Fine Arts Club (FAC)

Report for Pencil Drawing Competition

Summary Report

The Pencil Drawing competition was organized by the Fine Arts Club (FAC) of NPR College of Engineering & Technology, on 23rd June 2023. The event challenged participants to create detailed and creative drawings using only pencils.

The students were tasked with expressing their artistic skills and ideas through the medium of pencil, with no colour allowed in the drawings, thereby emphasizing shading, contrast, and texture. The event registration and lot number selection by students began at 9:40 a.m. at their respective venue. Students showcased their talent and creativity before judges and event coordinator. Performance evaluation was based on specific criteria, and winners and runners were selected for the event. A total of 73 students participated in the event.

The valedictory function was conducted in the MBA Seminar Hall at 04.00 p.m.. The event started with a prayer song by Mr.S.Bhuvaneshwaran , III Year CSE. Ms.M.Kowsalya, IV Year CSE welcomed the gathering. Dr.J.Sundararajan, Principal, presented the shields for the winners Mr.B.Ajaykumar ,IV Year MECH got the first prize, Mr. R.Keerthi Haran ,III Year CSE got Second prize and Mr.M.Sathyapriyan M, III Year EEE got third prize.Mr.T.Santhosh, II Year MBA delivered the vote of thanks. The function concluded with the National Anthem.

Report for Kolam Competition

Summary Report

The Kolam Competition was organized by the Fine Arts Club (FAC) of NPR College of Engineering & Technology, on 28-07-2023. The Kolam competition was to celebrate the cultural heritage of Kolam artistry, encourage creativity, and promote community participation. It provided a platform for all students to showcase their skills in creating traditional and contemporary Kolam.

The event registration and lot number selection by students began at 10:30 a.m. at their respective venue. Theme of the Kolam competition is traditional Kolam, festive Kolam, eco-friendly Kolam. Materials to be used were rice flour, colored powders, flower petals, and natural ingredients. Duration of each participant had 1.30 hours to complete their Kolam. Judging criterias were design complexity, creativity, symmetry, aesthetic appeal, use of material. Students showcased their talent and creativity before judges and event coordinators. Performance evaluation was based on specific criteria and winners and runners were selected for the event. A total of 56 students participated in the events.

The valedictory function was conducted in the MBA Seminar Hall at 04.00 p.m. The event started with a prayer song by Ms.A.Neha, III Year ECE. Ms.M.Ramya, III Year EEE welcomed the gathering. Dr.J.Sundararajan, Principal, presented the winners and runners with shields. Ms.K.Susila II Year MBA delivered the vote of thanks. The function concluded with the National Anthem.

Report for Singing Competition

Summary Report

The Singing Competition was organized by the Fine Arts Club of NPR College of Engineering & Technology on 23rd September 2023. The event aimed to provide students with a platform to showcase their vocal talents and express their creativity through music.

The competition took place in the NPRCET Seminar Hall from 10:00 a.m. Participants were invited to perform songs of their choice, with categories for both solo and group performances. The students were judged based on their vocal clarity, pitch, rhythm, stage presence, and overall performance. A total of 53 students participated in the event, with each performer delivering their best rendition in front of a panel of judges.

The valedictory function concluded with the prize distribution ceremony, where the winners were felicitated by Dr.J.Sundararajan, Principal. The first prize was awarded to Ms.S.Sivaranjani, a IV Year student from the Department of Electronics and communication engineering, whose soulful performance captivated the audience. The second prize went to Mr.V.Babu Shankar, a IV Year student from the Department of Mechanical Engineering, and the third prize was claimed by Mr.N.Tharun, a IV Year student from the Department of Electrical and Electronics Engineering. The event ended with a vote of thanks delivered by Ms.S.Geethanjali, a IV Year computer science student, and the national anthem.

Summary Report

The On-the-Spot Speech Competition was organized by the Fine Arts Club of NPR College of Engineering & Technology to encourage students to think critically, articulate their thoughts confidently, and improve their on-the spot speaking skills. The competition provided students with an opportunity to showcase their oratory skills by delivering speeches on topics that were announced just before the event began, testing their spontaneity, creativity, and ability to communicate effectively under time constraints. Participants were given their speech topics on the spot, ensuring an element of surprise and spontaneity. Each participant was allotted 3-5 minutes to deliver their speech. The speeches were judged based on the following criteria are Content and relevance, clarity of expression, structure, Confidence and Delivery, Creativity and Originality.

The valedictory function for the On-the-Spot Speech competition took place at NPRCET Seminar Hall. The function began with a prayer song by Ms.K.Akila, I Year MBA. Ms.S.Deepika welcomed the gathering, emphasizing the importance of developing strong communication skills. Dr.B.Maruthu Kannan, Principal honoured the event and presented the winners with certificates and shields and the winners are Ms.S.Santhiya, II Year CSE got the first prize, Mr.S.Balaguru, I Year MBA got Second prize and Mr. Issac Sunil, II Year AI&DS got third prize. The event concluded with a vote of thanks by Ms.D.Joe Makdaniya . The session ended with the National Anthem.

