha	AP/CSE	Theory Unit – II 75% Completed Lab 3 Exp. completed	Good	-	
2	CS3691	Embedded Systems and IoT	Mr.S.Allwyn Anand	AP/ECE	Theory Unit – II 70% Completed Lab 3 Exp. completed	Theory -Need clear explanation. Lab – Need program explanation.	HoD advised the respective faculty members to give clear explanation about the subject.	
3	OIE351	Introduction to Industrial Engineering	Mrs.S.Janet Vidyaa Nancy	AP/IT	Theory Unit – IsI 25% Completed	Good	-	
4	CCS334	Big Data Analytics	Mr.R.Senthil Kumar	AP/CSE	Theory Unit – II In Progress	Theory -Need More explanation. Need Study materials for Theory Subject	HoD insist the faculty members to give subject materials well in advance.	
5	CCS332	App Development	Mrs.J.LillyRoseline Mary	AP/CSE	Theory Unit – II 85% Completed Lab 1 Exp. completed	Theory -Need clear explanation.	HoD advised the respective faculty members to give clear explanation about the subject..	
6	CCS354	Network Security	Mr.P.Manivel Pandiyan	AP/AI&DS	Theory Unit – II 80% Completed Lab 1 Exp. completed	Good	-	

7	CCS370	UI and UX Design	Mrs.C.Kalpana	HoD (i/c) / IT	Theory Unit – II 75% Completed Lab 3 Exp. completed	Good	-	
8.	MX3089	Industrial Safety	Mr.M.ArockiaIrudayaraja	AP/CSE	Theory Unit – II 50% Completed	Good		

GRIEVANCES/SUGGESTIONS FROM STUDENTS:

1. Need the Desk Rack in all the desks.
2. Need to service the water purifier in Main Block – II Floor.
3. In Girls Room doors are not closing properly.
4. Projector and Speaker is not working properly (color issue).
5. Requested to provide AC in Computer Lab (MB317)
6. In Classroom window locks need to be replaced

Members Present:

Class: IV-CSE	Date: 04.03.2024	Time: 1.00 p.m.	Venue: IV CSE classroom
Members: IV-CSE Subject handling Faculty Members & Student Representatives			

Minutes of the Class Committee Meeting- I

First class committee meeting for final year CSE was conducted on 04.03.2024 at 1.00 p.m. in final year CSE class room. The following points were discussed in the meeting

1. Regulation of degree programme:

- Regular students have to complete their degree within 8 semesters if not they have to complete within 3 years.
- For lateral entry students degree completion should not exceed 2 years.

2. Academic Schedule & Academic Calendar:

- As per the academic schedule given by Anna University, Internal Examinations, Model Examination and university practical Examination will be conducted.
- Workshops are planned to conduct in this semester as per academic calendar.

3. Project Work

- As per the regulation given by Anna University, Project work may be allotted to a single student or to a group of students not exceeding 4 per group.
- The project report shall carry a maximum 30 marks.
- Three reviews will be conducted for project work as per academic calendar.

4. Students Personality and Character development:

- Students who are interested can join National Service Scheme.
- For career growth, it is planned to conduct guest lecture, seminars, workshops and placement training programs.

5. Test Pattern:

- For every semester 2 Internal Examinations and 1 Model Examination will be conducted for theory subjects and 1 Model Practical Examination will be conducted as per academic calendar.

6. System of Examination:

- Total marks 100 will be split into two categories: 20 marks for Internal and 80 marks for University Examination.
- Internal mark will be based on the Continuous Internal Assessment.

7. Weak Students (Slow Learners) Identification:

- Students those who score less than 60 marks in Internal Examination will be considered as slow learners.
- The remedial classes will be conducted for slow learners to improve their marks in Internal Examinations and University Examination.

8. Value added Courses:

- Students those who are interested can register their name and attend the value-added courses like CCNA1.

9. Syllabus coverage

- For internal I examination all faculty members covered two units.
- Internal examination marks will be guided by the respective subject faculty to improve their academic performance.

10. Internal Examination-I Question Paper Pattern

- In internal examination the question paper pattern is 3 parts (part A, part B and part C) and the total mark is 50. In part A five 2-marks, part B one 8-mark question and in part C two 16-marks questions are there.

11. Online Courses

- For the benefits of students, Head of the Department and faculty members advised students to do certification courses which will be helpful in doing project works.

12. Any other matter

- Students are advised to attend the Internal Examinations and Model Examination without fail.
- Students should maintain a minimum 75% of attendance for each subject.
- Assignments will be given for practice and that should be submitted on date.
- Students have to get prior permission to take leave in the prescribed format.
- Students are instructed to come in proper dress code for laboratory.
- Mobile phone usage is strictly not allowed in department.

MINUTES OF THE CLASS COMMITTEE MEETING- I

First class committee meeting for the academic year 2023-2024 Even semester for second year Civil was conducted 12.03.2024 in II-year class room at 12.55 p.m. The following points were discussed in the meeting.

1. Regulation of the Programme

- Weightages of Theory and Laboratory course were discussed with the students.
- As per regulation 2021, 60 % of marks given to theory subjects & 40 % marks given to assignments & Co-curricular activities.
- Importance of submitting Assignment's in the mentioned time period was discussed with the students.

2. Academic schedule

- The students were given an explanation of the academic schedule for the current academic year 2023-2024 (EVEN).
- The academic calendar for the institution, which includes two internal exams and one model exam, Cycle Tests was created in accordance with the academic calendar of Anna University.

3. Attendance

- Students were instructed to attend all the classes regularly.
- The student is expected to attend at least 75% of the classes, with the exception of unavoidable situations.
- Leave will be permitted based the prior intimation from the parents.

4. General Discipline

- Students are advised to come to the college regularly and follow proper dress code.
- Students are instructed to come on time after the interval and also during the lunch break hours.
- Students have been informed to participate in the co-curricular and extra-curricular activities conducted by our institution and also other institution.

5. Subject Feedback

- Students are instructed to bring their own calculator for all the Problematic subjects and work out the questions in the class room itself.
- Students were advised to concentrate the classes and actively participate the group discussion events.

6. Course Material & Book

- Students were advised to take the notes xerox copy for all the subjects.
- Students were insisted to take Text books and Reference books from their library for our reference.

7. Any other Matter

Students were advised to participate Co-Curricular and Extra Curricular activities from this semester onwards and they are motivated to participate Paper presentation events in Symposiums.