Student's participation in Fireless cooking Competition on 25.10.2023

Fine Arts Club (FAC)

Report for Fireless Cooking Competition

Summary Report

The Fireless Cooking Competition was organized by the Fine Arts Club of NPR College of Engineering & Technology on 25.10.2023. This competition focused on cooking dishes that required no fire or cooking appliances, thus testing participants ability to create meals using only raw ingredients or techniques that do not involve direct heating or flame. Students from various departments took part in the event, showcasing their creativity and culinary skills by preparing a variety of fireless dishes. Cooking methods were used ingredients like fruits, vegetables, dairy, nuts, and other raw items, preparing items like salads, sandwiches, and desserts without the use of fire or traditional cooking methods. The participants were evaluated based on the following criteria are Creativity and Originality, Presentation, Taste and Texture, Health and Nutrition, Teamwork and Time Management.

The valedictory function for the Fireless Cooking Competition took place in the MBA Seminar Hall. The event concluded with a formal ceremony where the winners and runner-up were recognized for their outstanding performances. The function began with a prayer song by Ms.B.Dharshini , III Year ECE creating a serene atmosphere for the event. Mr.K.Nithishkumar ,III Year ECE delivered the welcome Address Dr.B.Maruthu Kannan, Principal, appreciated the participants for their innovative approaches and the importance of developing practical skills and presented the winners with certificates and shields, recognizing their efforts and accomplishments. The event concluded with a vote of thanks by Ms.S.Geethanjali, IV Year CSE expressing gratitude to the participants, judges, faculty members, and organizers who contributed to the success of the event. The session ended with the National Anthem.

Report for Face Painting competition

Summary Report

The Face Painting Competition was organized by the Fine Arts Club of NPR College of Engineering & Technology on 08.11.2023. This event aimed to provide students with an opportunity to showcase their artistic creativity, technical skills, and imagination through face painting. The competition provided participants with a platform to transform a blank canvas of their model's face into a work of art. The participants were required to use various face painting techniques to create designs that were unique, vibrant, and innovative. The event was designed to test not only the participants' artistic skills but also their ability to execute a concept within a limited time frame.

The Valedictory Function for the Face painting competition took place at NPRCET placement hall. The function began with a prayer song by Ms.M.Sowmya, II Year MBA. Mr.C.Praveen, III Year CIVIL welcomed the gathering. Dr.B.Maruthu Kannan, Principal, presented the shields for the winners. The competition witnessed enthusiastic participation, and the final artworks were impressive in their creativity and execution. The results were as follows: Mr.A.Vimal sanjay and Mr.B.Viswa, II Year CSE got first place, Mr.C.Bharathiraja and Mr.V.Venkatesh, IV Year EEE got second place and finally Mr.T.Gunapandi and Mr.T.Prithviraj, IV Year CIVIL got third place. The event concluded with the vote of thanks by Mr.S.Siddharth, II Year IT. The session ended with the National Anthem.

Report for Hand Craft Competition

Summary Report

The Handcraft competition was organized by the Fine Arts Club of NPR College of Engineering & Technology on 16th February 2024. The event invited students to showcase their creativity and craftsmanship through intricate handcraft designs, focusing on using various materials and techniques to create artistic pieces.

Students were encouraged to express their talent through hands-on creativity, with a special emphasis on originality and the use of different textures and materials. The event commenced at 11:00 a.m. with the registration and lot number selection at seminar hall, located on the rear block ground floor. Students then showcased their work in front of judges and event coordinator. Performance was evaluated based on the creativity, skill, and adherence to the theme. A total of 64 students participated in the event.

The valedictory function took place in the seminar Hall, at 2:00 p.m. The event began with a prayer song, performed by Mr.A.Abdul Rahman, III-ECE. Ms.S.A.Rithika, III Year Civil, welcomed the gathering. Dr. B. Maruthu Kannan, Principal graced the event as a chief guest and presented the shields to the winners. Ms.S.Geethanjali, IV Year CSE got first place, Mr.P.Sivaprakash, III Year MECH got second place and Mr.C.Praveen from III Year Civil got third place. The event concluded with a vote of thanks and the National Anthem.

Report for Mehendi Competition

Summary Report

The Mehendi Event was organized by the Fine Arts Club (FAC) of NPR College of Engineering & Technology on 1st March 2024. The event invited participants to showcase their creativity and skill in applying intricate Mehendi designs, emphasizing the use of patterns, symmetry, and artistic flair.