MINUTES OF THE CLASS COMMITTEE MEETING- I

First-class committee meeting for the academic year 2023-2024 Even semester for the third year Civil was conducted 22.02.2024 in III-year class room at 01.00 p.m. The following points were discussed in the meeting.

1. Attendance requirements

- Students must attend every class and maintain a 100 % attendance rate.
- Every student is expected to attend at least 75 % of the classes, with the exception of unavoidable circumstances.
- No one is permitted to take leave without prior permission (written letter approved by class in-charge and Head of the Department) in case of emergency one can take leave with intimation by parents to Class in-charges.

2. General Discipline

- Students are advised to come to the college regularly and follow proper dress code.
- Students are instructed to come on time after the interval and also during the lunch break hours.
- Students have been informed to participate in the co-curricular and extra-curricular activities conducted by our institution and also other institution.

3. Syllabus Completion

- Student members said that in all theory subjects 1 units was completed and in lab experiment need to be completed , no issues with the understanding of the subject.

4. Study Materials

- Students are advised to take the xerox copy of subject material for all the subject.
- It is recommended that students bring notes to every class.

5. Exam Preparation

- Students are informed to in the starting of March month Internal exam will be conducted. So, all students are bringing their subject notes without fail.
- Students are reminded to show up for every exam without fail.
- For Design of Steel Structures subject all students must take the xerox copy of IS 800 code book and strictly informed to bring their own code books in class hours.
- Students are informed to bring individual calculator and separate note for respective subjects.

DEPARTMENT OF CIVIL ENGINEERING

MINUTES OF THE CLASS COMMITTEE MEETING- I

First class committee meeting for the academic year 2023-2024 EVEN semester for final year Civil was conducted on 19.02.2024 at 12.55 p.m. the following points were discussed in the meeting

1. Regulation of the Programme

- Students were explained about their regulation (regulation 2017).
- As per the regulation students are instructed to complete their course not more than 14 semesters (for HSC) and 12 semesters (for Lateral Entry).
- Weightages of Theory and Project work were discussed with the students.

2. Attendance requirements

- Students are expected to attend all the classes of all the subjects and secure 100 percentage attendance.
- In case of unavoidable reasons (Medical/ Sports) the student is expected to attend at least 75% of the classes.
- Instruct the students not to take leave on examination date.

3. General Discipline

- Student members are advised to come to the college regularly and follow the proper dress code

4. Assessment Procedure

- Students are explained about assessment procedure for even semester for cycle test, internal test and Model examination.
- Instruct the students to submit the assignment on submission date without any delay.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Date: 08.12.2023

Minutes of the second meeting for the odd semester of the academic year 2023-2024

The second-class committee meeting for second year was conducted on 08-12-2023 in our power system simulation lab at 1.00 p.m. and the following points were discussed in the meeting.

- The student's representatives, faculty members and chairperson were given a warm welcome by chair person.

Attendance requirements:

- Student cumulative attendance will be displayed in department notice-board. Faculties are advised the students to attend the classes regularly.

Academic Schedule and Assessment Details

- The head of the department explained to the student representatives about the academic schedule of December 2023 and the exam schedule of Internal examination II and model examination.

Department Functions:

- The workshop was planned on 15/12/2023 for I and II-year students. All are instructed to participate actively during both sessions.

Feedback from students:

S. No	Subject Code	Subject Name	Name of the Faculty	Desg /Dept	Syllabus Completion	Feedback from Students	Signature
1.	MA3303	Probability and Complex Functions	Dr.P.Rani	ASP/S&H	3.5 Units	Asked her to take classes clearly	P. Rani

7.	C3311	Electronic Devices and Circuits Laboratory	Dr.M.Iyappan	AP/EEE	9 experiments completed	No issues	M. Iyappan
8.	EE3311	EE3311 Electrical Machines Laboratory-1	Mr.T.Sivakumar	AP/EEE	Completed	No issues	T. Sivakumar
9.	CS3362	C Programming and Data structure Laboratory	Dr.M.Jenifer	HOD/AI &DS	Completed	No issues	M. Jenifer

General Discipline & Other Activities:

- Students are advised to come to the college regularly and follow proper dress code
- Students have been informed to participate in technical contest that will be conducted by department.
- Students have been informed to participate in the co-curricular and extra-curricular activities conducted by the institution.
- Students are advised to do innovative projects.
- Students are advised to utilize the clubs in effective manner.

Grievances/Suggestions from students:

Expecting study materials and handouts from the subject handling faculties.

Faculty Suggestions:

- Instructed the students submit the assignments in time.
- Instructed the students to concentrate in cycle and Internal test.
- Instructed the students to be attentive.
- Rear bench students were not taking the classes seriously in mathematics classes.

Class: IV- EEE	Date: 02.11.2023	Time: 12.55 p.m.	Venue: PSS Lab
Members: IV- EEE Subject handling Faculty Members & Student Representatives			

Minutes of the Class Committee Meeting - III

Third class committee meeting for final year EEE was conducted on 02.11.2023 at 12.55 p.m. in PSS Lab. The following points were discussed in the meeting

1. Syllabus Coverage

- All faculties were asked about the syllabus completion so far, and the same was discussed with the students
- All subject handling faculties so far have completed 5 units.

2. Question bank and Subject Notes

- It is required of students to have hard copies of all topic notes.
- For every subject, students were given a question bank and two marks along with an answer.

3. Semester Examination

- Students with arrears were advised to take necessary steps to clear the subjects with the guidance of respective subject faculties in order to pass the forthcoming university exam.
- Students required prior year's question papers in order to prepare for university exams

4. Student Attendance

- Students were told to show up for regular classes and the model exam without missing any days.
- Even if their attendance rate is lower than expected, some students still insist on showing up for class every day.

5. Discipline

- Explained the students about general discipline like proper grooming and shaving, wearing of shoes and ID cards, during model examinations and university examinations.

Minutes of the Class Committee Meeting - III

Third class committee meeting for third year EEE was conducted on .03.11.2023 at 12.55 p.m. in III EEE Class Room. The following points were discussed in the meeting

1. Academic Schedule Follow Up

- Discussed about Last working day, Commencement of Internal test II and Model Exam schedule
- Discussed about Various events like Guest Lecture and Webinar to be held in the month of November 2023

2. Syllabus Coverage

- All faculties were asked about the syllabus completion so far, and the same was discussed with the students
- All subject handling faculties so far have completed 4 units.
- All Faculties were insisted to complete the syllabus as per the lesson plan prepared

3. Internal Test I Performance

- Internal Test I performance analysis was discussed in the meeting
- Students were advised about the importance of internal and model exam
- No Boost up marks will be entertained in any aspect
- Students were asked to submit the assignment on time

4. Monthly Department Activities

- Elaborated about monthly department activities like Workshops, Seminars, Guest Lectures in this semester to the students

5. Discipline

- Explained the students about general discipline like proper grooming and shaving, wearing of shoes and ID cards, being ON time to the class, unnecessary leaves

- Internal mark will be based on the Continuous Internal Assessment.
- Students having lack of attendance will not be allowed for attending the university examination

6. Other Points

- Students were informed about the attendance monitoring which is strictly being followed this semester
- Students were also informed that there will not be any boost of attendance and no boost of internal marks under any circumstances.
- Continuous absentees for more than three days will not be allowed to enter into the classroom unless and until their parents meet the Director Academic In charge and HOD.

CLASS COMMITTEE MEETING REPORT

Minutes of the Class Committee Meeting –I

CLASS : II ECE	DATE: 26.9.2023	TIME: 12:50 p.m.	VENUE: DSP Laboratory
S. No.	Agenda		
1	Academic schedule		
2	Syllabus and Assessment Pattern		
3	Attendance requirements		
4	Department Activities		
5	Subject feedback		
6	General Discipline		
7	Others		

The Chairperson Mr.N.Karthic, AP/Civil, received the portions covered and general feedback from the members.

S. No.	Name of the Subject	Staff In charge	Portion Covered	General Feedback
1	Random Processes and Linear Algebra	Mr.K.Yogunath	20% in Unit-I	Students have to concentrate more on academics and test preparation. Students should bring calculator daily.
2	C Programming and Data Structures	Mrs.M.Santhana Lakshmi	20% in Unit-1	No issues.
3	Signals and Systems	Mr.J.G.Sabarish	20% In Unit-I	Students must attend the classes regularly.
4	Electronic Devices and Circuits	Mrs.C.Kannika Parameshwari	20% in Unit-1	Students have to revise the topics daily in the evening
5	Control Systems	Dr.M.Ameena Banu	20% in Unit-I	Students have to revise the topics daily in the evening.
6	Digital Systems Design	Dr. A. Gopi Saminathan	20% in Unit-1	Students are more talkative.
7	Electronic Devices and Circuits Lab	Mrs.C.Kannika Parameshwari	Introduction	No issues
8	C Programming and Data Structures Lab	Mrs.M.Santhana Lakshmi	Introduction	No issues

NPR Nagar, Natham - 624 401, Dindigul Dist, Tamil Nadu. Ph: 04544 - 246500, 501, 502.

Points discussed and the suggestions given in the meeting:

1. Academic Schedule

- ❖ Students were elucidated about the academic schedule for the current semester 2023-24 (ODD).
- ❖ As per Anna University academic schedule the institution academic calendar was prepared, which consists of two internal examinations and one model examination.

2. Syllabus and Assessment Pattern

- ❖ Overview of syllabus for each subject was discussed in the meeting with the respective faculty
- ❖ Internal and External marks for theory and laboratory courses were explained to the students.

3. Attendance Requirements

- ❖ Students were expected to attend all the classes of all the subjects and secure 100 percentage attendance.
- ❖ In case of unavoidable reasons (Medical/Sports) the student is expected to attend at least 75% of the classes, which is mandatory for writing university exams.

4. Department Activities

- ❖ Department activities such as webinar, workshop, symposium planned in this semester were explained to the students.
- ❖ Students were encouraged to participate in those activities and to get benefited.

5. Subject Feedback

- ❖ Students gave feedback about the subject handling faculty members about the teaching learning process.
- ❖ Also, they expressed their expectation about teaching methods and their difficulties in understanding of subjects.

S. No.	Name of the Subject	Faculty In-charge	General Feedback
1	Random Processes and Linear Algebra	Mr.K.Yogunath	No issues
2	C Programming and Data Structures	Mrs.M.Santhana Lakshmi	No issues
3	Signals and Systems	Mr.J.G.Sabarish	No issues
4	Electronic Devices and Circuits	Mrs.C.Kannika Parameshwari	No issues
5	Control Systems	Dr.M.Ameena Banu	No issues
6	Digital Systems Design	Dr. A. Gopi Saminathan	No issues
7	Electronic Devices and Circuits Laboratory	Mrs.C.Kannika Parameshwari	No issues
8	C Programming and Data Structures Laboratory	Mrs.M.Santhana Lakshmi	No issues

6. General Discipline

- ❖ Students are advised to attend the class tests and internal exams without fail.
- ❖ Informed to submit the assignments given for practice on date.
- ❖ Students have to get prior permission to take leave.

7. Others

- ❖ Students requested to have working hours followed in the previous year (9.00 a.m.-4.00 p.m.)
- ❖ Students requested to convey the need of particular topic handled during the class hours.
- ❖ They requested for video presentation of all subjects except Random Processes and Linear Algebra.
- ❖ Students asked for opportunities of handling seminar which will be helpful to overcome their stage fear.
- ❖ They expected interactive session which includes technological advancements in the subjects handled and other day to day life improvements related to the subject.
- ❖ Students requested for important questions after completion of every unit.
- ❖ Students requested for change of internal test timings from Period 1 & 2 to Period 3 & 4. They need time to revise in the first two hours.
- ❖ Students asked for P.T period for every week and they informed that library hour is not needed which is not utilized effectively.

19.09.2023

Minutes of the Class Committee Meeting –II

CLASS- III ECE-A	DATE:19.09.2023	TIME: 12:30p.m	VENUE: Embedded Laboratory
S. No.	Agenda		
1	Syllabus Coverage		
2	Attendance		
3	Class Test & Internal Test-I Result Analysis		
4	Subject feedback		
5	Department Activities		
6	General Discipline		
7	Others		

The Chair person Mr.T.Balasubramani, AP/Mech, received the portions covered and general feedback from the faculties.