Students were encouraged to express their talent through the art of Mehendi, focusing on originality and the aesthetic appeal of their designs. The event began at 10:30 a.m. with registration and lot number selection at NPRCET Seminar Hall-I, located on the rear block. Participants then applied their designs in front of judges and event coordinators, with performance evaluated based on creativity, skill, and the intricacy of the designs. A total of 43 students participated in the event.

The valedictory function took place at 3:00 p.m. in the MBA Seminar Hall. The event began with a prayer song, performed by Ms. Bharathi R, II Year MBA. Ms. Keerthi S, IV Year CSE, welcomed the gathering. Dr. B. Maruthu Kannan, Principal, graced the event as the Chief Guest and presented shields to the winners.

- First place was awarded to C. Harini from IV Year ECE.
- Second place was awarded to M. Ramya from III Year EEE.
- Third place was awarded to K. Abinaya from II Year MBA.

The event concluded with a vote of thanks and the National Anthem.

Report for Art from Waste Competition

Summary Report

The Art from Waste competition was organized by the Fine arts Club of NPR College of Engineering & Technology on 28th March 2024. The event invited participants to showcase their creativity by transforming waste materials into artistic and innovative creations, highlighting the importance of sustainability and environmental consciousness through art.

Students were encouraged to use discarded or recyclable materials to craft artistic pieces, with an emphasis on originality, resourcefulness, and environmental impact. The event began at 10:00 a.m. with registration and lot number selection at Seminar hall. Participants then presented their creations in front of judges and event coordinators, with their performance evaluated based on creativity, the use of materials, and overall design. A total of 75 students participated in the event.

The valedictory function took place at 4:00 p.m. in the NPRCET Seminar Hall. The event commenced with a prayer song, followed by a welcome address by Mr. Vinoth Kumar K, III Year ECE. Dr.B.Maruthu Kannan, Principal, graced the event as the Chief Guest and presented shields to the winners.

- First place was awarded to R. Manikandan from IV Year MECH.
- Second place was awarded to A. Ranjitha from III Year EEE.
- Third place was awarded to S. Karthik from II Year MBA.

The event concluded with a vote of thanks and the National Anthem.

Summary Report

The Dance Event was organized by NPR College of Engineering & Technology on 17th May 2024. The event invited participants to showcase their creativity and talent through various dance performances, emphasizing rhythm, expression, and artistic choreography. Students were encouraged to present their best dance routines, with a focus on originality, energy, and coordination. The event began at 10:30 a.m. with registration and lot number selection at the NPRCET Auditorium. Participants then performed in front of judges and event coordinators, with their performance evaluated based on creativity, coordination, and overall presentation. A total of 74 students participated in the event.

The valedictory function took place at 3:00 p.m. in the NPRCET Auditorium. The event commenced with a prayer song, followed by a welcome address by Ms.R.Brintha, IV Year EEE. Dr.B.Maruthu Kannan, Principal, graced the event as the Chief Guest and presented shields to the winners.

- First place was awarded to Mr.B. Elambaruthi from III Year Civil.
- Second place was awarded to Mr.M. Gantha Raja from III Year CSE.
- Third place was awarded to Mr.N. Mana from II Year MBA.

The event concluded with a vote of thanks and the National Anthem.

Tamil Mandram

Report for Public Speaking -Tamil

Summary Report

The Public Speaking Tamil competition was organized by the Tamil Mandram of NPR College of Engineering & Technology on September 13, 2023. The event was organized to provide a platform for students to showcase their speaking skills in the Tamil language, promoting confidence, eloquence, and effective communication.

The event took place in the NPRCET Seminar Hall, starting at 10:00 a.m. Participants were required to prepare and deliver speeches in Tamil on various topics, which were judged based on content, language proficiency, presentation skills, and overall impact. A total of 53 students participated in the competition, each bringing their unique perspectives and talents to the stage. The judges paid close attention to the clarity of thought, fluency in Tamil, and the ability to engage the audience. The event provided an excellent opportunity for students to improve their public speaking abilities while promoting the use of Tamil in academic and professional settings.

The valedictory function took place at 4:00 p.m., where the prizes and certificates were distributed by the Chief Guest, Dr.J.Sundararajan, Principal of NPRCET. The first prize was awarded to Ms.S.Durga Gnana Devi, a III Year student from the Department of Computer Science, who impressed the judges with her powerful delivery and well-researched speech. The second prize went to Mr.B.Sibin, a IV Year student from the Department of Mechanical Engineering, while the third prize was secured by Mr.M.Jeyaram, a IV Year student from the Department of Electrical and Electronics Engineering. The function concluded with a vote of thanks by Ms.T.Natchatra, a II Year MBA student, and The function concluded with the National Anthem.