Points discussed and the suggestions given in the meeting:

1. Syllabus coverage

S. No.	Name of the Subject	Staff In charge	Portion Covered	General Feedback
1	Wireless Communication	Mrs.G.Renganayahi	2.5 units completed	No issues
2	VLSI and Chip Design	Mr.S.Allwyn Anand	Unit III in progress	Students are not listening class , notes not taken while the class hours
3	Transmission Lines and RF Systems	Mrs.P.Jeyalakshmi	Unit III in progress	No issues
4	Satellite Communication	Mr.A.G.Paranthaman	2.5 units completed	No issues
5	4G/5G Communication Networks	Mr.S.Sudhakar	2.7 units completed	Requested to conduct parents-teachers meeting
6	Avionic Systems	Mrs.G.Jeyalakshmi	2.5 units completed	Last two rows of boy's side are making noise
7	Introduction to Women and Gender Studies	Mrs.C.Kannika Parameshwari	3 units completed	Internal marks are very low.
8	Disaster and Risk Reduction management	Mr.S.Ayyappan	3 units completed	Poor Internal Exam Result.
9	VLSI Laboratory	Mr.S.Allwyn Anand	5 Experiments completed	No issues
10	4G/5G Laboratory	Mr.S.Sudhakar	(5/6) Syllabus completed	No issues
11	Wireless Communication Laboratory	Mrs.G.Renganayahi	(5/6) Experiments completed	NO issues

2. Attendance

- The attendance percentage of each students at the end of the Internal Examination-I was discussed.
- The students with attendance below 80% are advised to attend the classes properly.

3. Cycle Test and Internal Examination -I Result Analysis:

Cycle Test -2 Result Analysis:

Subject Code	Name of the Subject	Staff Name & Designation	Pass %
CEC336	Avionics System	Mrs.G. Jeyalakshmi AP/ECE	52.94
CEC331	4G/5G Communication Networks	Mr. S. Sudhakar AP/ECE	64.52
CEC352	Satellite Communication	Mr. A. G. Paranthaman AP/ECE	16.67
EC3501	Wireless Communication	Mrs. G. Renganayahi AP/ECE	54.29
EC3552	VLSI and Chip Design	Mr. S. Allwyn Anand AP/ECE	73.08
EC3551	Transmission Lines and RF Systems	Mrs. P. Jeyalakshmi AP/ECE	46.43

- Only 3 students were passed in all subjects.
- Performance in Satellite Communication was very poor.

Internal Examination -I Result Analysis:

Subject Code	Name of the Subject	Staff Name & Designation	Pass %
CEC336	Avionics System	Mrs.G. Jeyalakshmi AP/ECE	56.25
CEC331	4G/5G Communication Networks	Mr. S. Sudhakar AP/ECE	83.78
CEC352	Satellite Communication	Mr. A. G. Paranthaman AP/ECE	25.71
EC3501	Wireless Communication	Mrs. G. Renganayahi AP/ECE	40.54
EC3552	VLSI and Chip Design	Mr. S. Allwyn Anand AP/ECE	37.84
EC3551	Transmission Lines and RF Systems	Mrs. P. Jeyalakshmi AP/ECE	65.79
MX3081	Introduction to Women & Gender Studies	Mrs. C. Kannika Parameshwari AP/ECE	90.91
MX3084	Disaster Risk Reduction and Management	Mr. S. Ayyappan, AP/ECE	13.64

- Only 3 students were passed in all subjects.
- Students are advised to improve their performance in upcoming Internal Examination/Cycle Test.

4. Subject Feedback

- Students gave feedback about the subject handling faculty members about the teaching learning process.
- Also, they expressed their expectation about teaching methods and their difficulties in understanding of subjects.

11	Wireless Communication Laboratory	Mrs.G.Renganayahi	Software unavailable in some PC and Keyboard, Mouse are not working in few PC

5. Department Activities

- Department activities such as webinar, workshop, and symposium planned this semester were explained to the students.
- Students participated in CSIR sponsored seminar on 07.09.2023 & 08.09.2023 were appreciated.
- Students were encouraged to participate in those activities and to get benefited.
- Students were motivated to prepare well for the Internal Hackathon for Smart India Hackathon 2K23 to be conducted on 25.09.2023.

6. General Discipline

- Students are advised to attend the class tests and internal exams without fail.
- Assignments will be given for practice and that should be submitted on date
- Students have to get prior permission to take leave applied through the prescribed format.

7. Others

- Students again insisted to change the regular working hours as in last semester.
- Also, requested to carry out the renovation works mentioned in Class Committee Meeting -I.

3. Cycle Test and Internal Examination -I Result Analysis:

• Cycle Test -2 Result Analysis:

Subject Code	Name of the Subject	Staff Name & Designation	Pass %
EC8751	Optical Communication	Mr. P. Abdul Samad AP/ECE	42.22
EC8791	Embedded and Real Time Systems	Mrs.P.Jeyalakshmi	41.46
OME754	Industrial Safety	Mrs. G. Renganayahi AP/ECE	48.72
EC8701	Antenna & Microwave Engineering	Dr. S. M. Vijayarajan ASP/ECE	48.78
EC8702	Adhoc & Wireless Sensor Networks	Mr. K. Jayaprakasam AP/ECE	56.10

- Only 11 students were passed in all subjects.
- Performance in Embedded and Real Time Systems was very poor.

Internal Examination -I Result Analysis:

Subject Code	Name of the Subject	Staff Name & Designation	Pass %
EC8751	Optical Communication	Mr. P. Abdul Samad AP/ECE	37.50
EC8791	Embedded and Real Time Systems	Mrs.P.Jeyalakshmi	53.33
OME754	Industrial Safety	Mrs. G. Renganayahi AP/ECE	57.14
EC8701	Antenna & Microwave Engineering	Dr. S. M. Vijayarajan ASP/ECE	42.50
EC8702	Adhoc & Wireless Sensor Networks	Mr. K. Jayaprakasam AP/ECE	58.14

- Only 12 students were passed in all subjects.
- Performance in Optical Communication was very poor.

4. Subject Feedback

- Students gave feedback about the subject handling faculty members about the teaching learning process.
- Also, they expressed their expectation about teaching methods and their difficulties in understanding of subjects.

1	Antennas and Microwave Engineering	Dr.S.M.Vijayarajan	Need 5 units notes
2	Optical Communication	Mr.P.Abdul Samad	Need 5 units notes
3	Embedded and Real Time Systems	Mrs.P.Jeyalakshmi	Need 5 units notes
4	Ad hoc and Wireless Sensor Networks	Mr. K.Jayaprakasam	Need 5 units notes
5	Industrial safety	Mrs.G.Renganayahi	Need 5 units notes
6	Embedded Laboratory	Mr. JG.Sabarish	Some Keyboard, Mouses are not working properly
7	Advanced Communication Laboratory	Mr. S.Sudhakar	No issues

5. Department Activities

- Department activities such as webinar, workshop, and symposium planned this semester were explained to the students.
- Students participated in CSIR sponsored seminar on 07.09.2023 & 08.09.2023 were appreciated.
- Students were encouraged to participate in those activities and to get benefited.
- Students were motivated to prepare well for the Internal Hackathon for Smart India Hackathon 2K23 to be conducted on 25.09.2023.

6. General Discipline

- Students are advised to attend the class tests and internal exams without fail.
- Assignments will be given for practice and that should be submitted on date
- Students have to get prior permission to take leave applied through the prescribed format.

7. Others

- Students again insisted to change the regular working hours as in last semester.

Date: 21.09.2023

FINE ARTS CLUB (FAC) Minutes of Meeting

Date of Meeting: 20.09.2023

Time: 12.55 p.m

Venue: Civil CADD lab Room (RB201)

The meeting was held as per the information through a circular (Ref: NPRCET/FAC/2023-24/01) and all the members and coordinators were present. The following points were discussed and suggestions were given by the members and coordinators.

Agenda:

- Review of previous events
- Addition of New student members.
- Discussion and finalization of the list of activities to be conducted in this academic year (2023-2024).
- Budget for upcoming events.

First, Mrs.R.Abinaya rajakumari, Coordinator welcomed the gathering and the following points were discussed.

Then, Faculty and student representatives from each department introduced themselves at the beginning of the meeting.

FAC Coordinators explained about main objectives of the FAC such as the expression of their talent, developing interpersonal skills, and heightening their creativity and regulations of the Fine Arts Club.

1. Review of previous events

Mr. Sam Infant Jones, AP/Mechanical department discussed events held in the previous academic year, he listed the activities held in various events such as Group dance, Solo singing, face painting, painting and art from waste.

2. Addition of New Members

Since students from III year of CIVIL, EEE and MECH were new to the FAC, Mr. Allwyn Anand, the Coordinator set forth the following rules and regulations for a member of FAC:

- Any student with a passion for the list of events under FAC can be a member.
- Coordinator of other activities not possibly a coordinator of a FAC but can be a member.

- Every member and coordinator should be willing to contribute, compete and organize the programme and events through FAC when given an opportunity.

3. List of proposed activities for the academic year (2023-2024)

The following were the activities finalized by students along with faculty members for extracurricular events conducted in our college and their respective in-charges:

- Strokes and Splashes (Drawing, Sketching & Painting) - Mr. P.G. Sam Infant Jones
- Multimedia (Poster making, Film making) - Mrs.V. Tamilselvi
- Literature (Poetry, Elocution, Article writing and Debate) – Dr.P. Shanmugapriya.
- Rhythm (Dance, Vocal and Music) - Mr.R.VenkateshKumar & Mr.M.Asif raja

4. Budget for Upcomming events

It was decided that after conforming the event details the budget will be discussed and proposed in the next meeting to be held in 1st week of October.

Action plan for 2023-24

- Student coordinators along with staff coordinators were instructed to collect the details of new student members with the event they were willing to join in the club.

Date of the meeting : 18.11.2023

Time: 4.30 p.m.

Venue : Principal Office

Presided by : Mrs.R.Abinaya rajakumari, Covener (AP/Civil)

With reference to the circular dated 17.11.2023 (NPRCET/FAC/2023-24/03), the coordinators were present for the meeting. The agenda of this meeting as follows.

Agenda:

1. Preparations status of "Campus Art" Programme.
2. Rules and Regulation finalization.
3. Requirement for the smooth conduction of the Programme

Principal initiated the meeting. Mrs. R. Abinaya Rajakumari (AP/CIVIL) welcomed the faculty members and said that all the faculty suggestions and ideas are essential.

1. Review of previous meeting.

S/N	Agenda	Discussion	Action taken	Status
1	Proposal preparation for the programme	Getting approval for the programme Campus Art on 24.11.23	Requisition letter was submitted to the management and got approved	Completed

2. Preparations status of "Campus Art" Programme.

- i) **Judges of the Event** – as the anna university practical for 3rd and final year is scheduled from 24th No, 2023, the judges' availability for event needs to be confirmed and alternate arrangements need to be made in case of they are assigned for Examination duty. Each event in-charges need to confirm the status on or before 21st Nov, 2023.

NPR

COLLEGE OF ENGINEERING & TECHNOLOGY (AUTONOMOUS)

Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai | Accredited by NAAC with 'A' GRADE

NPR Nagar, Natham - 624 401, Dindigul Dist, Tamil Nadu. Ph: 04544 - 246500, 501, 502.

As per the discussion Mr.M.Asif Raja, informed that Mr.Manivel pandian AP/CSE, will not be available, in his place Dr.M.Jenifer HoD/AI&DS will judge Multimedia event.

Mr.P.G.Sam Infant Jones said that Mr.Balasubramanian, AP/Mech will not be available and he have any other be confirmed by 20th Nov,2023.

- ii) **Student members and Volunteers** – Mrs.R.Abinaya rajakumari expressed that at min 3 students per event and 5 students for the MC Desk are required.

Mrs.T.Tamilselvi, suggested that volunteers can be from MBA as they are more trained.

Mr.S.Allwyn Anand said that 1 student in each can be from II year of each department.

We finally concluded that out of three 1 from II year, 1 from I year of Engineering Departments and 1 from MBA.

MC Desk will be handled by Dr.P.Shanmugapriya. All the students will be finalized on or before 21st Nov, 2023 and a meeting will be conducted for the studentsn who volunteer.

- iii) **Registration form** – Mr.P.G.Sam Infant Jones who is in-charge of creating Google Registration form, said that form has been created and there are corrections suggested by IQAC Coordinator. The finished form will be shared on 19th Nov, 23 for faculty members after incorporating the corrections.

- iv) **Theme** – Mrs.R.Abinaya rajakumari put forth her ideas, that singing, dance, Multimedia, Music can be of open theme and for painting - Marine life and pollution, art from waste - Replica of engineering stream and for elocution – Communication within family in this media era and Multiculturalism.