Students participating in Throw Ball on 11.08.2023

Sports Club Report for Throw Ball Summary Report

The Throw Ball event was organized by the Sports Club of NPR College of Engineering & Technology on 11th August 2023. The event provided an opportunity for participants to showcase their athleticism and teamwork through the sport of throw ball; emphasizing strategy, coordination, and skill. Students were encouraged to demonstrate their best performance, focusing on teamwork, agility, and precision. The event began at 10:30 a.m. with registration and lot number selection at the NPRGI Ground. Teams competed in front of judges and event coordinators, with their performance evaluated based on teamwork, execution, and overall strategy. A total of 76 students participated in the event.

The valedictory function took place at 4:00 p.m. in the NPRGI Indoor Auditorium. The event commenced with a prayer song, followed by a welcome address by Mr. J. Kabilan, IV Year Mech. Dr. B. Maruthu Kannan, Principal, graced the event as the Chief Guest and presented shields to the winning teams.

- First place was awarded to Ms. S. Laara Dolly from III Year EEE.
- Second place was awarded to Mr. R. Ragul from IV Year MECH.
- Third place was awarded to Mr. N. Praveen from IV Year CSE.

The event concluded with a vote of thanks and the National Anthem.

CIRCULAR

This is to inform that the Sports club of NPR College of Engineering & Technology planned to organize "Athletics" event for the students of MBA and III & IV year of engineering students on 23.08.2023. It is a good opportunities for the students to show their talents in the sports. Hence interested students can enrol their names to the department coordinator before 21.08.2023.

Venue : NPRCET Ground
Date : 23.08.2023
Session : 11.00 a.m.to 4.00 p.m.

Report for Athletics

Summary Report

The Athletics event was organized by the Sports club of NPR College of Engineering & Technology on 23rd August 2023. This event provided participants with the opportunity to showcase their athletic abilities, endurance, and teamwork, with a focus on strategy, coordination, and performance excellence. Students were encouraged to give their best effort, concentrating on speed, agility, and strength across various athletic disciplines. The event began at 11:00 a.m. with registration and the draw for event categories at the NPRCET Ground. Participants competed in front of judges and event coordinators, with their performances being evaluated based on technique, execution, and overall strategy. A total of 72 students participated in the event.

The valedictory function started with a prayer song, followed by a warm welcome address by Mr. M.Pranov, III-Year CSE. Dr.J.Sundararajan, Principal graced the event as the Chief Guest and presented shields to the top-performing athletes.

- First place was awarded to Mr.S. Logesh from III-Year EEE.
- Second place was awarded to Mr.G. Mohanraj from IV-Year CIVIL.
- Third place was awarded to Mr.S. Kailash from II-Year MBA.

The event concluded with a vote of thanks, followed by the National Anthem.

Report for Javeline Throw

Summary Report

The Javelin Throw event was organized by the sports club of NPR College of Engineering & Technology on 25th January 2024. The event invites participants to demonstrate their athletic skills and precision through the sport of javelin throwing, focusing on distance, technique, and consistency.

Students were encouraged to present their best throws, with emphasis on form, strength, and accuracy. The event began at 10:00 a.m. with registration and lot number selection. Participants will compete by throwing the javelin in front of judges and event coordinator, with their performance evaluated based on distance, technique, and overall execution. A total of 76 students were expected to participate in the event.

The valedictory function will take place at 4:00 p.m. in the MBA Seminar Hall. The event began with the prayer song, followed by the welcome address by Mr.S.Jegan, IV Year Civil.Dr.B.Maruthu Kannan, Principal, graced the occasion as the President and present shields to the winners.

- First place was awarded to M.Divagar from II Year MBA.
- Second place was awarded to B.Karthik from III Year ECE.
- Third place was awarded to A.Baskar from IV Year EEE.

The event was concluded with the vote of thanks and National Anthem.

Report for Premier League Cricket

Summary Report

The Premier League Cricket event was organized by the Sports club of NPR College of Engineering & Technology on 16th March 2024. The event provided participants with the opportunity to showcase their cricketing skills, athleticism, and teamwork, with a focus on strategy, coordination, and precision. Students were encouraged to demonstrate their best performance, concentrating on teamwork, agility, and batting and bowling techniques. The event began at 10:00 a.m. with registration and team draw at the NPRCET Cricket Ground. Teams competed in front of judges and event coordinators, with their performance being evaluated based on execution, teamwork, and overall strategy. A total of 69 students participated in the event.

The valedictory function began with a prayer song, followed by a warm welcome address from Mr.T.Gopinath, IV-Year MECH. Dr.B.Maruthu Kannan Principal, graced the occasion as the Chief Guest and presented shields to the winning teams.

- First place was awarded to the CSE department team.
- Second place was awarded to the Mechanical department team.
- Third place was awarded to the EEE and MBA department teams.

The event concluded with a vote of thanks, followed by the National Anthem.