Dr.Shanmugapriya suggested the topics, life before pandemic and now, face to face conversation. Mr.M.Asif Raja suggested Impact of AI. Mrs.T.Tamilselvi suggested Need for value-based education. The principal added that first two topics are good, go on with topic like gamming and think out of box.

Finally, we agreed upon having 3 topics given to students during registration (20th Nov, 2023) and on the date of event the student will have to talk on one theme chosen by them from the lot.

The principal suggested to adjust the time duration for the participant presentation such that it will not be dragged or shortened.

3. Rules and Regulation finalization.

After the discussing the pros and cons of do's and dont's of the event, the rules for event have been finalized and enclosed with this minute of the meeting.

4. Requirement for the smooth conduction of the Programme.

Mrs.R.Abinaya rajakumari spoke about other requirement such as Prizes, Technicians availability at the venue and facilitating the student participants as the exact count will be known after the registration.

- i) Prizes – All the faculty agreed to go with I and II prizes for each event and the number of 14 prizes required.
- ii) Technicians – will inquire the availability with their respective department.
- iii) Venue – the venue has already been approved, in case of appended strength in painting (above 80) or Art from waste (above 40), the venue for Music may be changed to NPRCET Indoor Auditorium and this can be utilized for others.

The meeting was concluded wishing the best, to each other towards the smooth conduction of "Campus Art" programme.

FINE ARTS CLUB (FAC)

Minutes of the meeting

Date of the meeting : 15.02.2024

Time : 03.20 p.m.

Venue : Fine Arts Club

Presided by : Mrs.R.Abinaya rajakumari, Convener, AP/Civil

With reference to the circular dated 14.02.2024 (NPRCET/FAC/2023-24/05), all the faculty members were present.

Mrs. R. Abinaya rajakumari welcomed the gathering and briefed the following agenda of the meeting:

1. Follow up on the practice schedule.
2. Starting up a musical band.

1. Follow up on the practice schedule.

Mrs.R. Abinaya rajakumari AP/Civil, initiated the discussion saying the schedule for the practice has been sent to all the departments yet the practice has not started. She insisted the coordinators take the necessary steps to send the interested students for regular practice.

Day	Activity
Monday	Girls Dance practise
Tuesday	Boys Dance practise
Wednesday	Girls Dance practise
Thursday	Boys Dance practise
Friday	Music and Vocal practise
Saturday	Article Writing, Painting, and Craft

S/N	Staff In-charge - Girls Dance	Staff In-charge - Boys Dance
1.	Mrs.V.Tamil Selvi AP/MBA	Mr.Sam Infant Jones AP/Mech
2.	Mrs.Shanmugapriya ASP/English	Mr.Asif Raja AP/CSE
3.	Mrs.R.Abinaya rajakumari AP/Civil	Mr.Venkatesh AP/EEE

department students, have already faced similar issues during previous practice sessions.

Mr. S. Allwyn Anand AP/ECE, suggested that the willing students may be counselled to have a positive attitude towards socializing which will be helpful for them in the future when facing society.

Mr.P.G.Sam Infant Jones ,AP/Mech, suggested creating a spreadsheet to collect the list of students willing to come for practice sessions and each faculty member will be responsible for the students from their respective department.

Mrs.R.Abinaya Rajakumari AP/Civil, said that the student members need to be added as one from each is not sufficient and the information is not conveyed from end to end. two student members from each class (one boy and one girl) may be added and that would be collod through spread sheet.

2. Starting up a musical band.

Mrs.R. Abinaya rajakumari AP/Civil, shared the information that musical instruments would be provided if we have a sufficient number of efficient students who can utilize that.

Mr. S. Allwyn Anand AP/ECE, assured that he would train the students and prepare a musical team for our college and we would showcase their talent when opportunity provided.

Incubation Centre

Incubation is a unique and highly flexible combination of business development processes, infrastructure, and people, designed to nurture and grow new and small businesses by supporting them through the early stages of development and change.

A business incubator is a workspace created to offer start-ups and new ventures access to the resources they need, all under one roof. In addition to a desk or office, incubators often provide resident companies with access to expert advisors, mentors, administrative support, office equipment, training, and/or potential investors.

Vision:

- To create a sustainable ecosystem in the institute for the nurturing and enrichment of creativity, innovation, and entrepreneurship.

Mission:

- To establish a state-of-the-art centre of excellence to initiate and identify innovative ideas and nurture them into start-ups.
- To support early-stage start ups with space, facilities, mentorship, and networking.

NPR Nagar, Natham - 624 401, Dindigul Dist, Tamil Nadu Ph 04544 - 246500, 501, 502

Incubation Centre

Objectives:

- To develop societal problem-solving skills among students through their creativity and design thinking abilities.
- To arrange periodical field visits in nearby places of interest and get them exposed to challenges in their daily routines.
- To organize My Idea events periodically in order to improve students' problem-solving skills.
- To motivate students' participation in various national and international competitions, viz., pitch festivals, hackathons, Google Startup contests, and other similar events.
- To encourage faculty to organize events on innovation, entrepreneurship, and IPR in order to enhance their mentoring capabilities.
- To support every innovation for patent and fabrication through incubation.
- To strengthen institute-industry interaction for establishing incubation facilities and investors' support.
- To associate our students with entrepreneurial ventures, viz., innovators, creators, market makers, expanders, and scalers.
- To formulate our students' ideas into entrepreneurial values through our Innovation Hub.
- To strengthen our institute-industry partnerships for achieving sustainable development.
- To establish a technology business incubator for promoting innovations for successful start-ups.

Roles and Responsibilities of Incubation Centre

Roles and Responsibilities of the Coordinator:

- To establish the linkages between our institute and industries, research organizations, peers, and incubators.
- To coordinate and execute strategies to attract funding, including cultivating investor relationships, preparing compelling pitch materials, and guiding startups through fund raising processes.
- To coordinate various activities run under the Innovation and Incubation Cell.

Roles and Responsibilities of Faculty Members:

- To invite entrepreneurs to share their insights and success stories.
- To run entrepreneurship education courses on campus.
- To motivate students to participate and organize entrepreneurship-related events inside and outside the institute.

Roles and Responsibilities of Student Members:

- To make other students aware of institutional incubation, the funding process, and other entrepreneurial activities.
- To participate in various entrepreneurship-related workshops, seminars, awareness camps, competitions, and skill development training programs outside the institute.
- To organize entrepreneurship-related events and awareness programs within the institute.

Innovation & Incubation Center

Minutes of Meeting

Date: 03.08.2023 **Time:** 12.45 p.m. **Venue:** Innovation & Incubation Centre (RB004)

The meeting was held as per the schedule, and all the members were present. The following points were discussed, and suggestions were given by the members.

Agenda:

- Members Introduction
- Review of activities for the year 2022–23
- Action plan for 2023–24

Mr. T. Balasubramani, Innovation & Incubation Center Incharge, welcomed the gathering, and the following points were discussed:

Members Introduction

Faculty and student representatives from each department, suggested as members of the Innovation and Incubation Center, introduce themselves at the beginning of the meeting.

Review of activities of the year 2022-23

- Mr. T. Balasubramani, Innovation & Incubation Center Incharge, narrated the activities of the cell held during the previous academic year (2022–23).
- Gowthaman, T. Imaan Mohamed, M. Rakesh, and P. Ruban completed their final year project on the topic of the development of a humanoid robot for cleaning sewage by using a 3D printer.

Action plan for the month of August 2023

- C. Kalpana Faculty members from the CSE Department suggested organizing a program regarding the motivation of students towards the conversion of projects into startups by Mr. D. Mohamed Azaruddin, Deputy Executive Engineer, NLC India Limited, on August 14, 2023, in the NPRCET seminar hall for mechanical engineering students, electrical

and electronics engineering students, and electronics and communication engineering students.

- S. Ajay Balaji, a student member from the Mechanical Department, requested to arrange an awareness program for all the students about incubation cells.
- A. Baskar, a student from the ECE department, clarified about the opportunities for Electronics and Communication Engineering students to do the project by using incubation cell resources.
- K. Binith Muthukrishnan, a faculty member from the MBA Department, gave a suggestion to convert the idea of incubation to startups.
- All are motivated to participate in the FDP or seminars to be conducted by other institutions.
- Also, all are requested to take initiative to utilize the incubation cell.
- All the members are requested to convey the information discussed in the meeting to all in their respective departments.

The meeting was held as per the schedule, and all the members were present. The following points were discussed, and suggestions were given by the members:

Agenda:

- Review of activities for the month of August 2023
- Action plan for September 2023

Mr. T. Balasubramani, Incubation Cell Incharge, welcomed the gathering, and the following points were discussed:

Members Introduction

Faculty and student representatives from each department, suggested as members of the IPR Cell, introduced themselves at the beginning of the meeting.

Review of activities for the month of August 2023

T. Balasubramani, Incubation Cell Incharge, narrated the activities of the cell held during the previous academic year (2022-23).

- C. Kalpana A faculty member from the CSE Department organized a program regarding the motivation of students towards the conversion of projects into startups by chief guest Mr. D. Mohamed Azaruddin, Deputy Executive Engineer, NLC India Limited, on August 14, 2023, in the NPRCET seminar hall for mechanical engineering students, electrical and electronics engineering students, and electronics and communication engineering students.

Action plan for 2023-24

- A. Meera Jafrin, a student member from the ECE Department, is requesting permission to do a project by using the incubator cell to arrange an awareness program for all the students about the incubator cell.
- It is informed to the faculty members and students members about the program expert talk on "Innovating Your Business Model for Future Success" by the guest Dr. Rajakumari Jeevagan, Founder, GMS Foundation, Waalai Foods, Chairman, " WE" Women Entrepreneurs, Tamil Nadu Chamber of Commerce and Industry, Madurai, and R. Uma Chandrika, Assistant Director, MSME, Development Institute, Government of India, Madurai.
- S. Sathyamoorthi, a faculty member from the EEE Department, gave a suggestion to celebrate Innovation Day on October 16, 2023, with the theme "Step Out and Innovate 2K23."
- S. Ajay Balaji, a student member from the EEE Department, gave a suggestion to conduct a poster design competition for the Celebrate Innovation Day celebration on October 16th.
- Also, all are requested to enhance the utilization of the incubation cell.
- All the members are requested to convey the information discussed in the meeting to all in their respective departments.

INNOVATION CLUB (IC)

Minutes of the meeting

Date of the meeting : 20.10.2023
Time : 04.30 p.m.
Venue : Internal Quality Assurance Cell
Presided by : Mrs.C.Kalpana, AP/ CSE

With reference to the circular dated 17.10.2023 (NPRCET/IC/2023-24/01), the meeting was convened by coordinator Mrs. C.Kalpana and all the faculty members were present.

Co-ordinator of Innovation Club Mrs. C.Kalpana welcomed the gathering and briefed the following agenda of the meeting:

1. Introduction to Innovation Club
2. Introduction of Club members
3. Inauguration of Innovation Club and World Innovation Day Celebration
4. Eligibility of student members
5. Membership registration
6. Election for Committee members

1. Introduction to Innovation Club

Mrs.C.Kalpana delivered the introduction speech about innovation club. She told that the Innovation club is a place where ideas come to life! We're a dynamic community passionate about fostering creativity, collaboration, and cutting-edge problem-solving. She added that Innovation club is to explore innovative solutions, network with like-minded individuals, and embark on exciting projects that push the boundaries of possibility."

2. Introduction of Club members

Co-ordinator of the Innovation club Mrs.C.Kalpana, Introduced the club members from all departments and briefed their roles and responsibilities in the club activities.

3. Inauguration of Innovation Club and World Innovation Day Celebration

Upon discussion, The chairman of the Innovation club Dr.B.Maruthu Kannan, Principal, and members of the club decided to celebrate the Inauguration of innovation club and world innovation day celebration on 01.11.2023 at the campus.

4. Eligibility of student members

Undergraduate students from all departments are eligible for joining as a member of the innovation club where as faculty members can join based on their interest.

5. Membership Registration

For availing the benefits of Innovation club, registration form will be circulated among the students, and enrolled students will become the active member of the club. Every academic year the membership will be renewed and member card will be issued to the students.

6. Election for committee members

Committee members President, Vice President, Secretary, Joint Secretary, Treasurer, Web master and Office bearers will be elected by the student members.

INNOVATION CLUB

Minutes of the meeting

Date of the meeting : 28.12.2023
Time : 04.30 p.m.
Venue : Innovation Club
Presided by : Mr.C.Vijayakumar , AP/ Civil, Co-ordinator

With reference to the circular dated 26.12.2023 (NPRCET/IC/2023-24/05), the meeting was convened by coordinator Mr.C.Vijayakumar. The faculty members and committee members were present.

Mr.C.Vijayakumar welcomed the gathering and briefed the following Agenda of the meeting:

1. Roles and Responsibilities of Club members
2. Club activities for 2023-2024 Even
3. Innovation Competitions

1. Roles and Responsibilities of club members

Elected members were instructed about their roles and responsibility in club activities.

President:

- Oversight of the innovation cell's overall functioning.
- Liaison with external entities, if necessary.
- Leading meetings and strategic planning sessions.

Vice President:

- Support the President and delegation of responsibilities.
- Overseeing specific projects or initiatives.
- Acting as the President in their absence.

Secretary / Joint Secretary:

- Maintaining records, meeting minutes, and documentation.
- Handling communication within the organization.

Treasurer:

- Budget management and financial planning.
- Fund raising efforts and sponsorships

2. Club activities for 2023-2024 Even

Innovation club activities for the academic year 2023-2024 (Even) finalized by the faculty and Committee members.

The following activities will be conducted during this semester

1. Seminar on "Innovation - The Essence of Engineering" on 19.01.2024
2. Innovation Bootcamp on 20.03.2024
3. Workshop on "Master Brand and Accelerate Yourself"
4. Celebration of World Creativity and Innovation Day

3. Innovation Competitions

Club members were instructed to actively participate in inter and intra-college innovation competitions to enhance their innovative and design thinking.

Minutes of Meeting

Date: 02.08.2023

Time: 12.45 p.m

Venue: IPR Cell room (RB302)

Meeting was held as per the schedule and all the members were present. The following points were discussed and suggestions were given by the members.

Agenda:

- Members Introduction
- Review of activities of the year 2022-23
- Action plan for 2023-24

Dr.M.Ameena Banu, Coordinator welcomed the gathering and the following points were discussed.

Members Introduction

Faculty and student representative from each department, suggested as member of IPR Cell introduced themselves in the beginning of the meeting.

Review of activities of the year 2022-23

Dr.M.Ameena Banu, Coordinator of IPR Cell, narrated the activities of the cell held during the previous academic year 2022-23.

Title of the Program	Resource Person	No .of Participants	Date & Venue
Online Workshop on Intellectual Property Rights (IPR) and IP Management for Startups	Dr.Bhaskar Gupta, Dean (Academics), President – IIC, IIMT Group of Colleges, Greater Noida, Uttar Pradesh.	82 Students & 36 Faculties	31.08.2022 & Google Meet
Motivation of Students towards Conversion of Project into Patent	Dr.P.Nagarajan, Associate Professor-ECE, SRM Institute of Science and Technology, Vadapalani Campus, Chennai.	66 Students & 29 Faculties	28.05.2023 & Google Meet

- The Patents filed and published by Principal and Faculty members from ECE department are explained to the new members in a view to motivate them and the details are documented.

Title	Department	Application Number and Date of Publishing
IoT and Artificial Intelligence based Smart Farming System using Cloud Computing and Wireless Sensor Network	Principal	202211062974, dt.18.11.2022
Apparatus for Bar Code Graphics Quality Control and for processing Image Data relating to Bar Codes	Faculties/ Dept. of ECE	202341005208, dt. 24.02.2023

- Dr.M.Ameena Banu, Prof./ECE completed courses on Basics of IPR during September 2022 and Design Thinking during October 2022 organized by Turnip Innovations Pvt. Ltd., Kolkata.
- Dr.P.Rani, ASP/Maths, has completed online NPTEL FDP on "Introduction to Research" during August 2022 to September 2022.
- Dr.M.Jenifer, ASP/ECE, has attended two days online FDP on "Research Methodology: Tools and Techniques" organized by Department of Computer Science & Engineering of Bharati Vidyapeeth's College of Engineering, Kolhapur under lead college Shivaji University, Kolhapur from 24th March to 25th March 2023.

Action plan for 2023-24

- Mr.R.Muthukumar, Faculty member from EEE Department suggested for organizing a program regarding filing of patent specifically for final year students.
- Selvan. J.Mohammed Irfan, Student member from Mechanical Department requested to arrange an awareness program for all the students about IPR.
- Selvi.S.Nafeela Nasrin, Student from CSE Department clarified about the opportunities for Computer Science students to file the patent and to get the copyright for coding.
- Mrs.V.Tamilselvi, Faculty member from MBA Department suggested finding out suitable resource person to suggest ideas for MBA students to identify the methods filing patents.
- All are motivated to participate in the FDP/Seminars to be conducted by other institutions.
- Also, all are requested to take initiative to file the Patent.
- It is decided to meet every Friday during 12.30 to 1.00 p.m with other interested students and faculties.
- All the members are requested to convey the information discussed in the meeting to all in their respective department.

--	--	--	---

The following points were discussed in the meeting:

S/N.	Agenda	Points discussed
1.	Activities planned	It is planned to conduct webinar on "GIST - ASME awareness" for students and staff of Mechanical Engineering on 24.02.2024.
2.	Library's collection development and acquisitions	<ul style="list-style-type: none"> The Librarian insisted the members of LAC to inform their department faculty members and students to effectively utilize the Digital library and e-resources of our library. The librarian presented a summary of recent acquisitions, including total number of items added to the collection. Hence,

		34,278 volumes under 6201 titles are available in total.
3.	Plan for this semester	<ul style="list-style-type: none"> It is planned to give orientation to I, II, III year students about library resources after the commencement of even semester of the academic year 2023 - 2024.
4.	Suggestions	<ul style="list-style-type: none"> Dr. N. Kavitha, Prof./ Physics and Mr. N. Karthic, AP/Civil suggested to include first year students in Library Advisory Committee meeting to know about the library. The chairperson insisted the co-ordinator to include first year and second students in next meeting. Mr. P. Manikandan, AP/Civil suggested to procure the textbooks for civil engineering professional elective subjects of Anna University regulation 2021. The Chairperson suggested Ms. P. Keerthika, III year EEE to record the demo video of accessing e-resources that can be circulated to students for easy access. Mr. R. Venkatesh Kumar, AP/EEE recommended to collect feedback from students and faculties about library usage. Ms. A. Logarani , III year Civil & Ms. M. Kowsalya, IV-year CSE requested to procure general studies books like Indian Politics which would be helpful for competitive exam preparation. The librarian replied that those books are available in our library. The Chairperson suggested Mr. S. Kailash, II year MBA to conduct Activity Based Learning in central library for effective utilization of the library resources.
